November 2, 2018

My dear one, watch the signs I have been sending all of My children. Very few pay attention. Look to the heavens and you will see the turmoil and you will know the day of the Lord has come. Satan will fall from power. His days are numbered and his deception is coming to an end. I will bring this earth down and evil ones will have nowhere to hide. Those who refuse to listen to Me and only think of their own selfish desires will have no place to escape to. The kingdom of evil and sin will fall and be no more. The day of your God is at hand. My children will know sin is still sin and they will have a choice between good and evil. Trust in Me. Prepare with love. Let Me enter your heart. Be alive in Me by trusting Me, loving Me, and living in Me by seeing Me in yourself and others. I want you to give all of yourself, reach out to those who do not know Me, as you do, and love them as I do. Be patient and strong. I have already warned you of the things that will happen now but I give you My peace, and the strength and fortitude to come through these times because you know what is waiting for My children who love Me. Prepare for the day of My coming. I love and bless you, Father, Son, and Holy Spirit.

November 3, 2018

My child, do not despair of these times in which you live. I know it is a time of darkness. All you hear about is evil. So many are ill, so many live in sin. My children live the way they want; sin is freely accepted now. My Holy Commandments, I do not change. I do not bend My laws. I do not change just because men want to sin. There will be a time of cleansing and all will know the truth. My Holy Church will rise once more and shine brightly. All will know that My real Body and Blood is in My Holy Eucharist and My Holy Catholic Church. When the tribulation is over and satan is destroyed, you will experience such love, joy, and peace. You cannot comprehend how wonderful it shall be. Trust in Me and trust in My words, for they are your guiding light and bring you through this evil time of sin. I love and bless you, for I am your Father, Son, and Holy Spirit.

November 4, 2018

My dear one, tell my children to renew their consecration to My Immaculate Heart in thanksgiving for my protection. For I love all my children so very much. I want to protect you from all evil. God, your Father wants His children to have devotion to My Immaculate Heart. He said, if this is done, many souls will be saved and there will be peace. I am your Mother and the Mother of all God's children. I know the times you are now living through and I want to put you in My Heart and keep you safe. You see the Fatima messages are now being lived. I come tonight to ask you to pray, pray, pray. The times, my child, are now here. God, your Father must drop His hand on a sinful world. He loves His children so much and cannot go on seeing them killed by abortion and seeing satan destroying His little ones. His justice must drop down now on a sinful world but I will always be with you and guide you to My Son. Amen, I love and bless you.

November 5, 2018

My dear one, I want you to do spiritual warfare prayers, for you must pray against every evil. Ask My Holy Spirit to banish all evil and come down upon you. Satan hates My children who love Me. He tries to trick My children and take My children away from Me. But you know, God your Father, is more powerful and satan's time is almost over. Pray your rosaries My Holy Mother gave to you. Prayer always bears fruit. All sin and darkness will pass and My children will see Me and My New Heaven and Earth I have for each one. I will guide you so you do not go astray during these evil times. Trust in Me and repeat many times a day, "Jesus, I trust in You". Your strength will come from My Holy Eucharist and we are part of one another. Remember, when you think or talk to Me, you are in prayer. Your prayer is communicating with Me, your God. The more you pray, the more you will understand My ways. Make your life a prayer by always including Me in it each and every day. I love and bless you, Father, Son, and Holy Spirit.

November 6, 2018

My dear daughter, I want you to pray. I do not want fear, only trust in Me and do My Holy Will. There are many natural catastrophes coming. There are others created by man to bring My children down.

Shrine of the Christ Child Messages

Hard times are already taking place and a third world war is near. Do not be frightened because I am always with My children. You will see persecution of My faithful ones. The one world government and the Anti-Christ want a one world religion. My Holy Church is now being destroyed from within but I promise My Holy Church will rise in splendor once more and all of God's children will be Catholic. You know the chastisement is coming and very soon. Just come to Me in complete trust. I will guide and tell you what to do. Pray now and continue on to prepare. I will send you all you need and tell you what to do. Spend as much time as you are able to be with Me. Trust in Me to protect you and your loved ones and your unity of My children and their loved ones from the evil one. You have nothing to fear. My holy Angels will help you and I will multiply all you have done. You will all see many miracles and My holy Angels and holy Saints, you call upon, will help you through this coming chastisement. You will come through without fear, only love for Me your God and Father and I will give you grace to help My little ones. Pray for the ones coming to your border. Evil men have evil plans and much bloodshed and death can come from this. Soon, My children will all be cared for by Me in a New Heaven and Earth. All who love Me will have peace, love and joy forever. I love and bless you, Father, Son, and Holy Spirit.

November 10, 2018

My dear one, I am walking with you and I am sharing in your life and worries. Your troubles are My troubles; no problem is too small for you to share with Me and seek My assistance. You know I never leave you. You must have complete confidence in Me. Stay united to Me. The days are coming and you must rely on Me for everything. My child, spend time with Me each and every day. Listen with your heart and follow Me, for I will lead you and guide you through each day. I want you to slow down so I can truly be united in your work and I want to work through you if you let Me. When you learn to consult Me on everything, your life will reflect Heaven and Earth. Remember, I am always with you to help you. Talk to Me and I will explain everything I have for you to do. Love My children as I do and let Me help them through you. I bless you, for I am your Father, Son, and Holy Spirit.

November 11, 2018

Little one, you are seeing many signs each day in your world. You know in your heart the times you are living in. You have seen one storm after another and now fires are out of control once more and this time many lives will be lost. Pray for My children. Some will not come to Me in prayer and will not be able to handle what they are going through. My children must learn, when life is too hard, it is because you are trying to accomplish everything on your own, without Me. I am in control. You need Me and I am here for My children. Do not hesitate to come to Me. I will direct My children. I want only good things for My children but they must repent and give up sin. Your world does not offer peace. True peace comes only from Me. Return to Me for I am waiting for you and I will bless you and fill you with grace to change your lives. Open your eyes. My hand must fall on a sinful world. My warnings are coming each day. Come back to your God and Father. Sin is still sin. Call on Me and believe in Me. I want all My children to give up evil and replace it with love; love for Me and each other. Pray, My child, for all My children to realize the times they are living in have all been foretold to them in their Bible, if only they would take the time to listen. Be alert, be ready to meet your God. I love and bless you, Father, Son, and Holy Spirit.

November 12, 2018

My child, come to Me each day for My peace, for I am holding you in My arms. I want you to stop what you are doing for a brief moment, close your eyes and see Me. Let Me change your busy actions into peace so I can give you rest and you will be in complete union with Me. I know you have many earthly duties but you must remain with Me throughout your day and realize I am always with you. I want you to learn to rely on Me for everything. This is the only way you will be able to come through the times you are now living in. I never want you to fear anything, not even death. For when a child of Mine dies, they are merely coming home to Me. By your mind being on Me, you will be able to ignore whatever is going on around you and do My Holy Will. I love and bless you, Father, Son, and Holy Spirit.

Shrine of the Christ Child Messages

My dear one, be ready. I want you to have faith that I will care for all your needs. Prepare for My coming. Look at the world and realize what is happening. Never before has mankind accepted sin so freely into their lives. Your government has made sin, law. Satan wants to destroy the earth. War is everywhere. So few really care about My innocents that are killed by abortion every day. Can My children not see and read the signs of your times? Even My Holy Church is going against My laws. Prepare, tell My children to wake up before it is too late. Avoid all sin, in thought, word, or deed. Look at your lives, go to Confession and prepare to meet your God. I love and bless you for I am your Father, Son, and Holy Spirit.

November 17, 2018

My dear one, I want you to be strong and patient. Satan is trying so hard to destroy My children and take them away from Me. It is a very trying time for My children to be living in; so much sin and evil everywhere. Your world that you used to know seems to be of the past. It seems each and every day, more and more evil attacks everyone. You see your own country being divided in half; the ones that still believe in Me and put God first and the family and believe in life and yet, there are the ones who only believe in themselves and do not think anything matters except to do what they want. My child, each and every one will answer to Me, their God and Father. Do not trust in the ones who change My laws. My laws are set in stone and cannot be changed. Follow My Commandments and love one another as I love you. Eternal life will be yours. I will care for My own who love and follow Me. Amen, I bless you, for I am your Father, Son, and Holy Spirit.

November 18, 2018

My dear one, stay close to Me and My truth. Love one another. Love all of those you meet. Speak ill of no one and believe there is little time left. Thanksgiving and Christmas are a great gift. Enjoy each moment but, most of all, love one another. Use your time in this life to prepare for eternal life with Me. My remnant will keep their true faith and I will protect those who follow Me and trust in Me. You will see My Holy Church fall but I promise you that you will see it rise again in splendor and shine brightly once again. I love and bless you, Father, Son, and Holy Spirit.

November 20, 2018

My dear one, live each day with Me. I am very sorry for those who are controlled by their phones. Some of My children spend all their time on their phone and a day goes by very fast. They have no time for Me, no time to pray. They should see the times they are living in and worry more about their souls and eternal life with Me, not what others are doing. Use your time wisely. Pray, My child, spend time with Me. Tell My children, time is short. Each day is a gift not to be wasted. Use your time to become close to Me. Do not let a smart phone run your life. There are dangers in social media and Facebook. Your world and its progress are not always good for My children. Be smart in how you use your time, for time is very short. I love and bless you, Father, Son, and Holy Spirit.

November 21, 2018

My child, be assured that if My children follow Me, all that occurs in your life will be for the advancement of your soul and I will teach you the virtues I wish for each one to have. My presence is silent but constant. My faithful ones who are trying to serve Me and be holy, trust in Me for I am with you and will protect you in these evil times. Offer Me small prayers when you are frightened or unsure of something. I will calm you and help you. Many of My children will need help from My faithful remnant. You will help save many souls by your example. When you love Me and others, it becomes your way to bring My children to Me and bring My children together. If you really trust in Me, it teaches others to trust. Share your faith with others and it builds their faith. When you spend your time with Me, you receive My love. You are able to give My love to others. Each person I send into your path I have an intention and a hope for a closer relationship with Me. Always place yourself in My presence and I will do the rest. I love and bless you, Father, Son, and Holy Spirit.

Shrine of the Christ Child Messages

Little one, how busy, busy you are today, baking, cooking and cleaning, getting ready for your family to come home. How happy you will be when all is done and you can share your love and time together. Your God and Father is also very busy getting ready to send His Son once more and this time as Jesus of Love and Mercy, for He also wants all of His children to come to Him and give up all sin to share a life full of love and joy. His children will live with Him and share His love and come back to their Father and Creator and a new Heaven and Earth, never to suffer or die or sin again. Be happy, My dear one for soon all crosses will be put down forever and all of God's children will come home to Him. I love and bless you for I am your Jesus of Love and Mercy.

November 23, 2018

My child, I want all My children to be united with Me and believe in Me and trust in Me, love Me and know how much I love them. Then, they will be destined for great holiness. My children worry about other people's opinions. But, do not spend any time worrying what people think. Spend your time with Me and rely on Me. I will always love you when you turn your life over to Me. I will fill you with My love. I will forgive you of all your sins. I will give you compassion and understanding every minute of every day. All you have to do is admit your sins and ask Me to forgive them. Focus on the fact that, I your Jesus, am present with each of you every minute of every day. Just talk to Me. I have so much to share with you. When you continue to focus on the reality that I am with you, you will rely on Me and then your life will become easier. You will not worry but give everything to Me. Your crosses will feel lighter. We will be so close. You will consult Me on everything you do. There is no situation where you should leave Me. That is why I am asking for you to come to Me often in your day. As the world draws peace from you, I will replace it with My peace. I love and bless you for I am God your Father, Son, and Holy Spirit.

November 24, 2018

My child, tonight I wish to talk to you about the gift My holy Mother gave to all Her children of the Holy Rosary. I am giving you an urgent request! To pray, pray, pray. My Mother is so worried about all Her little children so much, She asked that you include the following prayer at the end of each decade. "Oh my Jesus, forgive us our sins, save us from the fires of hell, lead all souls to Heaven, especially those in most need of Your Mercy". You see, My child, My Mother knew the third secret of Fatima. She asked all Her children to amend their lives and give up sin. For a time, people did listen but Her children and the world did not continue to pray even though She let them all see the miracle of the sun. Most did not pay attention and our Mother was sad. She then said, there is only one way I can help you. First, you must ask for My help and you must ask by praying the Rosary. You will save yourself and sanctify yourself. This will console your Lord and obtain salvation for your loved ones and many souls. She knew the times that would come if Her children would not listen and now your world has gone deeper into sin and evil. She cries over Her children and just like the prayer She wants, your sins to be forgiven, She does not want one child to go to hell. She wants them all led to Heaven and by My Mercy, I am coming soon as your Jesus of Love and Mercy to give My Mercy to all of God's children. Will they listen this time? This will be their last chance. The evil My Mother feared when She appeared at Fatima, you are now living and all of this will continue and the only answer to obtain peace is My Mother's Holy Rosary. I want all My children to have devotion to My Mother's Immaculate Heart and My Sacred Heart. We have placed you in Our hearts and We want to protect you from the coming chastisement that must come because Our children will not listen. I told Sister Lucy, it is never too late to recourse to Jesus and Mary and pray. Pray, My dear devoted ones, for the third secret of Fatima has begun. Pray that My children will accept My Mercy and change their lives so all may come to My new Heaven and Earth. I love and bless you for I am your Father, Son, and Holy Spirit.

My daughter, I do not want you to worry. My angels will continue to help you get your refuge ready for the tribulation and My angel will put an invisible shield over your place and a luminous cross in the sky and when My children look upon the cross, they will be healed of all ailments. As I told you, only My faithful ones who believe in Me and wear My cross on their foreheads will be allowed to come. I will

protect you from all harm. Just continue to pray and believe in Me. Love others as I do. I understand all you are doing and sometimes you wonder when all of this will take place. Remember, when I told you I would send you a chapel by My hand and you thought that was impossible. You said, "Father, I do not believe it" and said, "If you want Me to believe, send Me the statue I loved since I was a little girl." Well, walk in your beautiful chapel and look at your Pieta. Where did it come from? Me, your God and Father, and now, My child, when I tell you of My heavenly protection and a luminous Cross over your place that will heal everyone I send there, I want you to believe this is My plan. And also, My little one, the day I give your daughter back for you to have forever, that will also come soon. Just continue to love Me as you do, for you know I am always with you and I love your child-like ways. Always stay small and humble. If you were not a simple child, you would not believe in all I tell you, but as a small child, you trust your Father and want only to please Him. I will take care of My faithful children and all I have told you will happen. I will bless you with courage and you will never fear. You see all the signs of the times. Just pray and trust and love. That is what I want for you to do. I will do the rest. I love and bless you. Be ready, My child, time is short and soon, so very soon all will transpire before you. I sign you once more in My Holy Cross, In the Name of the Father, Son, and Holy Spirit.

November 26, 2018

My dear one, today you worked so hard to be ready for your prayer group and wanted to finish all you have been doing to become ready for Christmas. I understand why you do what you do and I want you to enjoy Christmas, for it is a very special day, for I was born to live and die for all of My Father's children. I would go through My death on My Cross all over again to save each one. My child, I know how much you love Me and that you know the real meaning of Christmas and you work so hard to make everything so beautiful for the little ones. For you know in your heart that everything is changing and this may very well be the last Christmas as you have known it to be, but little one, after the tribulation is over and you come to the New Heaven and Earth, what joy, what beauty, what glory. You will dance with joy. So, celebrate My child, remain happy, for what is to come for all My children who say 'Yes' to My Love and Mercy, no eye has seen. If you make Christmas fun and beautiful for your family, wait until you see what your Father has waiting for His children. It will be beyond whatever you could dream of, for your Father loves His children so much, He is making such a beautiful New Heaven and Earth for each one. So, dance with joy, for this world of sin, death, and sorrow is almost over. You will see love, joy and peace forevermore. I love and bless you and give you My peace, for I am your Father, Son, and Holy Spirit.

November 28, 2018

My dear ones, I am here with you as you pray today. I come with My Holy Mother, St. Joseph and many of your favorite Saints. St. Michael the Archangel, is also here, protecting you as always. My little one, I wish to give each of My children a special invitation to spend Advent with Me. I want you to come to Adoration and let Me be with you in a special way. Pray, My dear ones, for you are living in times of extreme evil and much is taking place around you and many evil events are going to happen soon. But, I give you many gifts to come through these times on earth. Examine yourselves and come and make a true Confession and realize it is I hearing you and forgiving you. Make yourself ready for My coming for each one of you are My devoted children full of love and devotion for God, your Father, Jesus, and the Holy Spirit. Re-consecrate yourself to My Holy Mother's Immaculate Heart and My Sacred Heart, where you are loved and protected. You are ready to help My children come back to their faith and give them faith and courage to come through the times ahead of you. You are My Mother's army to crush satan and all evil. I love and bless you. Continue on. The battle between good and evil is taking place now but you know the battle has been won by My death on My Holy Cross. I shed My Blood so all sins could be forgiven and My children could come home to Paradise with Me forever. For, I am who I am, your God and Father, your Jesus, and your Holy Spirit.

Shrine of the Christ Child Messages

My little one, the days are passing faster and faster. It seems each day there is so much to be done. My child, shut the door to the world, spend your time in prayer, making yourself ready for Me to come. Yes, there are many things to do for your family and friends and you will accomplish more with Me and prayer, for by spending your time with Me, you will receive My peace and you will be able to accomplish so much more than trying to do everything yourself. Take one day at a time and stay in My presence, knowing I am with you and helping you so you will be able to help others. By yourself, My child, satan will try to tell you to rush and hurry and keep you in turmoil, for he wants you to be upset and worry. With Me, I will guide you and send you My holy Angels to help you. Yes, you have many to help and many to cook for, but I will make sure you have the time you need for everything and most of all, time to be with Me and have peace in all you do. I love and bless you, Father, Son, and Holy Spirit.

November 30, 2018

My little one, I come tonight to give you words of guidance to guide you through the days to come. I am your God. I am real. I exist and it is time to show the world My power. So many of My children are giving themselves over to a life of sin. Good and evil do not mix. I will not accept sin. I do not change. Truth is truth. My children must wake up and see the truth. You live in the end times and very little time is left. I will come and destroy the darkness. I will give all My children a chance to return to Me through Divine Mercy and then My justice will come. I will cleanse the earth of all evil. My children who come back to Me will live in a New Heaven and Earth. Satan and evil will be destroyed. My Church will shine once again. Trust in Me, the day of your God is at hand. Pray, for I love and bless you, for I am The Father, Son, and Holy Spirit.
