### **December 1, 2018**

My child, believe and be patient a little longer. Trust in Me and know there is little time left. Just read the Gospels, read My Commandments and tell My children to obey them. Do not believe in the liberal world that satan has tried to take over. Do not let satan deceive you. He has so many plans to destroy you. He wants you to believe all that you believe in is wrong. You have followed Me and believe in all that has happened at your home. You have built the new chapel and done everything I have asked of you. When I have told you in your heart to do something, you have obeyed and tried to do My Will. Now, you must trust Me to do the rest. I want you to love all those that you meet. Speak ill of no one. Love others as yourself and you will be doing My Will. For many years now, My daughter, you have been preparing for these times and at times, you would think, "When will everything I believe in happen? When will Divine Mercy come?" Trust in Me now and understand you have little time left to prepare. Believe in My words. Trusting in Me will guide you through the trials ahead. Believe I am helping you and I am always with you. Pray, for I am coming and this world will be brought down for its many sins and not obeying My laws. I will not accept sin and evil. All of mankind will know Me. I will cleanse the earth and all children will have one last chance to choose between good and evil. It will be their choice, for I am your God and Father and I am calling all My children back to Me. I love and bless you, Father, Son, and Holy Spirit.

### **December 2, 2018**

My child, open your heart, your soul, and your mind to listen to My Holy Spirit. Tell all My children, I need your help to pray and sacrifice for all those who are lost and live in sin. So many of My children are far away from Me now. So many have stopped going to church and My Holy Church is now accepting many things that do not come from Me. I have not forgotten My children but so many have forgotten Me. My Holy Church is being taken over by darkness. Watch for a split when My true Bishops, Cardinals, and Priests can no longer follow what is being accepted and what is taking place by those who rule. My Church will rise again in splendor and all will know the truth. Sin is still sin and I am the One to follow. Tell My children to walk with Me and stand up for the truth for they will know in their hearts when My laws are being broken. Wake up and give up all sin, for I am coming. Believe this and prepare, be ready and Eternal life will be yours in your Father's Kingdom forever. I love and bless you, Father, Son, and Holy Spirit.

### **December 3, 2018**

My little one, My children are in a great battle now between good and evil. The ones in your age group were given the truth. When you were small children, many of you believed in what you were taught by Holy Priests and nuns. Many like yourself loved your holy faith. You knew your Holy Mother Mary. You knew Jesus was born so you could have eternal life. You knew how He suffered and died out of love for you so all your sins could be forgiven. You believed in miracles. You knew your Holy Mother loved you so very, very much. She came to earth to give you many gifts, the Rosary, the Scapular and the Miraculous Medal. You wear your Scapular every day and never take off your Medal for you know your Mother gave it to you. You know and believe in eternal life. You know your dear daughter is in Heaven with Me and you know you will have her forever, for I will come and she will be with Me. You always believe in your Holy Catholic faith and know I, your Jesus, started the Church and most of all, you believe when you come to Communion, you receive Me and My Body and Blood. You love Me and know we are part of one another. My child, this is your faith; it is who you are. My children who were given the truth and have kept it, know the battle between good and evil has been won by the death on My Holy Cross. It is I, your God and Father, your Jesus, who is leading you all to stand up now. Be strong keep your faith alive and know all evil in your world and in Our Holy Church will be brought down and crushed forever. Your Mother's Immaculate Heart will triumph and Her children will help crush satan and evil. I promise, you will never cry another tear, for in My New Heaven and Earth, My children will only have love, peace and joy. Evil will be gone; no more suffering, war or death, only life with Me in complete Paradise forevermore. Be ready, for I am coming for My children. Have joy, for you know time is very short now and soon My children will see their Jesus of Love and Mercy and all will come to light. I love and bless you, for I am your Father, Son, and Holy Spirit.

## Shrine of the Christ Child Messages

### **December 4, 2018**

My child, when you pray, remember to call on My Holy Saints to come and help you. Also, call on your loved ones that are now with Me in Heaven. They have walked the earth as My children do now but never in a time so full of evil and this is why they can pray and help you. God, your Father, must drop His hand now on a world so full of evil but you are not to fear, only pray and trust. Cleansing must come but I will guide My children to a place of refuge. A terrible chastisement must come because so many will not give up sin and what God, your Father, has said is a sin. Your governments have passed laws making sin legal. Abortion is murder; so many of My beautiful children killed before they were born. I created them. Who has the right to take life? Only I, your God and Father can give and take life and when I call someone home, they come back to Me, the One who loves them. I did not make man for man or woman for woman. No, this is sin. Homosexuality is an abomination and it will split My Holy Church. I will destroy all evil when I come. My children will know I have not changed. Sin is still sin. You will have one last chance to choose between good and evil, light and truth, or sin and darkness. Follow Me, My children and remember I am in charge of all things. Sometimes, it may look as evil has taken over and you say, 'Why is God letting this happen?' but you must have faith in Me. I will guide you through these dark days. Only those who follow Me will come through this time and enter My New Heaven and Earth and be with Me in complete love, joy, and peace. All will know Me, love Me, and be My children forever. I love and bless you, your Father, Son, and Holy Spirit.

### **December 5, 2018**

My dear one, your world is falling apart rapidly because evil has taken over but it must be stopped. You have heard of the three days of darkness and I know you are not afraid, because you love Me and trust Me. During this time, I will change everything. I will recreate everything in love and My children who love Me and give up sin and die to themselves will have a beautiful world, full of love, joy and peace. I am asking you to prepare and see Me work in My children's lives. Do not worry about anything but believe I am with you through all that will happen. You are seeing many storms and there are many more to come. Read your Holy Bible and recognize the signs of the times. Your Savior, Jesus is close and so few are ready. Time is so short, My child. Soon, all will be responsible for their lives, for when I come as your Jesus of Love and Mercy, each child will see themselves as I do. They will see their whole life, the good and the bad. If My children are truly sorry, I will forgive them but each one will see how they offended Me, their God and Father. You have this Advent to pray and look deep within yourself. I know most of My children are getting ready by shopping, decorating and so many things. This is not wrong, My child, but it is so much more important to spend time with Me and come to Confession and be ready, for I am coming. Tell My children to prepare. You still have time to make yourselves ready to meet your Creator. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **December 8, 2018 Message**

Little one, I know how busy My children are but it is time for all My children to open their eyes and see what is going on around them. Your government and country are being split apart by no one taking time to understand one another. When a country takes Me and My laws and disregards everything that is right, one thing leads to another and before you know it, people accept anything, no matter if it is right or wrong. When My children see each other doing things that they know are a sin, after a while, they think it is alright because everyone is doing it. Tell My children, sin is still sin. Stop, slow down, and realize I am coming. Your world is on a path of total destruction and My children need to come back to Me, and know right from wrong, and start to live by My teachings before it's too late. I love My children and want them to be the way I created them to be, to love their God and Father, to obey His laws, to love one another as themselves. I love and bless you, Father, Son, and Holy Spirit.

### **December 9, 2018**

My dear one, at Mass today, Father lit the second Advent candle. All you could think of was, "How can Christmas come so soon? I haven't had the time to pray as I want to." Little one, I am calling you to live each moment with Me. Remember, I am by your side. Satan wants you to be in a hurry all the

## **Shrine of the Christ Child Messages**

time. He wants you so busy, you will have no time for Me. Realize He is always trying to take your peace away. Come to Me and I will give you My peace. Life needs to be lived in love and peace, not so rushed that My children have no time for Me. It is easy for satan to have his way and keep My children in complete confusion when they try to do everything on their own without Me in their daily life. I am here for My little ones each and every day, not just on Sundays for a little bit of time. Turn your life around and be with Me every day and your life will become easy and full of peace, for I can be with you each and every moment if you would only think of Me and call on Me to help you. I love and bless you, Father, Son, and Holy Spirit.

### **December 10, 2018**

You will now see many storms, one after another. I want My children to pray and know that I am with you through these times you are living in. Remember, do not be afraid for I am here and I want My children to trust in Me and know these things that are going on around you are signs of the times. You are seeing more and more evil each day because satan is so very evil. He wants My children to hate one another. He wants war, and death, and terror. He wants My children to believe God does not care. He wants My children to fear and hate one another. He wants My children to doubt in My existence. I am coming to fulfill My laws. I want all My children to love Me, truly believe in Me, and accept Me as your Savior, and your actions need to follow My laws in all you do. Come to Me in Confession and I will forgive you. I will protect My faithful remnant. I will protect My faithful remnant from the gates of hell but those who refuse to believe in Me and My love, will be cast into hell forever. I love all My children so much. I am coming to call each one back to Me. Be ready, for I want each one to enter My new Heaven and Earth and be with Me to enjoy love, joy, and peace with Me. I love and bless you, Father, Son, and Holy Spirit.

### **December 11, 2018**

My dear one, pray tonight for the deadly attack on My children while they were shopping for Christmas. These events will be increasing in frequency because you are living in trying times right before the tribulation, for the antichrist is about to take place. You must learn to trust in My Angels' protection from all evil and remember, I will be with you all the time in My Real Presence, so have no fear. You will be blessed to have Me in Holy Communion and perpetual Adoration at My refuge. Little one, pray and trust. Come to Me in Confession. Be ready, for I am coming. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **December 12, 2018**

My little one, today you shared a very special time with good friends that you love as family. My child, the first thing that came into your mind was coming to Mass because you knew it was your Holy Mother Mary's feast day. You love her in so many ways and She also loves you very much. After Mass, your dear friend saw a beautiful statue of St. Anthony. You both fell in love with hm. Does this show you, My daughter, where your heart is? The world and all of its material things do not matter. Continue to pick Me first in your life and know I am always there. Give everything over to Me. I will bless you with your heart's desire because you love and serve Me and you will always have what you need. Amen. I love and bless you, Father, Son, and Holy Spirit.

### **December 14, 2018**

My dear one, tell My children to prepare and, most of all, trust in Me. You must listen to Me and trust in My words and this will guide you through the dangers that are to come. Believe I am with you and let Me guide you each day. Love, My child, is a gift from Me. Love everyone and pray with each child, for I am within each one. My children who love Me and believe in their Holy Catholic faith must be strong and rise up and hold up the truths that you believe in. Satan and his demons want to destroy My children and My Holy Catholic Church. Your faith must remain strong always. Know the truth, for it will always remain, just like My Holy Church shall always remain and My children who have the real faith are the ones chosen to live at this time to defend their beliefs and to help the Church rise to splendor. You all hold, within your hearts, a great love for your God and Father, your Jesus and Our Holy Spirit. You

are your Blessed Mother's children and She loves you and is very proud of Her little ones who have answered Her call. Continue to pray and trust and these evil times shall pass and you all shall come into a New Heaven and Earth and all sorrow shall be gone forevermore. I bless you, for I am your Father, Son, and Holy Spirit.

### **December 15, 2018**

I asked you to open your Bible and read what you opened to. Matthew 11:25; My words to you, My little one:

#### *The Praise to the Father*

*At that time, Jesus said in reply, "I give praise to you, Father, Lord of Heaven and earth, for although You have hidden these things from the wise and the learned, you have revealed them to the child-like. Yes, Father, such has been Your gracious Will. All things have been handed over to Me by My Father. No one knows the Son, except the Father and no one knows the Father, except the Son and anyone to whom the Son wishes to reveal to him".*

This is the Scripture I lead you to read and now you understand. I have given you gifts, My child, because you are so child-like. These words through Our Holy Spirit will bring you through the days ahead of you and you will know My Will in all things. Pray and trust in Me. During these times, I have much to reveal to you to bring My children through these evil times. Trust Me and listen to your heart for I shall place My Will in you. Amen. I bless you, Father, Son, and Holy Spirit. (Later on, in the evening) Today, you have to begin a new journal once more. When you looked at the cover of this one, it made you sad, for you see the times that your Holy Mother cries for her children. She knows the times and the evil her little ones are living in. She knows that the evil ones are instigating plans for their next wars. There are so many countries against one another. America is in grave danger. You must pray for your country and pray for peace. So many countries have nuclear weapons that can kill thousands with one bomb. The devil is behind all killing but My children are tolerating this. Abortion is murder. If My children are so selfish, they can kill their own babies, how can a world so evil continue on? My children who love Me and believe in Me must pray, for soon, you will see My Warning and I will show each one their sins and it will be up to each one to repent or see My Justice, for all killing must stop. I did not create My children to be killed by one another. No, I created My children to know Me, love Me, and serve Me, and love all others as themselves and now they will all have a choice. Give up all sin and come to Me and live in peace and love doing the Father's Will, or to be cast into hell forevermore. For during the three days of darkness, I will cleanse the world of all evil and only love, joy, and peace will remain. I love and bless you, Father, Son, and Holy Spirit.

### **December 16, 2018**

My dear one, tonight you went to see your grandchildren in a Christmas play. When they sang, *Away in a Manger*, it made you cry. You thought of Me as a small baby. You wanted to hold Me and love Me and then you thought of Me when I grew up and had to hang on My Cross and what I went through to give all of God's children Eternal life. My little one, My children are living in an evil time. Your world is full of sin and this cannot continue to go on. I am coming again and this time, as your Jesus of Love and Mercy. Stay strong, stay brave, and believe in My coming, for it is time now, My child, for satan and his demons to be crushed. Evil must be stopped forever. Be at peace and be happy for when I come, all My children who love Me and follow Me will have only love, joy, and peace forevermore. I promise to bring My faithful remnant through this. Celebrate this Christmas, for I was born to give Eternal life to all of God's children and your dear little girl (name withheld), is so happy for she knows soon, so very soon, you will all dance with joy and be together forevermore, for all pain, illness, evil, sin, death and war will be gone forever; only love and peace shall abide. I love you for I am your Jesus and I am coming.

### **December 17, 2018**

My dear one, I am your Jesus, your Lord and God. I come today to tell you, do not let satan disturb you in any way. Everything has a profound effect on you. If you can stay calm, you will remain master of yourself. It is easy to fall, for when you let things bother you, then you open the door of your heart to

## **Shrine of the Christ Child Messages**

satan. Never, never let him in. Try to control your emotions and not to become upset over anything. Come to Me about everything. The past, My child, is over. Do not let it disturb the future. Live each day and pray. Live in My Presence always. Tomorrow may never come. Use each day I bless you with to love and help all My children who need you. Pray and be with Me and listen to the words I place within you, for they are all I want for you, to open the door to your heart and let Me in. I love and bless you for I am your Father, Son, and Holy Spirit.

### **December 18, 2018**

My little one, nothing can compare with a single act of pure love of God. What gifts I give to a soul that loves Me sincerely. It is My little and humble souls who know Me. Acts of love, by talking to Me or thinking of Me from one Holy Communion to another; by doing so, My child, it will transform your lives and bring grace to yourself and others. As your union with your God and Father deepens, the grace you receive will increase. When you come to Me in Holy Communion, you come with love. You know it is Me. You bring Me into your heart and love Me. You talk to Me and welcome Me each and every day. You ask for Me to hurry up and come. This, My child, is an act of pure love. And, I am coming and all My children will know what pure love is. All sickness, death, evil, will be gone forever. Everyone will be together with their loved ones forever. Love and peace will be all My children will have, together with Me forever. I love and bless you for I am who I am, your God and Father, Son, and Holy Spirit.

### **December 19, 2018**

My dear one, you came to Confession tonight with your heart. If only all My children would realize what a wonderful gift Confession is. My Priests stand in for Me and it really is I, your God and Father, your Jesus, you are telling your sins to. And, when a child of Mine comes out of love and wants to be forgiven, I cleanse your soul and you are free from your sins. Your soul becomes a brilliant white and I am able to give you My peace. The world cannot give My children peace, only I am able to enter your being and live within you. Sin is what takes that peace away. When you are at peace, My child, you are able to love and realize what is really important in the life of My children. Each and every child is walking a path and each one will come back to Me if you stay on a path that I am on. You will let Me lead you and satan will not be able to take peace away from My children because it will not be easy for them to fall into sin if they follow Me and My laws. Each time one of My children goes to Confession and means it, it shows Me they are trying. Give up sin and follow Me. Yes, all My children fall in sin but by My death on My Cross, they are able to be forgiven and start all over again. I want all My children to come to Me. I love and bless you, Father, Son, and Holy Spirit.

### **December 20, 2018**

My dear one, I want you to enjoy this Christmas with your loved ones. For you have so little time left before I must intervene. You must be ready so you can help My other children. Prepare and believe, what I have already told you is coming to pass before your eyes. Do not fear the events that are happening in this world. Walk with Me. I am calling each child of Mine to walk the path of truth. My justice will strike and all that has been created by man for power will be destroyed. My children will be in safe refuges in the three days of darkness while I destroy all evil and I will recreate the world; a New Heaven and Earth, full of love, joy, and peace. Read the signs of your times and know your days are numbered before My justice will destroy all that has been built in sin. Prepare now for you are running out of time. Pray and trust in Me, for I am your Father, Son, and Holy Spirit.

### **December 21, 2018**

My child, close your eyes and see Me walking towards you. Yes, I am holding (name withheld) hand and we are walking towards you. What joy you have seeing Me coming towards you. Your arms are open to hug and love your dear daughter. Your eyes are full of joy to see Me. It makes you so happy, you cry tears of joy. My child, be happy for I am coming. My dear one, time is passing very fast now. Make yourself ready to meet Me for I am really coming. I came as My Son, your God, to be born as a small child, just like all My children are born. I lived on earth and died on My Cross so all sins could be forgiven and I am coming again as a Jesus of Love and Mercy to give all My children a chance to come

## **Shrine of the Christ Child Messages**

back to Me. I love our time together. You will know each day what to do, for I place this in your heart. The love you give to others is My love. I bless you, for I am your Father, Son, and Holy Spirit.

### **December 22, 2018**

My dear child, I come today to tell you there are many trials and tribulations to come. Evil is everywhere now, even within My Holy Church. My children who love Me and know the truth will not believe or follow the teachings that are now being drawn up within My Church to destroy My teachings of Truth. They are making plans to accept sin and welcome everyone, no matter what lifestyle they live. They call this love and acceptance. I gave My children Commandments to live by. Sin is still sin. I cannot accept abortion and homosexuality. I will not accept My children telling themselves they were made that way. No, I did not create woman for woman or man to be with man. I did not want a man to become a Priest to sin and hurt My little children. The corruption within My Church will come out. The truth will hurt My true believers. Many will leave My Church. My children cannot just say, "Pray and see what happens." You must pray for the truth to come out. You must believe I am the head of My Holy Church. My child, you and My children who are My remnant know the truth, for it is within you. It is who you are. You love your God and Father, your Jesus, your Holy Mother, and you admire all the Saints who lived before you. Now, it is your time to become a Saint. Stand up for your Holy Catholic Church and fight this evil. Pray for discernment, pray for one another, pray for your children, pray for your good and holy Priests and Bishops, while they suffer greatly. The change in My Holy Church will come through My children, My laity, for you are the ones who love to receive Me in Holy Communion, who believe it is I, your Savior, who gave Himself to you at the Last Supper. This is your strength, your courage, to fight evil and believe in My Truth, your Holy Catholic Faith. Do not let the evil one fool you. I am the Head of My Holy Church and I gave you My word, the gates of hell will not prevail against My Holy Church. Your Church will emerge from the evil that dwells within, for I will destroy all sin and evil and My Holy Church will shine once more. The promised time will come and My children will rejoice. Follow Me. This evil time shall pass. I love and bless you, for I am the Truth and the Light and I am always with My children, for I am your Father, Son, and Holy Spirit.

### **December 23, 2018**

Little one, you just lit your fourth Advent candle. Look how fast time has gone. It seems like yesterday that you made your Advent wreath and now it is almost over. My child, your life as you have known it, is almost over. Very soon, now, you will be with Me. For years now, I have been preparing you for the times on earth where you would see and know the times in which you are living through. Little one, I want you to be with Me each and every day to do My Holy Will. Trust is My most important gift to you, for you must trust in Me for everything. I have brought many of My children to be together to form a unity of love and love for your Holy Catholic faith, for your God and Father and for one another. Satan wants to come between you, and I will not let him. For many years now, you have all cared about one another and formed a bond between yourselves; a bond of truth and love. I am the one who called each of you together. Your world, as you all knew it, is over. Let the world go. Pray together as you do, for the days ahead of you will not be easy. Follow Me, trust in Me, and listen to Me, for I will now tell you, each day, exactly what I wish for you to do. Do not worry about the tribulation you must live through. Know, I will bring you through this time. Instead, have joy of what is to come! For it is I that is coming and My children will come home to Me. What joy that awaits each one, for you will all have peace, love, and joy with Me forevermore. I love and bless you and give you My courage and strength to go on until I come! For I am your Father, Son, and Holy Spirit.

### **December 24, 2018**

My dear one, tonight, at Mass, I saw the tears you cried over My birth. You gave Me such joy for I know how much you love Me. You had many over tonight for dinner, even a man from a different church. You knew he had no family and nowhere to go for Christmas. You do not realize how much that meant to him. I realize how hard you have worked to make Christmas special for so many. Continue to love others as I do, for in the days ahead of you, I will be sending many of My children. You do not understand how much you give to others. Your faith in Me is a great example. I love and bless you,

## **Shrine of the Christ Child Messages**

and tomorrow, all your children, grandchildren, daughters-in-law, sons-in-law, great grandchildren and many others will be coming home for Christmas. You are blessed, My child, with love, faith, and family, and friends who you love as family. And, this is why I will be sending you so many more, to come through these times before I come. I am your Father, Son, and Holy Spirit, and as I told you, your wealth is in all the ones you love.

### **December 25, 2018 (Christmas)**

My dear one, your day started at five this morning. I woke you to be with Me. You came to My manger and prayed with Me. You saw Me as Baby Jesus. Then, you started to cook once more. Everyone ate and ate. Your dinner, your baking was all done with love. Every grandchild and child, you made so happy today. What joy you all shared together. When you dressed up as an elf, all your children and grandchildren and great grandchildren wanted to be with you. If only all families could have the love and respect and fun together as you do. Even (name withheld) was so happy to see (name withheld) come home to you. You gave him a special gift and all that has happened, you welcomed him. He knows you never judge; only pray and love. You helped him, for he needs understanding now and you give it to him. Thank you, My little one, for loving others as you always do. I love and bless you. You will always remember this Christmas.

### **December 26, 2018**

My dear child, I blessed you and America with a beautiful Christmas but I would like you to pray for My children in other parts of the world, like Indonesia and Italy. Did I not tell you, you would see many signs? Indonesia just had a deadly tsunami and, very soon, there will be more to come. Did I not say you would see volcanoes and earthquakes and storms? My child, pay attention to all that is going on around you. Pray for all My children affected by all that is going on and all that will come. The ones that come home to Me will know how much they are loved and will never suffer again. I must come soon, My child. Your world is falling apart from sin and many of My children do not believe in Me and have given up their faith. I will give all My children a chance to come back to Me so they can have eternal life full of love and joy, but I must destroy all sin and evil. All My children will see My power and glory. You will see much devastation and signs of the times. Your Holy Rosary will help you each day. Do not fear. Pray and trust and know the tribulation you will be living through, you are not to fear, for My holy Angels will protect My faithful ones that have My Cross upon their foreheads. They will come through this tribulation and enter into My Era of Peace in a New Heaven and Earth. So, have joy, My child, for you are living for this glorious day to come. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **December 28, 2018**

My dear one, you are about to enter into a new year. Yes, My child, you will see much in the months ahead of you, but I want My children to have no fear. Take each day as a gift from Me because it is a gift. Use your days to pray and trust in Me. You are about to hear of much evil coming out of your Holy Church. Pray for the Church in your heart and mind. You will recognize all evil for My dear ones who carry the truth in their hearts will know the difference when they try to change our Holy Mass. When this happens, My good and Holy Priests and Bishops will not stand for this evil. Only My Holy Priests and My true believers will continue to uphold My Holy Church. My Church will split and My true followers will be condemned and will leave and find a true and Holy Mass underground. You must follow Me and not those teaching false doctrines. My Holy Church will emerge from this evil and acceptance of sin, and My Holy Church will go through this time of cleansing and I will renew My Holy Church to its Glory once more. Trust in Me. I bless you for I am your Father, Son, and Holy Spirit.

### **December 29, 2018**

My little one, soon, so very soon now, My Warning must come to a world so full of evil. Tell all My children to repent of their sins now; to develop a strong desire for Confession; to look at themselves and never to judge others and to love and trust in My protection at all times and know that I will always be with you. A time of much destruction will be coming soon and I will tell you when to call My children.

## **Shrine of the Christ Child Messages**

Remember, at My refuges, you will be protected and this will be miraculous protection from My Angels. So, do not fear, no matter what happens. Pray for peace, for many of your countries have nuclear weapons. After the Warning, you will see everything happen quickly but never fear for you have My protection. Pray, My child, and be thankful for all I have blessed you with. And, always remember, all of this evil shall pass and all My children will come into My New Heaven and Earth and all evil and suffering, war, death, illness will be washed away forever. I love and bless you, for I am your Father, Son, and Holy Spirit.

My child, if all My children would trust Me in all things and have a strong faith in Me, they will see Me do many impossible things for them that My children could never do on their own. I am sending many signs to My children to realize the times they are living in. You will see many signs in your weather, many storms, earthquakes, tsunamis, and floods. I know it is hard to believe the one-world people have an evil machine they call a HAARP machine that can cause a lot of this. My children must trust in Me and My protection. When you hear of bad storms coming, it is better to stay home and pray. My power is greater than all the evil ones so never fear. Trust and always believe in My protection. Always keep your peace, knowing I am in charge of everything. I love and bless you, your Father, Son, and Holy Spirit.

My dear one, tonight is the last night of the year. Tomorrow begins a new year. This year is a wonder and sometimes it is easy to be afraid of what the future holds. My child, learn to live one day at a time. Do not worry about the past, for it is gone forever. Do not worry over tomorrow, for you are not there yet. All My children need to live in the present, for that is what each day is, a present from Me. I am always there, each and every day, so why worry. Yes, you will see much evil but My dear one, you will also be in wonder when you live to see the miracles I will be giving to all of My faithful ones. For as I said, "Eye has not seen or ear has not heard of all I have waiting for My children". So, have joy, My child, for I am coming and soon, you will see and understand what your God wants for all His children in a New Heaven and Earth. I love and bless you. Have joy, My child, and never fear the unknown, for I am there, your Father, Son, and Holy Spirit.
