My dear ones, do you feel the peace around you as you pray together. The peace you experience is My peace for I am here as you gather in prayer and so is your Holy Mother, Mary. Little ones, I am the one who has called each one of you to be together for each one of you are walking the path I have given you. Your prayers ascend to Heaven like beautiful music and My Saints and Angels join you. You, each one, have given yourselves to Me and have given up the world around you for you realize the world has nothing to offer you and I have Eternal Life full of love, joy, and peace to be with Me and everyone whom you have loved forevermore. Continue to follow Me even when the road seems hard, for I walk with each one and will bring you through each trial and tribulation to come. Many of you worry about your children and grandchildren and this is why I am coming once again and this time to offer My love and mercy to all of My children. Your prayers are helping each one of your loved ones to come to Me and say "Yes" and realize why you have been on this path for so long. It is My plan and mission for each one of you and you are saving many souls. So, continue to receive your Sacraments and pray, for soon I will welcome you into My New Heaven and Earth and say "Welcome", your crown awaits, job well done. Each and every prayer has been heard and each and every good deed has made you who you are, My dear children, who have kept their faith through all trials and tribulations.

I give you My love and blessing and would climb upon My Cross for each one of you again to bring you where you are today; My devoted ones, who were chosen to live during the times of tribulation to keep their Holy Faith alive and know I am who I am and My gift to you of My Holy Eucharist is real and alive today just as it was at My Last Supper for each one of you.

I bless you for I am your Father, Son, and Holy Spirit. My Cross I have placed on each one of you shines brightly because of your love and faith. Amen, for you are Mine.

August 2, 2018

My dear one, each and every day that goes by brings you a day closer to Eternal Life with Me. I asked all My disciples to pick up their cross and follow Me. I did not promise them riches or fame. To follow Me, means to walk as I did. The path is not an easy one. You will suffer on earth as I did. To enter into My kingdom, you will also suffer. Remember that the road you walk now, My Mother and the Saints have walked before you. Offer up all sufferings to Me. Let go of the world for it is full of sin and evil. My Holy Church is being persecuted and satan wants nothing more than to destroy My church and My teachings. During this tribulation and all of this suffering, will My children stand with their God and keep their faith? Give up this evil world and follow Me to Eternal Life with Me full of love, joy, and peace. As you walk the way of the Cross and it seems too hard to bear, will you come to Me and give all to Me and let Me help you? For I am the Way, the Truth and the Light and I am always ready to help My dear ones who follow Me. Remember I died on My Cross to save you. Trust in Me now to bring you through the trials you now suffer for all will pass and you will enter My Kingdom forever. Amen, I bless you, Father, Son, and Holy Spirit.

August 3, 2018

My child, let your whole life be your prayer and allow Me to be a part of all your activities; when you're with your family, when you're praying, when you're cleaning, doing dishes, washing clothes, know I am part of everything. When your prayer group gathers together, know I come and am with each one. My Holy Mother keeps Her mantle around all of you. Call My Holy Saints by name and each one will also join you. And remember, My Angels surround you always. You have been blessed and given graces to endure the trials that have come your way. Remember all your family, which includes the unity of the ones I have sent to you, all have been entrusted by God your Father to My Holy Mother Mary for your care and protection to come through these times together until you all come home to your New Heaven and Earth. I love and bless you for I am your Father, Son, and Holy Spirit.

My little one, do you feel the peace that surrounds you as you pray? You feel safe and very peaceful. Everything was fine around you. My child, soon the world will not be fine around you. Many events will happen now, one after another. When these things happen very close to you, I want you to pray and do not be afraid. No matter how bad the situation may be, I want you to have peace and courage and to be calm, knowing your Father has complete control. You have nothing to fear because I will be there to help and guide you through all devastation. My remnant will strengthen one another through love and prayer. I must now purify the world, My child, before the Era of Peace can come for My children. The times to come will be devastating. Together with love, faith, and prayer, My dear remnant will come through the tribulation. You will need one another, you will be each other's strength. If one falls, the others will be there to give strength and courage to continue on. Only by unceasing prayer, receiving Me in My Holy Eucharist, and keeping your souls in the state of grace, you will be able to go on and help one another. Love each other, My children, and remember each one of you needs one another to accomplish My Holy Will. I brought you together to be for one another to unite in prayer, to love each other, and to help all My children I will send to you for help. Pray, My children. Pray for My Father's Will to be done and His Kingdom to come. I now bless you in the name of your Father, Son, and Holy Spirit. Amen.

Second Message for August 4, 2018

My sweet child, the world is heading for complete disaster. My children will not know which way to go. Fear will take hold of many of My little ones. They will be afraid and not know what they are to do. For you, My child, will not be afraid for you will have the courage and ability to trust in Me because I have shown you and taught you how these past years. Know this was not your plan but was Mine, your God and Father. My Mother came and taught you to pray and She did well. Now, My lessons have begun. You must write My words through the power of the Holy Spirit. Very soon now, the world will come apart. It has already begun. I know the future and what will take place. You are not to know except for what I reveal to you. I do not want to frighten you for you are My little child. All I want for you to remember is I am your God and Father. You are to have complete confidence in Me for My Holy Will is always the best answer. No matter what is going on, I am always taking care of you. Do not worry; let Me do what is best in each matter. Just trust in My Holy Will, My child, and trust Me, for I am your Father, Son, and Holy Spirit.

August 5, 2018

I come today as your Sacred Heart of Jesus. I want you to surrender everything to Me. To everyone you know and love, surrender every fear, doubt, sadness, hurts, confusion, all worries and anxiety, you must now trust Me completely. I have given you all the gifts of My Holy Spirit and now, My child, is the time to use them. For many years, you have kept your faith. I know how hard it is to wait. My remnant has been so strong. Do not give up now for the battle will be won in the end. Prevail a little longer. Be ready, My child, for all you have been praying for and working for is now about to become a reality. Trust in Me, My little one. When all this evil passes, My children will have a new Heaven and a new Earth. Evil will never exist again. Death, sickness, hate, everything bad, will be washed away forevermore. My children will all come home to Me, their God and Father, who created each one for love and peace with Me forever. Amen, I love and bless you in the name of your Father, Son, and Holy Spirit.

August 6, 2018

My dear one, do you understand why I called you to Garabandal? I wanted you to walk and spend time where the Miracle will take place chosen by God, your Father. Conchita, herself, told you that it would happen when you were older but not old enough to be in a nursing home. My child, the time has come. The foretold Warning must come to a sinful world. Each and everyone will know exactly where they stand with their God. The Warning is not a punishment but a way for God's children to correct themselves. Because of My Warning, My Holy Catholic Church will have its greatest era of holiness once again. First, My Warning will come, then My Miracle at Garabandal. Only Conchita knows the

Shrine of the Christ Child Messages

date because My Holy Mother told her. Do you understand, this is why I brought you to Garabandal? This is all in your lifetime, My child, for you to experience. So, be ready, pray, go to Confession, tell all My children to make themselves ready. After My Miracle, a permanent sign will remain at the Pines until the end of time. Tell My children, die to sin, live for God. I am calling all My children to Confession, a real confession, examining themselves and their conscience. Get rid of all sin, come to Me. After this great gift, if My children still refuse Me, a chastisement as never before on earth must come. Pray, My child. Pray that My children will come back to Me, their God and Father, and the chastisement may be conditional. Hurry, My little ones, while Confession is available to you from My Holy Priest-Sons. Be ready, all is here and now.

August 7, 2018

My dear one, making time for Me alone must be your highest priority and greatest joy. I understand each day more and more trials seem to arise on your news. There is one natural disaster after another. So many evil deeds are being committed everywhere. You asked Me, "Jesus, will all this ever end"? Yes, little one, all this will end for I am your God and Father, and I never intended for My children to live in a world so evil. You are living in the most sinful generation in the history of the world. You have been warned. I must bring My justice. Mankind must repent and receive My Mercy. If it does not repent, the wrath of God must come. Satan wants to destroy My children and My Holy Church and its teachings. He wants a third world war to destroy one another. Pray, My child. When I send My Son once more as Jesus of Love and Mercy, My children will wake up and My Holy Church will once more be glorified and all will come home to Me and believe in My Holy Catholic Church and its teachings that I started. I gave all My Body and Blood at the Last Supper and then died for all of God's children's sins on My Cross. Each and every time you receive My Holy Eucharist, you receive Me. I am calling all My children back through Divine Mercy. If they deny Me this time, it will be too late for them. Pray and listen to My Words. Time is almost over. Run to Confession, tell My children to be ready to meet their God for I am coming with My Warning soon. I love and bless you for I am your Father, Son, and Holy Spirit.

August 9, 2018

Dear one, never forget I am with you. You must walk consciously with Me each day. When you think of Me and I talk with you, you go through your day in peace. Negative thoughts or hurts come from satan for he does not want peace. He does not want you close to Me. Stay on the Path of Life with Me and never let go of My hand. Trust in Me in all circumstances and let nothing distract you from My Presence. I want you to live in deep dependence on Me and this will help you come through the days ahead. Live one day at a time with Me knowing I will be with you each day to give you grace and peace. And, you will help My children, also, for if you have peace and complete trust in Me, they will be at peace knowing I am with them. I love and bless you for I am your Father, Son, and Holy Spirit.

August 10, 2018

My child, I want you to humble yourself and rejoice in what I am doing in your life even though it is beyond your understanding. In the days ahead, the world in which you live will go through much tribulation but you must focus on Me knowing I am in charge of everything. Your job is to pray and trust. You must receive comfort from Me and you will be able to comfort others. I understand you have had many trials and the loss of your daughter has broken your heart. My constant presence with you is a glorious gift and gives you strength and courage to carry your cross and keep following Me. You understand no matter how heavy the cross, you must pick it up and continue on because you are heading to a New Heaven and Earth where all crosses are put down forever and all children will be with Me to share love and peace with everyone and all loved ones will be together forever. So, continue on, My little one, for soon you will have the joy and peace and complete happiness, I promise you. Be ready, for I am coming soon to all My children as Jesus of Love and Mercy; a gift to all of God the Father's children for He wants all of His children with Him as you do. I love and bless you for I am your Father, Son, and Holy Spirit.

August 11, 2018

My dear one, stop all worry. Did I not tell you I would provide for all your needs, both physical and spiritual? You gave Me your 'yes' many years ago even though you did not understand everything. You said, "Father, Your Will be done". I told you your land was a refuge where many would come during the tribulation. You would live an agricultural life for survival. I also told you My Angels would protect you so the evil ones could not find you. I also promised you a luminous cross over your land and those who looked upon it would be healed. Do you realize what a gift this is? I chose you because you always had a child-like love and trust for Me. When a loving Father tells his child he will care for them, the child does not fear. My daughter, just trust Me for I am your loving Father. Look around and see all I have sent you and believe I will continue to do so, for I am your God and Father. I am your Jesus and I gave you all My gifts of the Holy Spirit. I love and bless you. Amen.

August 14, 2018

My dear one, My words to you are your guiding light to bring you through these times of darkness. You must trust in Me to guide you through all the turmoil going on in the world. You are living in the last minute of the last day. Catastrophes are happening everywhere and My children pay no attention to what is going on around them. My Mother came to Fatima many years ago to tell My children to pray and She is very sad because no one is interested anymore in the prophecy of Fatima in the year of 1917. She told the children to pray, make penance, and sacrifice. You must pray humbly your rosary and you will have the protection of Heaven. Our Holy Mother came to warn us. She told us to receive Holy Communion, attend Mass every first Friday and Saturday, go to Confession and pray, pray, pray. She was trying to save the world from its total destruction. If we do not, punishment will come, many souls will be lost, many nations will disappear from the earth. Catastrophes will be everywhere and evil will take over the earth. I have been sending earthquakes, floods, fires, hail, so many signs and yet so few pay attention. I will come once more, this time as your Jesus of Love and Mercy. My children will all be given a last chance to come back to their God and Father. Pray, My child, pray, for all has started. Trust in Me for I am your God and Father and I will not desert you. I bless you now, Father, Son, and Holy Spirit.

August 15, 2018

My dear little one, I want you to accept each day as it comes to you. I want you to know I am always present with you and you must trust Me in all things that may happen. I want you to lead a supernatural life, knowing I am in charge of everything. You will face impossible situations beyond your ability and this is what I precisely want because I want you to come to Me and allow Me to help you with each problem, knowing I am working with you and you can rely on My Almighty Presence within you. The times ahead will not be easy so you must learn to turn everything over to Me and let My Will be done. Trust and faith in Me will bring you through all trials. Pray, My child, for you are living in a fallen world full of evil but when you walk with Me, you will walk in peace. I love and bless you for I am your Father, Son, and Holy Spirit.

August 16, 2018

My dear one, the times are here. The forces of satan are a direct attack on Our Holy Church and Mother Mary's faithful children. Remember, Mother Mary is the one that will crush his head and the ones that will help her are her little children that love their faith; the ones that know I am the one that started My Holy Catholic Church, the ones that believe in My True Presence in My Holy Eucharist, the ones who believe I suffered and died for them so they could be forgiven for all their sins if they confess and truly are sorry. They are the ones who know I rose from My death and they also can have Eternal life with Me. They are the ones that believe their Holy Mother came to earth to tell them to come back to her Son and pray, pray, pray. Her children know She came to give them the Holy Rosary and the brown scapular and She told St. Simon whoever dies wearing a brown scapular will not suffer eternal fire. And you know She came to St. Catherine and gave her the Miraculous Medal so Her children would receive special graces from Heaven. Satan hates Her children who pray the rosary and wear the brown

Shrine of the Christ Child Messages

scapular and the Miraculous Medal. Why, because they are the ones who have complete loyalty to Jesus and Mary. But, what did My Holy Mother promise in the end? She said, My Immaculate Heart will triumph and a period of peace will come. Little one, it is My Mother's children who have answered Her call and will help crush Satan and evil. You are the ones that will keep your faith and will come through these evil times to defend our Holy Church. Do not become discouraged for I am the one who will always be with My children who believe, to guide and protect you and give you the strength and courage you need to continue on. I love and bless you for I am your Father, Son, and Holy Spirit.

August 18, 2018

My dear one, I came to you tonight to help you understand when My Son told you that your Holy Refuge was surrounded by His Holy Angels, what a wonderful blessing that is! The Angels are so powerful, My child, and the Angels are always with you. I was sent a holy Angel Gabriel to tell Me I would become the Mother of Jesus. When Jesus was a baby, an Angel came and told St. Joseph to take his family to Egypt to protect them. My child, even My holy house that I raised Jesus in was moved by Angels to protect it. Each and every child is given a guardian angel and someday you will know everything they did for you while you were on earth. When everything seems to be impossible, call on the Angels and believe they are there to help you, for this is the reason My Son told you the Angels are all around you to help and guide you through the tribulation. Never fear, My little one, keep your child-like faith and always remember Jesus is by your side and I am also here and My Son has sent you His army of Heavenly Angels and each and every Saint you call by name also comes. You must believe and rely on this wonderful gift from Heaven to bring you through the times ahead. I love and bless you for I am your Mother and I will crush evil with My Army of My Children.

August 19, 2018

My dear one, you told Me you did not know or understand theology. Little one, that made Me laugh. You may not know theology but you know Me. Your encounter with Me is so much more powerful. When you see Me as a baby, you want to hold and rock Me. As a little boy, you want to run and play with Me. As a young man, you want to sit and talk with Me. When you see Me as your Holy Savior on My Cross, you want to kiss My wounds and take My pain away. As a young child, you always put holy water on My wounds, My hands and feet and My crown of thorns. You would say, "Jesus, I'm sorry I did that". Your love helped My pain go away because you always believed in Me and loved Me. You have always come to Me for everything and you depend completely on Me. You talk with Me and listen to Me. Look around you. Why do you think I gave you your Holy Chapel and asked you to do My Holy Will? And, you gave Me your "yes", even with all your trials and heartbreaks, you still follow Me. Is that not the best theology of all? I love and bless you, little one, for I am your Father, Son, and Holy Spirit.

August 20, 2018

My child, remember I am coming soon. It is time to prepare. Do you realize you are only a heartbeat away from My New Heaven and Earth? Be aware, I know everything about each child. I know how they act and how they treat others. If only My children realize I stand next to them each and every moment. I walk beside you. I am with you through difficult times, as well as, good ones. Little one, please, I do not want you to worry about anything, instead pray about everything. Your human nature is to worry but, My child, worry is negative faith. After all, if I care for the birds and the flowers, then surely, I care for all My children. Inner peace, My child, is believing in My Holy Presence with you. When you worry, little one, you are putting more trust in what could go wrong than trusting in Me. I am always here. Trust in Me for everything. The days ahead are not easy ones, My child, but with Me, they will become much easier to walk and you will come through these times and after this comes to pass, the joy and peace to come will last forever. I love you. Each day, you become stronger and more prepared for the mission I have given you. Be not afraid, for I am your Father, Son, and Holy Spirit.

August 22, 2018 - Feast of Queenship of Mary

My dear ones, we come to you today as Our Holy Family. I, your Mother, stand before you holding My Dear Son, Jesus. He is here with you at all times. Baby Jesus told (name withheld) that He wanted to

Shrine of the Christ Child Messages

come here to be with a real family and children. You, My dear children, are family! You all have family, you have raised children and now pray and guide your children and grandchildren. Each one of you have been chosen to be part of a unity that is truly a family. I am your Holy Mother and know how much I love each one of you. I want to protect each one from the evil you are all living through at this time. My Son, Jesus, wanted to come as the Christ Child to be here with all the children. Do you realize during another time on earth, My little children were taught to pray to My Son as the Christ Child and He protected each one and every time they were in need, that need was taken care of? Do you think He will not do the same for you? He heard each prayer today as you did your prayers to Him as a Child. You are so blessed to receive Him in the beautiful statue of Him as the Holy Infant and He is here really present for you. Also, today, My dear spouse, St. Joseph, is here. He knows each one of you and He knows the men who are here praying today who are also fathers and grandfathers and how very much like Him, each one of you are. You have worked hard to love and protect the family that your God and Father blessed you with. You would do anything to protect your wife and children and grandchildren. My dear St. Joseph wants each one of you to know He is here to help you in the times ahead of you. You will know exactly what to do for each that God, your Father sends to you. This is why we all came to each one of you today; to let you know we will be with you as a Holy Family to help each one of you because we are all one family. We love and bless you and are so proud to be with you. Amen. We bless you, Father, Son, and Holy Spirit.

August 23, 2018

My dear one, pray for your Holy Church. Do you remember, as a small child you would kneel at the altar rail with your little hands folded, waiting for Father to come with Holy Communion. The day before, you would fast until you would receive Me and you were always so excited and happy when I came to you, the joy of the golden paten under your chin. Oh, My Holy Church has changed and now, My child, sin is being accepted within the walls of My Holy Church. Now, all you hear is acceptance, that your God is only a God of Love and Mercy and Satan wants you to believe I will accept the ones that follow the path of sin. If My children refuse to repent of your sins, I cannot welcome you into My Kingdom because sin cannot exist there. My Commandments are your guide. I talk to all in My Scriptures. I will not accept homosexuality or adulterous ways. I will not accept abortion, greed, or theft, only the Truth, My children. It is time to see what is going on in your world. Please listen to Me now. Tell My children I am coming and their days are numbered. Repent now and go to Confession before it is too late. Yes, I am Jesus of Love and Mercy but if My children choose sin over Me and refuse to repent, they cannot enter My Kingdom. I bless you for I am your Father, Son, and Holy Spirit.

August 24, 2018

My child, tell all My children it is time to come to Me and die to self so you will find the Truth. I am coming. Do not think the world will go on as it is. Evil is everywhere and has now even tried to take over My Holy Church. This will not be, for I am in charge of My Holy Church, not the ones who have tried to take it over and have tried to hide the evil within it. Little one, all evil will be exposed and brought to light. I tell you I am close and My children are not prepared for My Coming. Believe children, before it is too late; prepare for My Coming now.

August 25, 2018

My little one, I want you to tell My children to look deep within themselves for I am within each one and I am asking as a loving Father for them to come to Me now before it is too late. Find forgiveness in your hearts for everyone who has ever hurt you in any way and pray for them and love them. When My Holy Son hung on His Cross, He said, "Father, forgive them for they know not what they have done." If I can forgive and be crucified to save you, can you not forgive others? Love, My children, is the only way. Go now to Confession. You still have time; with hearts full of love, you will be forgiven of everything. The world soon will begin to tremble from the evil that exists in it. My children will all know that God, their Father, is the one and only God who created them and everything in the world and I control everything and I will not put up with sin and evil, homosexuality, child abuse, abortion, or priests that want to normalize homosexuality in My Holy Church. Children, wake up! Sin is still sin. Stop! Come

Shrine of the Christ Child Messages

back to Me now. I will forgive everything if you come to Me in love and truly repent and sin no more. I want all My children to come home to Me. For I love and bless you, for I am your Father, Son, and Holy Spirit.

August 26, 2018

My dear one, many events will now happen in your world. Do not despair, for I am always with you and I will guide you and My children away from the danger that now surrounds you. Have faith in Me and follow Me. I see each heart; the ones that truly love Me will have nothing to fear. Trust in Me and believe I have warned you of the times and evil you are living in now. I have told you the days are numbered before I come. Be ready to face Me for your souls must be ready and be a light in the darkness. Love is your weapon. I am a God of miracles and the time of My miracles is fast approaching. All will know I am who I am, their God and Father, and many will be sorry they are not ready and have rejected Me. You will be full of joy if you are ready. You will understand My warning to you is a blessing from Heaven because I love all My children so much. Trust in Me and believe, My children, in My Words of Truth. For I love you and created you to have Eternal Life with Me, for I am your Father, Son, and Holy Spirit.

August 27, 2018

My little one, tell My children to find My Truth. The Truth is in My Holy Scripture. Pray the Holy Rosary so you learn to meditate upon My life. This is why your Holy Mother came to St. Dominic to give this great gift to Her children. Come to Me and receive My Body and Blood in Holy Communion for I am within you through this great gift of Myself and true love! Read the Catechism of your Holy Catholic faith. Do not listen to the lies of the world! You know the truth. Pray much for your brothers and sisters, for many around you do not know the truth. You, My children, have been on a journey, a path that leads to Me. Do you really think the trips and all the holy places I brought you to was not My Holy and Divine Will for you to bring you where you are today? All of this has been My gift to you from Heaven. Be alert, now, and listen to all I tell you, for the days I have been preparing you for these past years are now here but remember, I am also here to help and guide you each and every day. I love and bless you for I am your Father, Son, and Holy Spirit.

August 28, 2018

My dear one, we must pray and love one another. We must make penitence and sacrifices for, My child, we are in the last minute of the last day and catastrophes are near. You will hear peace talks but there will not be peace. Pray, My child, a very important man in power will be assassinated and this will start war. You will also have great earthquakes. Tell My children to examine their conscience and make a good confession for, My children, you are now living the third secret of Fatima. My daughter, Lucia, was told to tell the world and this was not done. You have already seen floods, hail, fire, and tornado winds and weather which is very unusual and so much evil everywhere from school shootings to so many children being abused and how much more can God, your Father, put up with? So many that were meant to be born were instead destroyed by abortion. The homosexuality is spreading everywhere, even in our Holy Church. Satan knows his time is almost over and I will crush him. He wants to destroy our Holy Church and family. The evil is all over and divorce has now just become normal to most. Marriage is no longer a Sacrament between a man and woman and God. It is not a lifetime commitment as it was meant to be. Most people today walk away from everything if they don't have their own way and they don't care who may suffer, as long as they have what they want. I love all of My children yet so many refuse to listen. My Son has suffered and died so sin could be forgiven. My child, pray that God, your Father, sends My Son as Jesus of Love and Mercy soon and many will come back to their God and Father, who loves them. Prayer is the answer. After the Warning, there will be a New Heaven and Earth. Evil will be gone and all My dear children will live in peace. I am always with you. The days of evil will pass and all will have the joy of being with their God and Father, who created them, and no one will suffer or be unhappy for this is their Father's Holy and Divine Will for each one who comes to Him. I love and bless you, for I am your Mother and the Mother of all of God's children.

August 29, 2018

My dear one, I know everything going on in the world seems to be sinful and darkness. Little one, do not worry, for I am the one who is in charge of everything. Rise up, My child, and know I am coming, for you know I am your Lord and Savior. Yes, little one, so much evil is everywhere but remember, you are Mine and My love for each one is so much greater than you can comprehend. You are so close now to My Kingdom to Come. Have joy, for you know My Mercy is about to befall the earth. Be ready and remember, trust in the words of Scripture, the power of your prayers, and the mercy of your Savior. Just focus on My words, keep writing, keep praying and trusting in Me. You will see My plan be fulfilled. I love and bless you for I am your Father, Son, and Holy Spirit.

August 30, 2018

My dear one, you know the story of how Peter walked on water. When he realized what he was doing, he began to sink but when he kept his eyes and mind on Me, he could do anything and so can you! My daughter, keep yourself focused on Me for with Me, you can do all things; without Me, you cannot complete My plan for you. Your trust must be in Me totally in the days ahead of you. You must be ready for all to come! And, with Masses and Adoration you will be ready. My desire is for you to take more time to listen to Me. Time is short. Do not worry about what is going on in the world. Just know I will provide for all for you. Everything comes from Me. Put all into My Hands. All I ask of you is to love others and have peace. Rest, little one, know I have a plan and My plan is to bring a New Heaven and Earth for My children. No more worry, sickness, death, evil or fear, only love, peace and joy. Do not give up hope, My daughter, for you have your Father's words. Rest in Me. Let go of all worry. Spend the days that you have left by loving everyone I send into your life and leave everything else to Me. I love and bless you for I am your Father, Son, and Holy Spirit.

My dear one, I see all your sufferings, your joys, your sorrows. You are never alone, never alone. Remember this, during these trying days, do not let the burdens you carry bring you down. Remain humble, let peace fill you despite the cross you have to carry. Be trusting and let your heart be open to My Holy Will for you. What you have awaiting you, you cannot comprehend. Pray and trust. I fill you with the graces you need to fulfill My plan for you. I will help you make your heart, your mind, and your soul ready for the times ahead of you. See Me in every person you come in contact with for I love all My children and am within each one. Be open to My love and be ready to accept My Mercy. Prepare for My coming, take personal time with Me, and let Me walk with you each day. Listen to what I say and pay attention to what I show you. Be wise and observant and I will speak to you in many ways and prepare spiritually for a great celebration of My Love and Mercy. I want to speak to each heart and I am eager to be with each one. For I love and call all My children to come to Me for I am your Father, Son, and Holy Spirit.
