April 1, 2019

My little one, I am the Queen of Peace with a message of hope. Allow yourselves to be driven by the Holy Spirit and do not allow evil to take hold of you. My dear sons and daughters, believe in your Mother's words and pray for one another. Prayer is essential for the events that will take place. Be at peace about the times in which you live. I come to warn and to save. My message is one of hope; hope in the God that loves you. Do not despair. The reign of God is at Hand. My Son's peace will flood the earth and My Immaculate Heart will triumph. Continue to pray and love one another. Forgive all others as My Son has forgiven you. Do not fear, for My Son will be with you to guide you and protect you. These times shall pass and all evil, sickness and death will be gone forever. Have peace and believe the New Heavens and Earth are ready and all who come to My Son, shall enter soon. I love and bless you, in the name of the Father, Son, and Holy Spirit.

April 2, 2019

My dear one, tell My Faithful Ones, it is time to prepare for great chastisements. Your country is torn and divided. It shall fall. Many cities will be in total chaos. After an economic collapse, many will be fighting over food. A great earthquake could shake your earth and waves will rise higher than skyscrapers. Pray for your coastlines. Do not despair, for I, your Jesus, will guide you. Finish the work I have placed in your mind and heart to do. You have true love for Me and those who have true love for Me cannot fail Me. I tell you, My child, your generation shall see the End of Satan's free reign. This time of evil will pass. My children will receive My Love and Mercy and all will know how they stand with their God. The ones who repent will be forgiven if they change and come to Me with love, for I love each one so very much. But, I gave My children My Commandments to live by and sin cannot be accepted. My Ways are Truth to live by. My New Heaven and Earth will be Paradise for My children and there will be no sin or evil allowed. Pray, My children, and live each day in My Presence, for I am always with you and you have nothing to fear. I love and bless you, in the name of the Father, Son and Holy Spirit.

April 3, 2019

My dear one, tell My children, if they want peace, come to Me, talk with Me, sit with Me, bring Me everything that troubles them. I will give them My peace. I will help them and show them the Way. Have confidence in Me, for I know each one and I know the cross each one carries. Confide in Me your desires. I will bless you and give you the strength and courage to go on, for I created you and I love you more than you know, and I desire you to have Eternal Life with Me, your Father, Creator, and Savior. I will always be close to you and within you, for you all are My children. I gave My children My prayer. When you say the 'Our Father', I hear every word when you call Me, Father. It gives Me great joy, for I love to hear My children call Me, Father. You are asking Me for 'My Kingdom to Come' and 'My Will to be Done'. My children, this is what is to be. My Kingdom is to come and My Will is to be done. My plan is for all to be delivered from evil so they will come into My Kingdom and have Eternal Life with Me. Pray, My children, pray. Love one another. Forgive each other, for I hear every prayer and your freedom from sorrow and evil is close at hand. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 4, 2019

My dear child, tell My children not to worry so much and to learn to accept each day as it comes to you. I have asked each one to live in My Presence. That means that you are Mine and I am with you and within you. Stop worrying about yesterday or tomorrow. If you take each day and call on Me and pray and really believe I am with you, we will take each day together and I will give you the strength and courage to handle every situation. Then, you will have My peace and understanding, since I know you far better than you know yourself. No detail of your life is hidden from Me. Allow My healing Presence to aid you each day, for you know I will never leave you or forsake you, for I love each one so very much. So, learn to live, My dear ones, each day with Me and every tomorrow. And, remember every day brings you closer to My Kingdom to Come and by your faith and love and living by My Truth, you shall

have Eternal Life of joy and happiness with Me forever. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 5, 2019

My dear one, I ask each one that follows Me to look at their own sins and failings and to strive each day to improve, and in doing so, you will not have time to judge others. You understand, I love all My children, and when you judge others, it brings Me pain in My Heart. I want My children to cleanse their own souls and pray for one another. Do not condemn another, for you do not know what someone has lived through. How do you know how they feel? Love, My children, is the greatest gift. Open your hearts to others and learn to forgive each other. If I could hang on My Cross and ask for forgiveness for the ones who have put Me upon it, can you not also ask for forgiveness for the ones that have hurt you? For I was crucified for the sins of each one of you and I would climb upon My Cross once again to save you, for I love you and want to give you Eternal Life with Me. I want the hope of Heaven to fill your thoughts and for each one to come to Confession and purify your own souls. When you come to receive My Holy Eucharist, I fill you with Myself and My Love. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 6, 2019

My dear ones, you are still in the season of Lent. It is a time of grace and a time to look within yourselves, and it is not too late to change. When you meditate on My Passion, you understand how much I love you. When you do the Stations of My Cross, you walk with Me to My death on My Cross, for each one of you. I call you to repentance and change, for I want to save and redeem each one. Give up sin, so My Spirit can penetrate your souls with My Love. Follow Me, for I am the Truth, the Way, and the Life that only can be found in Me. I am the Way to the Father and the Kingdom and Eternal Life. Stay with Me, be with Me, understand how much I love you. After Lent is over and you have opened your eyes and have repented and changed, you may rise with Me on Easter to a new life with Me, for I am your Savior and I call each one to Me to be saved. I love and bless you, in the name of your Father, Son, and Holy Spirit.

April 8, 2019

My dear one, today was very special. Father brought each one of you special blessings and graces. He heard many Confessions, giving My children peace and helping each one come to Me to heal their souls. You were blessed with a very spiritual day, full of peace and joy. My Holy priest-son was My gift to all who were blessed to come. My Son, (name withheld), also blessed you in many ways and lead all of you to walk with Me, doing the Stations of My Holy Cross.

The time you took to pray with My children gave them confirmation to what I have been giving them in their hearts from My Holy Spirit. It brought joy to all of Heaven, seeing all My children coming together to pray and the love they have for their God and Father, for their Holy Faith, and the love and unity for one another. You are a unity formed by your Jesus and His Holy Mother, and together, you will all come through these evil times, helping each other, your families, and all I choose to send to you. I love and bless all of you, for I am your Father, Son, and Holy Spirit.

April 9, 2019

My children, come to Me and realize you are on a journey to Me for I am calling each one of you. Will you take a short time each day to pick up your Bible and read Scripture? When you read My Scripture, you will recognize the signs of the times you are now living in. I am coming soon and I want you to believe your freedom is coming because all evil will be removed from your Earth. So few really believe and they are not ready. Look within yourselves, die to sin, follow Me, and realize the way you live your life determines your Eternal Life. Time is so short and you have little time left to prepare. I love each of you so much. The more time you spend with Me, the closer we become. I wait for you to come. I am always with you. Can you not take the time to be with Me? Open your heart and let Me in. Let Me

give you My peace and love and lead you on a path of holiness and Eternal Life full of love, joy, and peace with Me. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 10, 2019

My little one, I have called you to follow Me. Making time alone with Me must be your highest priority and deepest joy. Do not let unexpected problems distract you from My Presence. Trust in Me at all times. Remember, you can do all things with Me. Apart from Me, you can do nothing. My children need their God and one another to come through these evil times. Your world is full of evil and hate instead of love and peace, and that is why I am coming soon. I will cleanse the world of all evil. All My children need to die to self and remove all sin from your lives. You all must realize the times of danger that you now live in. Pray for one another and be there for each other. Remember, love your Lord and God with all your heart, your mind and your strength and you will love your neighbor as yourself. In the days ahead, you will need each other to survive, and with Me and your trust in Me, you will be able to do all I ask of you, for I love and bless you, for I am your Father, Son, and Holy Spirit.

April 11, 2019

Little one, I understand the darkness that My children are living through. Most have forgotten Me. Even My Church turns against My Ways and Truth, in favor of sin. My children are destroying themselves by their own actions. I gave My children Commandments to live by but My Truth is ignored by lies of the world. What I say is sin, your world says is fine and legal. Pay attention now and give up sin! Trust in Me. You, that know the truth, live it. Pray and keep your faith and love for Me alive and wait, for the time is close at Hand. What My Remnant will see when they enter the New Heaven and Earth, what joy, what wonder, when you see the power of your God. All My children who love Me shall not want. I will provide for all their needs, for they have stayed faithful to Me through this Tribulation time on Earth. I will provide safety for My children who call on Me and trust in Me. So, do not fear, My dear ones. Just trust and pray and know I am with you. I love and bless you, Father, Son, and Holy Spirit.

April 12, 2019

Little one, tell all My children I gave each one My Holy Mother as your own. Ask Her to cover you and all your loved ones with Her mantle and surround you with Her love. For, She will help each one and enfold you in Her love and protect you in Her mantle. Be meek and humble, My children, and come to Me each day and I will give you grace to do My Holy Will. Place yourselves in My Hands, allow Me to mold you, and I will purify your minds and your hearts according to My Will. Then you will be able to stand firm in your Faith and I will strengthen and fortify you for the battle that lies ahead, for many will fall but I am calling on My Remnant to keep their eyes fixed on Me and I will lead you to My New Heaven and Earth. And, together, you will help one another and all My children I send to you, come through these evil times to a time of love, joy, and peace forevermore. I love and bless you, Father, Son, and Holy Spirit.

April 14, 2019

Little one, you are now going into Holy Week. Tell all My children to start My Divine Mercy novena on Good Friday. When I come as your Jesus of Love and Mercy, each child will know where to go and what to do because each one will be given another Holy Angel to lead them. Tell them not to worry, to let go, and wait for My Divine Mercy, for all will see the love and power of their Lord and Savior. I love and bless you, Father, Son, and Holy Spirit.

April 16, 2019

My dear one, pray for your country because so many will not listen or believe in the time you are living in now. So many will not repent from their sins. The time of your destruction is coming soon, for the antichrist will take over. So many of My children will be persecuted for being Christians and some will be martyred for their faith. After the Warning, My children must give up their cell phones, computers and TVs, for you cannot look at the antichrist at all. I do not want you to worry, for My power is greater than

the evil one. So, have no fear, just trust in Me. I will send My Holy Angels and they will be protecting you. I will multiply all your needs. You will have assignments for each child I send to you to help. Either My Holy Priest-Sons or My Angels will bring Holy Communion, but remember, prayer time and Adoration around the clock. My faithful will be fortunate to have protection during the tribulation time. My Warning will tell each one what to do. Just trust in Me and follow My Holy Will, for I am always with you. I love and bless you, Father, Son, and Holy Spirit.

April 17, 2019

My dear one, it is Holy Week and it saddens Me that so many of My children will not be coming to Confession. Why are My children so spiritually lazy? They cannot take the time to have their sins be forgiven and heal their souls. I call each one to come to Me now, for My Warning is close at hand and so many will be in shock when they see themselves as I see them. I love each one and want them to have life forever. After all, who gave them life in the first place? Stay with Me this week. I am calling all My faithful ones to share My Passion and understand what I went through out of love for each one. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 18, 2019 - Holy Thursday

My child, come to My Last Supper. When I held up My Bread, I turned it into My Body and then, when I held up My Wine, I turned it into My Blood. I gave Myself to all of God's children so they would have life within them. I asked My Son, Peter, to do this just as I ask all My Holy Priest-Sons each day all over the world to consecrate My Holy Eucharist, so I can be within each one who loves Me. If My children only knew how much I love them. I would go through My Passion all over again to save just one. Stay with Me tonight. Sit with Me. Pray for your world and My Holy Church, for evil is within My Holy Church and evil wants to destroy all My children who love Me and believe in Me. Pray My child. I love and bless you, for I am your Jesus who suffered and died for all.

April 19, 2019 - Good Friday

My dear one, tonight at Mass, your son-in-law sang "*I Will Raise You Up*" and also, "*Jesus, Remember Me*". It made you cry. I remember all of God's children. I gave My life so all could be forgiven from their sins and all I ask is for each one to come to Me and follow Me and live their life in My Truth and by My Commandments that I gave each one to obey. My child, My Mother had to witness My death on My Cross and yet, she stood in silence, knowing this was the Father's Will to save all His children. You know how she felt when they came and laid Me in Her arms after they took Me down from My Cross. My Mother suffered many tears and loneliness as you do for your daughter. Yet, I tell you, all suffering shall pass. Why is Good Friday called "Good" Friday, My child? Because, by My Crucifixion and My Death, all of God's children have a chance for all their sins to be forgiven and have Eternal Life if they give up sin and come to Me. And, by My Death on My Holy Cross, I have redeemed the world, for My children who accept Me. Sit with Me tonight and be with Me. My children who come to Me and give Me their love is what I wait for each day. I would suffer and die for each one all over again to save them for Eternal Life with Me. I love and bless you, in the name of your Father, Son, and Holy Spirit.

April 21, 2019 - Easter Sunday

My child, I woke you early and as the sun rose, all you could say is, "Jesus Has Risen". What joy, what happiness, what love you had all day. All your family came home. Yes, the children had the Easter Bunny and a large egg hunt. But, they all knew Jesus had risen. They all went to church. My child, the joy and love was abundant. I am now planning for all My children to come home. First, they will see evil around them but My Warning will show each one themselves and they will understand how much they are loved. Each one will know My Will for them and the ones that follow what I tell them will be protected and the time of tribulation will pass very fast. And, then the ones that wash their robes clean and follow Me, what joy, what peace, what love. All evil will be gone, all sickness, all death, all war, only unending love, joy, and peace. Wait until you all see the beauty I have waiting for My Faithful. Eye has not seen what is to come. I cannot wait for My children who love Me to see what I have waiting for them. So today, My child, pray for what is to come. (Below, Jesus is referring to the massacre of

Christians that occurred in Sri Lanka)

And for all My Faithful who came home to Me today, and evil took their lives while they were in prayer, they are with Me and they came straight to Paradise with Me forever. Pray for the ones left behind to suffer and deal with this evil, for soon, I will come and destroy all evil forevermore. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 22, 2019

My dear child, pray for all the ones who are in pain and grief over the deaths of their loved ones. Yesterday, was Easter Sunday and it was turned from joy into sorrow for many of My children. The evil one is behind these attacks. My children were in church praying and celebrating My Rising from death; all the ones who were killed by evil will rise with Me. Soon, My child, I will come as Jesus of Love and Mercy. I will flood the earth with Love and Mercy. My children's hearts will be opened. They will see how much they are loved and each one will understand the way I see them. I will give each child a chance to repent and come to Me, for in My New Heaven and Earth, there is no room for evil and sin. Pray and believe I am coming to cleanse your world of evil. Your world is so full of evil that it is about to explode. Only I can put a stop to this. Pray, My little ones, for you are living in the times foretold in Scripture. You will see much evil now but you will also see many miracles. Have faith in Me and be at peace. Believe in My promise of Salvation and have no doubt I am at work in your midst. **Do not grow despondent. Have faith in your future and know I am with you. Be glad and rejoice. Do not let your hearts be troubled with fear of things to come but rely on Me.** I will give you peace in the trials of this world. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 23, 2019

My dear one, tell My children to celebrate My Resurrection. Rejoice over My victory over sin and death, for your souls live on forever. My Rising from death is My greatest miracle. My faithful ones need to give thanks for offering up My life to save you from your sins. I love all of you enough to die for you. Now is the time for you to pray your novena prayers for the coming Mercy Sunday. Your Divine Mercy chaplet and your rosaries are your weapons against evil. Come to Confession, pray your Novena, receive Holy Communion at Mass and you will gain a plenary indulgence to remove temporal punishment due for your sins. When you come to Me and open your heart and let Me in your heart and seek My forgiveness for your sins and accept Me as your Lord and Savior, it is your pathway to Heaven. Pray, My Faithful Ones, for your Jesus of Love and Mercy to come soon and wash all My children in My Love and Mercy. I love and bless you, for I am your Father, Son, and Holy Spirit.

April 25, 2019

My dear child, tell My faithful ones, I hear their prayers for Me to have mercy on the whole world. I understand what My dear ones, all over the world, are living through. Each day, so many events are happening. Today, there are many storms and deadly tornados. More and more of My children are ill from one disease or another. All across America and the whole world many of My little ones are homeless. Many countries are at war with one another and many are building more nuclear weapons. My children who come to worship Me at church are not even safe anymore, for the evil one wants to destroy all who have faith in Me. It seems there is no peace to be found anywhere. If you want peace, come to Me, turn off the world, and come pray with Me. I hear every prayer and I tell you, My faithful ones, I am coming as your Jesus of Love and Mercy and the world will know I am in charge. I will remove all evil and each one will know who is in charge and who God is, for they will all see My Power and I will give each one a chance to come to Me and repent of all sins, for I will cleanse the world of all evil and My faithful ones will have a New Heaven and Earth full of complete love, joy, and peace. Just trust in Me and believe. I bless you all in the name of your Father, Son, and Holy Spirit.

April 26, 2019

My dear ones, it is time now for all My children to open their eyes and realize what is going on around them. As a loving Father, I cannot let the world continue on full of evil. Be prepared for more events

Shrine of the Christ Child Messages

that will lead up to My Warning. Your world is so evil that My Warning is needed to prepare My children for the coming tribulation of the antichrist. Pray that My children will wake up and be converted. The devil is battling for your soul. Put your armor of My protection on. Fight for your soul by going to Confession and receiving Me in Holy Communion. I came here as your Christ Child because of all the love for My little children. I do not want anyone to hurt My little children. Never allow a little one to be abused. You are now killing millions of My little ones with abortion. This sin alone is bringing down destruction on America. Your country was great because it was a nation under God where God came first and then family. Many of My children are too selfish to keep a marriage together, for they only think of themselves. Instead of wanting children, they only want more and more material goods. Children are forever to be with you to share in eternal life. All material goods are gone forever. Large families were once a blessing and people took pride in their family, not in their bank accounts. Pray, My children, and learn to do My Will and you will understand what real blessings are. I love and bless each one, for I am your Father, Son, and Holy Spirit.

April 27, 2019

My dear one, I hear the prayers of My faithful ones that are all praying the Novena of Divine Mercy. I want to come and flood the whole world with My Love and Mercy. But, even then, some of My children will reject Me. I want to bring each and every child into My Compassionate Heart and never let anyone escape from it. I want to guide each one to salvation to live with Me forever. Take time now, My dear one, to re-read St. Faustina's diary. Read the words I gave her, for they were also given for each one of you. You know I told her, through this Chaplet of Divine Mercy, you will obtain everything, if what you ask for is compatible with My Will. I told her, if you would recite this chaplet only once, you would receive grace from My infinite Mercy and it is My desire to grant unimaginable graces to those souls who trust in My Mercy. For the ones who have done their Novena and attend Mass and go to Confession, be happy My dear ones, for tomorrow is Mercy Sunday and for praying for My Mercy, I will give you the gift of My Love and Mercy and your graces will be abundant. You are making yourself ready for My Warning and this will be great comfort for you and you will cry tears of joy when you realize the Love and Mercy you receive. I love and bless you, in the name of your Father, Son, and Holy Spirit, for I am your Jesus of Love and Mercy.

April 28, 2019

My dear one, today is Mercy Sunday and I come as a loving Mother to tell you to be at peace about the times in which you live. My message is one of hope. Hope in the God who loves you and do not despair. The reign of God is at Hand in your hearts and in this world. My Son's peace and love will flood the earth and My Immaculate Heart will triumph. Believe in these words, My children. It is My Son's wish to unite all of God's children into a single family of love, to reunite the world and end all division and conflicts, and bring true and lasting peace which must begin in each heart. Love one another as My Son loves each one of you. Carry your cross daily and forgive one another. Respect one another and respect all life. Each child is equal to My Son. No one is less than another to God, your Father, who made all of you. Pray and trust, choose peace, for My Son is coming. I love and bless you, for I am the Mother of all of God's children, in the name of Our Father, Son, and Holy Spirit.

April 30, 2019

My dear one, tell My children to pray for your President. I have My Hand upon him but there is so much division in your country. He does not have a chance to do what he wants to do. He really loves his country but he lives each day in much danger and turmoil. Your world is in much chaos. There is fighting in the streets in many places and this is also coming to your country. Today, there was another shooting at a campus. You just had a shooting at a synagogue, and a major one on Easter day took many lives. Right now, there is one dangerous tornado after another and one storm after another. Snow has fallen in many places and it is almost May. Severe storm warnings are everywhere and there have been deadly storms, one after another. So many countries want to destroy one another and each one is building more and more nuclear weapons. ISIS leaders want to attack America. Once more, they hate Christians and you will see much evil from the ones who carry so much hate in their hearts.

Shrine of the Christ Child Messages

Open your eyes, My children, and see the times you are living in, for all has been foretold in your Holy Bible. Evil is everywhere and life has no meaning to many, and there is no peace. But, if you stop and pray and call on Me, I will give you My Peace. You must now trust Me and believe I am with you and have a plan to crush all evil and bring all My faithful children to a New Heaven and Earth. They will have only love, joy, and peace. This time is coming so continue to believe and pray, pray, pray, for I love and bless each one, for I am your Father, Son, and Holy Spirit.
