

Shrine of the Christ Child Messages

January 1, 2019

My dear one, today is the first day of the New Year. For many years now, you have been asking Me to come. You do not like the world you are living in. You never thought your dear daughter would come home to Me before you. You see so many of your dear friends suffering. You have much illness in your own family and you wonder how a world so full of evil can go on. It seems wars will never stop and life goes on and so many are unhappy and suffering. But, My child, I want you to believe I am coming so soon. In the blink of an eye, all of this evil will be gone forever and My children will be brought home to Me in a New Heaven and Earth. I will come as King and My children will come into My kingdom where they will never suffer again. Amen. I love and bless you, your Father, Son, and Holy Spirit.

January 2, 2019

My dear one, each and every day, My children are given a choice to follow Me and My ways or continue on a different path of acceptance of everything that makes them happy. My little one, sin is still sin. I do not change. People seem to think times have changed. No, My child, your world and My children have changed. Everything that makes you feel good is not the right way to live. I gave My children My Commandments and I meant each one for you to live by. I died on My Cross to give each one an opportunity to be saved from their sins. By repenting from sin and following My Commandments, you share in My love and you are on the path of Heaven and Eternal Life. Be happy and rejoice because of My Resurrection from the dead. You can be forgiven from all sins and have victory over sin and death. My child, tell My children to see the times they are living in. More of My children should be coming to Confession. When I come, do you want your souls ready? Take time for your prayer life. Slow down your life and take time to renew your soul. Come to Me in Confession. I will forgive you. My laws are forever. I will not change. My love for you is forever. Come to Me and heal your souls through My grace. The Sacrament of Confession makes you worthy to receive Me in Holy Communion and we become part of one another. Come, My little ones, time is short. Come to the One who loves you and died to save you. I bless you, Father, Son, and Holy Spirit.

January 3, 2019

My child, when you come and just want to be with Me, you receive My peace. Tell all My children to come sit with Me. Let Me fill each of you with grace and peace. The world is so busy. My little ones seem to have no time to stop and just be with Me. Many do not even give Me a thought or a simple prayer. My children, this is a new year. Look at your life, look at how busy your days are. Can you stop for a while each day and be with Me? I am always thinking of each one of you and waiting for you to give Me some time. After all, who gave you each day to live? Who created you and gave you life? I love My children and am calling each one back to Me. Let the world go, My children, for the time you have left needs to be used for your souls to be ready to come to your Savior, the One who loves you and every fiber of your being, for you are Mine and I want you to have Eternal Life with Me forever. I love and bless you, for I am your Father, Son, and Holy Spirit.

January 4, 2019

My child, all I want from My children is love and complete trust in Me. Today, you heard about a terrible accident where five children were killed and two adults. It made you very sad. Then, you received a phone call to pray for a young girl that has been missing. All you could think of is how could anyone take a child and what is she going through. You prayed for her and her family; so much each and every day. My child, I understand the trials and tribulations My children must live through, yet, you know in your heart, I am coming and I promise all My children all of this will be over soon. Continue to pray and continue to love others as I do. I want you to believe in My words to you. Soon, all My children will put down each and every cross they have carried. All loved ones will be together again. All My children will have complete joy and you cannot imagine how wonderful and beautiful the New Heaven and Earth are. You have seen many beautiful places on earth; My oceans, mountains, and sunsets. Oh, My child, this is nothing compared to what My children will have soon. Just think, you will have perfect health, nothing to fear or worry over, all evil gone, and no one will want to hurt anyone in any way. For, all My children will be equal, full of love, and peace, and joy. They will never ever want for anything, for

Shrine of the Christ Child Messages

your Father will care for all His children in every way. My love and mercy and grace will fill every child who comes to Me. Their heart and soul will have joy and peace forever. Each and every child in My creation and each and every one is special. And, when My children realize how much I love each one and give up all sin, they will receive My Mercy, love and forgiveness. I carried My Cross and died on My Cross so all could be saved. I see your sufferings and I understand each one. When I come as your Jesus of Love and Mercy, we will go over each moment of your life together. Each child will see the road they walked, the good and the bad. Together, we will look at each situation and I will show each child why they did what they did. If they accept Me and My Truth, they will be welcomed with love to share Paradise with Me forever. Look forward to what I have for each and every child that comes home to Me. For, I am who I am, the First and the Last, your God and Father, and I want all My children to know Me, love Me, and serve Me. Amen. I bless you.

January 5, 2019

My dear one, I want all My children to have confidence in Me. When My children come to Me and pray and ask Me for something, I want them to be certain they have been heard. Many times a prayer is not answered as they requested, but that does not mean I did not hear them or pay attention to their needs. I am the Father, they are My children and I know what is best for each one. Life does not always bring joy. Sometimes My children have suffering. This does not mean I do not love them or want to help them. I am always with each one and I always have a plan. I am in charge of the world, over everyone and everything. Hardships are part of life. You must cope with problems by accepting them and praying and I will help you. When bad things happen, have confidence that I know and understand how you feel but do not question your God and Father's Will. I will help you come through each day for no one knows what a day may bring; but My child, have confidence that each day brings you closer to Eternal Life where all My children who know, love, and serve their God will have love, joy, and peace forever. You will never cry another tear or have another problem. This day awaits each child of Mine who comes to Me and gives themselves to Me. I love and bless you, Father, Son, and Holy Spirit.

January 6, 2019

My little one, what a beautiful day at Mass today. A very holy Priest-Son of Mine talked about how the wise men followed the star to find Me. Then he said, "Who created the stars?" All you could think about was everything I created and how thankful you are. You thanked Me for being born and living on earth to carry My Cross and being crucified so you could have Eternal Life. You thanked Me for your life, for your husband, and your children and grandchildren and great grandchildren, and for your true friends who you can share your faith with. Then today, many of your children and grandchildren were home with you and you realized how very much you love and enjoy each one. My child, you realize how much I have blessed you. The most important things in your home are the people. That is why I have told you how very rich you are for, you love each one I send to you and see Me within them. This is true wealth, My child, love for others. I love and bless you, for I am your Father, Son, and Holy Spirit.

January 7, 2019

My little one, I come tonight as a loving Mother. I want My children to remember My message I gave to the three children at Fatima. Now, the time has come. I gave this message so My children would prepare. I am very sad because no one seems to be interested in My prophecy. Please pass on this message. Start praying to make penitence and sacrifices. Go to Confession and pray your Rosary. Go to Mass on first Fridays and Saturdays. Obey the Commandments your God and Father gave to you. All has begun. You have seen earthquakes, floods, fires, and many signs. You see the evil in your Holy Church and in your world. Man has made nuclear weapons to destroy one another. Your President and your country are in great danger. Pray, because the one world order wants war and satan is behind much of this hate and evil. But remember, your God and Father has a plan and My children should not fear or be afraid. Pray and trust and implore your Father's forgiveness. I love all My children and watch over you for I am your Mother. I bless you, Father, Son, and Holy Spirit.

January 8, 2019

Shrine of the Christ Child Messages

My dear one, tell all My children to have peace at all times, even in troubled times and know I am with them both day and night. The times you are living in will bring down the wrath of God, but you are to remain strong and courageous and I will instruct you what to do in the worst of times. Everything will be made clear and I will give you wisdom to help others. My Holy Spirit will bring you comfort and you will have His gifts so you are able to do the Will of God your Father. Remember, the battle has been won by My death on My Holy Cross. You have the gift of faith so be constant in your beliefs and trust in God and His love and mercy. For I am your Jesus of love and mercy and I am coming soon. I bless you in the name of your Father, Son, and Holy Spirit.

January 9, 2019

My dear one, did I not tell you years ago, when you were praying to Me and asking Me to make Cardinal Joseph Ratzinger the next Pope, that he would be your next Pope? But, when he left the Vatican, the Pope after him would come in like a lamb and turn into a lion and try to destroy My Holy Church and its teachings. You said, Father, popes don't leave the Church, they die. I told you, this one would be forced to leave. Now, you are seeing what I told you, taking place. Ever since you were a small child, you loved your Holy Church. You would come in and sit and knew you were with Me. Your First Communion day meant everything to you. You believed in everything with your heart. You have had many gifts, My child, and now My faithful children must stand up for the true teachings. Pope John Paul and Pope Benedict gave My children a catechism of the Catholic Church. All the truths are within it for My children to understand. It is most important to learn the truth and uphold it. You know what is now taking place. They are trying to bring in acceptance of everything. You know sin is still sin and you cannot accept what your Father says is sin. Be brave, be faithful, stand up, keep your Faith alive, and know in the end, your Holy Church will come into splendor and unity and be glorified once more. And, all My children will come back to My true holy Church. I love and bless you, Father, Son, and Holy Spirit.

January 11, 2019

My little one, tell My children to continue to pray, for you can see all that is going on in your world and in your own country. My justice must come, My child. When My children make up their own laws to fit themselves so sin can be legal, it is time for Me to come and let them know I gave you My Commandments to live by and My laws cannot be changed. Nothing is sacred any more. My creation can be killed by abortion. Marriage can be ended by divorce. Sex is no longer a sacred union in marriage, no, anyone with anybody is just fine. Do My children not read the Holy Bible? I did not make man for man and woman for woman. Most do not even believe that My Holy Sacrament of My Holy Eucharist is real. Wake up world! I am coming. I will be the light that comes into the world to dispel the darkness of sin and evil. Then, each one can decide to come to Me, give up sin or let sin bring you to hell. I love all My children and I will give all one last chance to see the truth in My Love and Mercy for each one. I love and bless you, Father, Son, and Holy Spirit.

January 12, 2019

Little one, tell all My children to pray and call on My Holy Spirit. The days to come will not be easy to live through but with the gifts of the Holy Spirit, you will be able to come through each day. You will receive strength, courage, fortitude and wisdom to go on. You need to listen to My Word and turn off the noise and distraction of the world. Detach yourself from earthly things and seek spiritual time, quiet time with Me. I will help you be ready, for the days you are now living in are difficult and evil. To become a saint, it is not how much you know, it is how much you love and give love to others. When My children come to Me just to be with Me and sit with Me in Adoration, they do not realize what they receive. I am always waiting for each one. I will place Myself within each one and give you My Words, My love and My peace. I will work through you. See Me in each person I send to you. Love, as I love. Open your eyes and see all I do for each one each day. For, it is I who gives you each day to live. Start to live each day with Me in My Presence, knowing I am with each one of you. Come to the Sacraments I give to you; Confession, Holy Communion, unite yourselves with Me. Know your Faith, live your Faith, and share your Faith. It is My gift to you. Be an example to others. Why did I make you? To know Me, love Me,

Shrine of the Christ Child Messages

and serve Me by serving others. I am calling each one to help others. I am coming. Be ready by loving. I love and bless you, Father, Son, and Holy Spirit.

January 13, 2019

My dear ones, I want My children to open up their eyes and see Me and the truth. Soon, all the world will realize how far they have gone against Me. Most of My children have made up their own laws on how to live their lives; even My Holy Church has watered down My laws and My truth! Years ago, My children were given the truth and some of you still carry My truth in your hearts. You grew up with faith, knowing I, your God and Father, was in charge of everything. You would see Me in your daily lives. Open your eyes, children, I am still there. Live with Me, pray and know I am guiding you through all that comes against you. Your world cannot imagine what is coming. Be prepared, for I will turn this earth back to what I created it to be when I first created it. Believe I am with you and will guide you through each day. As a loving Father, I must destroy all evil as I did once before, but this time for good. I love and bless you, for I am your Father, Son, and Holy Spirit.

January 14, 2019

My dear ones, do you realize how very much I love each child of Mine? I sent My only begotten Son to suffer and die on His Holy Cross to save you from sin. Now, it is all around you. Do not let satan take you from Me. He wants nothing more than to destroy you and destroy your faith in Me. I look at the world and it is beyond what any man could do to bring it back. Only I can make it new once more. My Son is coming once more as your Jesus of Love and Mercy. Each one will see themselves since the day they were born, the good and the bad. And, at the same time, each one will know how much they are loved and why I created them. I gave My children free will and I know each heart. I know what each one has lived through. I give you each day to live. Come to Me now; prepare for all that is to come. Where is your faith? Are you ready for Me? I am ready for you to come back to Me. Live My truth. I gave you My Commandments to live by. Trust in Me. Do not be afraid of the times that you now live in. Know I am with you. I am guiding you and I will never leave you. I will never forget you. My justice must be poured out upon your world. I must cleanse the world of all evil and satan and call My children back to Me. Will My children be happy in a New Heaven and Earth where all will be equal? Never again will some of My children have everything while others go without everything. There will be no more wars, no more death, sickness or greed. My children will never cry another tear or feel inferior to anyone else. All will love and be loved. Each one will know how special they are and why I created them. The choice will be theirs. I gave each one free will. My love and mercy will fill each one that gives Me their heart and gives up sin and follows Me and wants to obey My laws and Truths. Your world has deserted Me and My Ways. I told you in My Scripture about the times you are now living. Read your Bible and do not believe in what is false that the world is saying is true. I am the Truth. I do not change with the times. Sin is still sin. Die now to sin in your lives and prepare. All is about to begin. I love and bless you in the name of your Father, Son, and Holy Spirit.

January 15, 2019

My dear children, I know many of you are suffering now and I know it is not easy. But, if you want to follow Me, you must pick up your Cross daily, deny yourself, put yourself last and serve others. This suffering will pass. I laid down My life so your sins could be forgiven and you could have Eternal Life with Me. Your world is broken by sin. Being My disciples, you all must die to yourself, love everyone, and forgive one another. You do not want anger, revenge, and hate to fill your heart. You want your heart full of My love and peace. Pray for the ones who have hurt you in any way. Don't let that hurt go on and continually hurt each other. Turn your anger into peace; your broken heart into a heart full of My love. If I could forgive the ones that nailed Me to My Cross and crucified Me, can you all try to have complete forgiveness for the ones that caused you suffering in your life? Follow Me for I am coming as your Jesus of Love and Mercy and I want all to receive Love and Mercy. I bless you, Father, Son, and Holy Spirit.

January 16, 2019

Shrine of the Christ Child Messages

My little one, tell My children to come to Me in My Most Blessed Sacrament. I love all My children more than they can imagine. I long for each one and I thirst to be loved by each one of you. My favorite words from you are, "I love You". When you come to Me in Holy Communion, you receive My real Body and Blood. I am not a symbol. It is I, Jesus the living God and I am living in you. Come to Me at Holy Mass as often as you can. At Mass, I pour My Holy Spirit upon you and fill you with love. The world you are living in has so much going on. Most of My children are too busy for Me. I am calling each one back to Me and My Ways. Live each day with Me. See all I do for you each day; the air you breathe, the food you eat, the people you meet. Live your life loving and doing for others now. Every act of love from you can be used to save a soul. See Me in all things. Call on Me. Let Me help you. I will fill you with Myself and you will spend your day with Me in My Presence. Let all worry fall from you. Give Me all your trials and tribulations and we will come through each day together and soon all shall pass and you will have Eternal happiness. Trust in Me and never fear, for you know I am always with My children. Let Me be your strength. I love and bless you, in the name of your Father, Son, and Holy Spirit.

January 17, 2019

My children, your Bible talks about the end times. You all can see the days you are now living in. I have been sending you many signs. Read the signs of the times because nature is telling you what is coming. Use Confession now to free you from your sins and restore your soul to its original beauty, for you are Mine and I want to bring you through these times. I will provide for My faithful at My refuges. Pray for your families, for all, even those whom you don't get along with or know, for I want all My children to be saved. Stand up for your holy Catholic Faith, even if you are criticized and persecuted for it. For My faithful hold the truth within their hearts. Live it and be an example to others. You will always know in your being what is right and what is wrong. I will fill you with My Holy Spirit. I have blessed you in many ways. You have the truth. You have Me in My true Presence in My Holy Eucharist. Never fear, only love and trust in Me and I will guide you each day. Have joy, My children, for I am coming. You have to live through these evil times but all shall pass and the ones that keep their faith and follow Me shall have unending love, joy, and peace with Me forevermore. I love and bless you and give you My peace, in the name of your Father, Son, and Holy Spirit.

January 18, 2019

My dear one, in the days ahead you will see many storms and cold weather in many places. Pray for My children who don't have a warm place to go or the right clothing to stay warm. Soon, My child, when I come, all My children will have all they need. I am coming to set up My Kingdom. All My children will rejoice at the power and wonder of their God. Sin is still sin. I cannot accept those who are unwilling to repent. Die to self, My children. Seek out a good and holy Priest. Go to Confession for you are really coming to Me. Give Me your heart and ask for forgiveness. All will be forgiven. My only desire for My children is to be with Me in My Kingdom. Every time you say the prayer, the Our Father, do you really pay attention to the words? You call Me Father. You know I'm in Heaven. You give glory to My name. You ask for My Kingdom to come and My will to be done. You ask Me to provide for your needs and you ask Me to forgive what you have done and you will forgive others for the ways they hurt you. You ask Me not to lead into temptation and deliver you from all evil. Many times, My children have prayed this prayer. Now is the time you have been praying for, My Kingdom Come, and I want all My children to give up sin so I can deliver them from evil forever. I am calling each one. Come seek forgiveness. Wash your souls clean. Be ready. Forgive others and pray for them and do My Will. Prepare, My children, for time is short. I love and bless you in the name of your Father, Son, and Holy Spirit.

January 19, 2019

My child, tell all My children to continue to pray and follow Me and have trust in Me. For many years now, My unity of children have been praying and believing in My Coming. You are all part of My little remnant of believers. All you have believed in is coming to pass. Your world is in for a shock when I show them I am not a story or fairy tale but a real living God, who must drop His Hand on a world so far

Shrine of the Christ Child Messages

from me. The evil actions of mankind must stop! I am a real God. My laws and Commandments must be obeyed. Do not allow the world to control you. Do as I say. Have faith that all My plans will come to pass. Continue to believe and have confidence in Me, your Father, who loves you and have My peace. I bless you, for I am your Father, Son, and Holy Spirit.

January 20, 2019

My dear children, your faith in Me must be unshakeable now, for in the days ahead many events will happen. I want each one to have a total resolution to belong wholly to your God and abandon yourself entirely to My Providence. I do not want fear or worry. I want you to realize that I am your God and Father and I will fill each one with My Holy Spirit. My work through each one of you will begin now. Look within yourselves, prepare your soul, find forgiveness for each and every heart in your lives. Die to yourself and be Me to others. See Me in the ones I send to you. Love each one as I do; put others before yourself. Be strong and have no fear. Know I am with you and My Holy Spirit is giving you all the strength and courage to continue on. Be an example to others and stand up for your Faith, for you are the ones chosen for these last days. Realize, to be alive at this time is a great blessing, for this gift was given to you before you were born and I will guide you each day until you come into My Kingdom. I love and bless you for I am your Father, Son, and Holy Spirit.

January 21, 2019

My dear one, My children do not realize how close I am. I desire for each of My children to remember I am always right there wherever you are. You could not even live if I were not with you. I gave you life and I will never abandon you even if you have forgotten Me. I want all My children! Do you realize, every time you receive the Sacred Host in the Holy Eucharist, it is I, God your Father, Son, and Holy Spirit and I come to you and I instill holiness in your soul and I am within you. Talk to Me. I am not far away. I love each one so very much and when you come to Me with love and confidence, you will receive My love and mercy. Let Me be part of your everyday life. Be aware of My Presence with you at all times. Call on Me, trust Me and give everything to Me. I see your needs, your desires, your problems. I know the cross each one carries. My desire is to help you and bring you close to Me. You live in a world of darkness. Let Me be your light and follow Me so I can bring you to Eternal happiness. I love and bless you, Father, Son, and Holy Spirit.

January 22, 2019

My dear one, you realize you are now living in the end times. Have no fear but trust in My protection. I want you to be prepared, for My Warning is getting closer. It will not be easy in the times ahead. My children are so used to all the convenient ways they live. You have hot water, washing machines, dryers, dishwashers, televisions, so many electrical appliances. But where are you? I brought you here. I gave you Amish neighbors who live every day without electricity and you will also be able to do just fine. I will send My Angels to help and protect you. I want you to realize the times are here that I have been preparing you for. Trust in Me and pray. You will see many unusual signs now. I will provide for all your needs. The children that I will call together will have the gifts of the Holy Spirit and together you will come through this tribulation. Listen to Me each day for I will tell you what to do. My faithful children will have My peace so they will not be afraid. Live in My Presence and know I am always with you. I give you My blessings and fill you with My peace. I love and bless you, Father, Son, and Holy Spirit.

January 23, 2019

My dear ones, I am here today with My Holy Mother as you gather in prayer. Many Saints, including St. Joseph are praying with you, also. I know your hearts and you are praying for those you love who are ill. Sometimes in life, it is hard to understand why some suffer so much from illness. But, My children, as hard as it is, you have to trust Me in all things. All My children have different suffering in this world but you all must learn to give everything to Me. You all realize the times you are living through each day. Pick up your cross and walk with Me, knowing all will pass soon and My Holy Will is always best for each and every child I created. Your main job now is to love and trust and know each one is in the palm

Shrine of the Christ Child Messages

of My Hand. The days ahead of you will not be easy but by your faith, you know I am with you to love and guide you to My New Heaven and Earth. All suffering and sickness and death and evil will be gone forevermore. Give all your loved ones to Me and know I am in control of all that happens and always know what is best for each one. For you are not able to see ahead of the times you are living in but I know what is about to transpire and I will bring all My children home to Me if they give themselves to My Holy and Divine Will for each one. I love and bless you, for I am your Father, Son, and Holy Spirit.

January 24, 2019

My child, I understand how upset you are over your daughter being in the hospital again. Continue to pray, My little one, and continue to ask for My Will to be done. When you pray My Divine Mercy Chaplet, you ask Me: "Eternal Father, in whom Mercy is endless and the treasury of compassion is inexhaustible, look kindly upon us and increase your Mercy in us so that in difficult moments, we will not despair nor become despondent, but with great confidence submit ourselves to your Holy Will which is Love and Mercy itself". Give yourself to Me, My little one, each day. When you awake, ask for My Holy Will to be done and have peace, knowing I am with you and we will do everything together. My Will is what is always best for each one. If all My children would learn to live in My Divine Will, they could learn to give everything to Me and be with Me and leave everything to Me. Just have My peace and love, knowing I will do what is best. I love and bless you, for I am your Father, Son, and Holy Spirit.

January 25, 2019

My dear one, each day now, you will see more and more signs of the times you are living in. My Holy Church is full of evil teachings that are not My teachings. Read your Holy Bible as often as you can. I will help you understand the readings. Help and pray with all whom I send to you, for your enlightenment comes from My Holy Spirit. When I see what My children are doing and how the evil one is trying to make My children believe in the things that I said are sins, the world is saying these sins are love and acceptance. I am your God and Father, your Savior and your Holy Spirit. I gave you My Commandments and Faith. Live this faith, not the world's who is now trying to have a death culture and a culture of acceptance of sin. It is only I that gives and takes life. It is I who gave My Holy Son to save My children, so the ones who live My laws will have Eternal Life with Me. I love and bless you and mark you with My Holy Cross once more.

January 26, 2019

My dear one, tell My children to pray to My Saints. St. Padre Pio is praying for all his spiritual children. He wants you all to know, living at this time, each of you have a mission to pray and increase your faith and share it with others. He is always waiting for you all to call on him. St. Michael, the Archangel, is with each one of you to protect you. Always invoke his name and he can help you in many ways. Keep a little picture of St. Michael and say this little prayer. "O, glorious St. Michael, I love you. O, glorious St. Michael, help me." Ask him to defend your world against satan and save you from the evil that surrounds you all now. All My Saints want to help My children. All you have to do is call them by name. They will come and be by your side to help you through the times you are now living. My children, you each have favorite saints. Call on them, pray, and they have the power from Heaven to help you. You need to pray your Holy Rosary and My Divine Mercy Chaplet each day and call on My Holy Saints to help you live through these evil times. I love and bless you, your Father, Son, and Holy Spirit.

January 27, 2019

My dear one, tonight on the news, you heard about a bombing in the Philippines, where many were killed and injured during a Holy Mass. It broke your heart. Did I not tell you many of My children who believe in Me would be the ones to suffer in the last days? You are living in a time of a battle between good and evil. Pray for My children all over the world, for the ones that follow their faith are targets. Satan knows he has very little time left and he wants to destroy all My children who believe in Me. I am your living

Shrine of the Christ Child Messages

God. The problem is many now do not believe in Me and My laws and Commandments. Keep your Faith alive and you all will have Eternal Life with Me. I love and bless you, Father, Son, and Holy Spirit.

January 28, 2019

Little One of Mine, pray for America, for your country is in grave danger. The One World Order wants to take over America so the Anti-Christ can take over the world. You will also see a division in My Holy Church, but My faithful ones will know the truth of My teachings and will keep their faith alive. My Warning will be coming soon. After My Warning, you will have about six weeks to help My children come to Me. You will have to get rid of cell phones, TV's, and computers. My Angels will protect you from the evil one and lead you all to My refuge of protection. I will tell each one what to do. The world has so many problems now and soon, the Anti-Christ will have a short time and reign over the earth. Evil people will try and kill My faithful ones but My Angels will be protecting you from any harm and I will provide for all your needs at My Refuges. All I wish for you to do is have complete trust in Me. Just love and mother My children I send to you, as you have all your life with your own children and grandchildren. The Tribulation shall pass and you all will enter My Era of Peace. I love and bless you, for I am the Way, the Truth, and the Light. Follow Me and have no fear, in the name of your Father, Son, and Holy Spirit.

January 29, 2019

My Dear One, I woke you at 2:59 a.m. and called you to pray My Divine Mercy. Your world and My children need My Love and Mercy. I gave Sister Faustina this Chaplet many years ago to proclaim My Mercy to the entire world. I promised to give many graces to those who will say this Chaplet. Tell My children, you do not have to wait until Good Friday to do My nine-day novena. You may do this any time of the year, go to Confession within eight days, and receive Holy Communion. You will receive forgiveness of sins and atonement and My Mercy. I told Sister Faustina, My Divine Mercy is for the end times. It is a last hope for salvation. I want the whole world to know My Infinite Mercy. Tell all to come to Me, look at My Image, see My Rays of Love and Mercy pouring out of My Heart for each one. Continue to say, "Jesus, I Trust in You, Jesus I Trust in You". Come, receive complete forgiveness for your sins. Receive many graces by saying this prayer. Pray, My children, ask for My Love and Mercy. Time is short. I love and bless you, for I am your Jesus of Love and Mercy.

January 30, 2019

My Dear One, tell My children, I will not allow your world to be destroyed by Satan's lies. Governments in world accept sin and want to turn it into laws for you to live by. Do not follow false truth; only follow Me and My laws, listen to the Word of God, and read Scripture. Come to Me, do not be afraid of the times you are now in, for these times have been prophesied for many centuries. I, as a loving Father, must drop My Hand on a world that would desert Me in favor of sin. I must strike the earth with the blood of the innocent that have been massacred. A child of Mine is a child from the moment I create them. How can anyone have the right to kill My Creation? Life is a gift and each child is special. My children must open their eyes and hearts and minds. Sin is still sin. The world tells you, times have changed. My laws have not changed. Repent now, My dear ones. Be a light in the world of darkness. Die to yourself and be an example to your brothers and sisters. Let the world and everything in it go. Stand up for your Faith. Love everyone. Do not carry bitterness in your hearts, only love, for I am coming. I call My Remnant to be ready and show others that you believe your God is above all and He will destroy all evil and renew His Creation in Love, and His children who come to Him and give up sin will have a New Heaven and Earth, full of love, joy, and peace. I love and bless each one and call you to go to Confession. Make yourself ready so you will have Eternal Life, for that is why I created you. Life on earth is short; life with Me is forever. I love and bless you, in the name of your Father, Son, and Holy Spirit.
