My little one, tell My children to have detachment from the world and worry only about the salvation of souls. I want My faithful ones to have humility. Offer your life and all you do for others each day as a continual prayer. Learn to have mortification in all things, abandonment to Divine Providence, and have conformity to the Will of God, your Father. Ever since you were a little girl, you loved Mother Mary as Our Lady of Grace. As a small child, you would love to gaze upon Her statue and see Her hands extended toward you and you felt love and peace. My child, it was because My Mother found grace from God for Herself and every child of God. Mother Mary gave life to Jesus, the author of all grace, and that is why She is called the Mother of Grace. God, your Father, gave Mother Mary His Son and entrusted Her with the distribution of His Grace and these gifts pass through Her hands. When you received a call from My Priest-Son, he said he wanted to give you a life-sized statue of Mother Mary. All you could think of was, "Oh, I hope She is our Lady of Grace". You always loved Her as that. My child, that is why I sent Her. Every child that comes and prays, receives grace. Now, you realize why you love Her so much. You always felt Her love and grace She blessed you with. You know to come close to Me, the best way is to come through My Mother, for She prepares you to come to Me, as She does all of God's children who come to Her. I love and bless you, in the name of the Father, Son, and Holy Spirit.

May 2, 2019

My child, I know that each day there seems to be so much to do and sometimes, My children find it hard to keep going. If all My children would offer up each day to God and imitate My Holy Mother and ask Her to pray for you, and place everything in Her Hands. What glory you would give to God and what blessing you will draw upon yourself and others. My children must realize that they are never alone. Learn to pray as you live each day and instead of worry, you will have peace. As I have said before, live in My Presence and believe in My love for you, for I know everything each day holds for you, before you live it and I will be with you to bring you through it, for I am your Father, Son, and Holy Spirit.

May 3, 2019

My dear one, you are always so happy when you have one of your little ones with you. Children always make you happy and give you such joy. You love to hold a child and just love them. God, the Father's love dwells in the heart of a child and a child's heart is so pure and full of love. God, the Father thirsts for the love of His children. He created hearts for love alone and love can only be repaid by love. My children need love. When a child is loved, he knows love and can give it to others. A child also knows when they are not loved and that is why there are so many problems in your world. Everyone wants to be loved and accepted. Many of My children today are not even wanted and so many are aborted before they are born. When I come as your Jesus of Love and Mercy, each and every child will know how special they are and how much they are loved and how they fell into sin and felt rejected and unloved. All will be given a chance to repent and come to Me. Tell My faithful ones to love and find Me in each one, for all My children need to be loved, so they can love. I love and bless you, Father, Son, and Holy Spirit.

May 4, 2019

My dear one, tell all My children to make Me their refuge by pouring out your heart to Me in all difficulties and trusting in Me at all times. Seek Me throughout your day. Do not let unexpected problems distract you from My Presence, instead talk to Me about everything. In the times you are living in, you see much evil every day but you must realize I am always with you, for I never leave you, for it is you that leaves Me and lets worry and anxiety take over. You must rest in My Presence when you need peace and then you are trusting in Me. I want all of you to learn to lean on Me, trust Me, and be confident that I am with you. Do not hide from My Presence, for I want each one of you to hear My voice and listen to Me continually and pray. Let My light permeate your thinking and My Holy Spirit your mind, so you will have My peace in your life. I love each one with an everlasting love. Remember, before you were born, I knew you and you must believe I am always with you to come through the storms of life on earth. You are living for Eternal Life with Me forever, where all you will have is My love, joy, and peace. I love and

bless you, for I am your Father, Son, and Holy Spirit.

May 5, 2019

My dear one, I am asking all My children to pray for Israel, as well as, your own country. Many nations, now, are planning to destroy one another. Pray for My children all over the world, for it is My little ones who suffer when governments just want power and to take one another over. Many years ago, My disciples asked Me, "When will it be, what will be the sign of Your coming"? As I told them, "You will hear of wars and rumors of wars, but you are not to be alarmed for this must all take place. Nation will rise against nation and kingdom against kingdom, and there will be famines and earthquakes and all of this is just the beginning of suffering". And then, the great tribulation; many will suffer because of their faith in Me and some will fall away, for the tribulation will be great and never has this been from the beginning of time. For My faithful ones, I must shorten the days and immediately after the tribulation, the sun will be darkened and the moon will not give its light, and the stars will fall from the sky. But, do not fear, for this will be when the Son of Man shall be coming on the clouds of Heaven with Power and Great Glory. My Angels shall gather My faithful ones from one end of Heaven to the other. Only the Father knows the day or the hour, not even the Son. But, tell My children to be ready, for you do not know when your Lord is coming. Read your Bible and pay attention to the times you are living through, for I love and bless you, in the name of your Father, Son, and Holy Spirit.

May 6, 2019

My little one, tell all My children, do not fear! For, in your Holy Bible, in Revelation 21, it tells you about the New Heaven and Earth and it tells you, "Behold, the dwelling of your God is with men. He shall dwell with them and they shall be His people and God Himself will be with them. He will wipe away every tear from their eyes and death shall be no more. Neither shall there be mourning nor crying nor pain, for the former things have passed away." I will make all things new. Today, many called you for prayer. So many are going through so much. Pray, My dear faithful ones, and believe this evil time shall pass and you will be in a New Heaven and Earth, where your Lord and God will dwell with you. Your prayers and faith will bring you each day closer to all I have waiting for every child of Mine who comes back to Me and gives up sin, for I love all My children and am calling each one to My truth to live My Commandments and look forward to Eternal Life with Me forevermore. I love and bless each one, in the name of your Father, Son, and Holy Spirit.

May 7, 2019

My dear one, you are upset over the news tonight of another school shooting. You are praying for the families of the ones who are in danger, for you know what it is like to lose a child. But know, there is a new beginning that awaits all of you, a new light, for I am bringing all to a new beginning. Have faith and wait for the hour and the moment when I will act, for I will move among you with power. Continue to have faith in Me despite the darkness and gloom. Take heart and have courage. Hold My Hand and do not let go. Be ready, for I am preparing you for battle and I am telling you to be prepared. Watch and pray, for the hour approaches. I am calling you to be My Children of Light. Prepare yourself for victory. All evil will be destroyed. Trust in Me, keep your faith alive, and know the times of evil and darkness will end and My Holy Spirit will lead you. Follow My true teachings and have peace, for you know fear, worry, and anxieties are from the devil. Did I not tell you how I care for the birds of the air and feed them? Will I not care for My children? Do not worry about tomorrow, for today has its own problems. Only live one day at a time. Follow Me and obey My laws and love everyone I place in your life and you will have Eternal Life with Me forever. I love and bless each one, in the name of your Father, Son, and Holy Spirit.

May 8, 2019

My dear ones, I come to each one of you today as your Jesus, your Savior. My little ones, look back over your own life. Can you see how quickly a lifetime passes? I want you to realize, I was always with you. When you were happy, I was with you and when you fell into sin, I was still with you to lead you on a path where you are today. And, when you carried a heavy cross, I helped you. My children, you are

Shrine of the Christ Child Messages

living in a time of much evil and devastation, but do not fear. Remember, you are each walking with Me. This evil time will pass very quickly. As you are now gathered in prayer, you will need to continue on, and you will pray together and give one another the strength and fortitude to continue on. And, when things seem really bad, know I am coming. I will destroy all evil and My faithful ones who accept My Will, shall enter in My New Heaven and Earth. Just think of a life full of love, joy and peace. No growing old, no sickness, no evil; Everlasting Life, where all My children will love one another and enjoy being together as you do. Your unity was formed in Heaven by My Holy Mother and Me. Accept all I will send to pray and be Me to all. Love and understand each one, for I am in each child of Mine. Continue on, for as time seems to be more evil, know I am close and all evil will be destroyed, for I won the battle by My Death on My Cross to save each one for Eternal Life with Me, to bring you to Paradise. I love and bless you, for I am your Father, Son, and Holy Spirit.

May 9, 2019

My dear one, tell My children to call on My Saints, for they also lived on earth as each one of you do now. Each day, if you would ask one of them to come to your aid and call on them by name, they would come help you. If you learn about them, you would understand, many of them had very hard paths to walk while they were on earth. And, yet they continued on and kept their faith. You are now living in a time when you face many uncertainties in your world and it is not easy keeping up with your state in life. Each and every day, you face trials and tribulations and sometimes you are hurt by others. My Saints in Heaven have also lived on earth and faced many trials and tribulations but they faithfully followed Me and kept their faith. I am calling each one of you to follow Me and keep your faith alive. My Saints are now in Heaven and wait to be called to help you and will come, for they now share perfect union with Me and that is holiness, and they pray that you will also continue on and receive perfect union with Me and become Saints. I love and bless you in the name of your Father, Son, and Holy Spirit.

May 10, 2019

My dear one, pray each and every day for My Holy Church. My faithful ones, who are older now, remember how when they were small children, they received the truth of their Holy Catholic faith, and now evil has entered My Church. The evil ones want to change My laws. My Holy Church is not a church of compromise where sin is accepted. Sin is still sin, no matter what the world tells you or what sins they make legal according to their laws. Wake Up! By accepting sin, satan has the power he needs to destroy everything that is good. Your laws have murdered hundreds and millions of your own children in their mother's wombs through satan's influence. Your governments continue to make laws that sin is legal. My faithful ones know better. You must decide and make your own decision by the way you live, if you follow Me or not. You live upon earth to decide where you will spend eternity and I gave all of My children My Laws and Commandments to live by so we could share Eternal Life together. I love and bless you, in the name of your Father, Son, and Holy Spirit.

May 11, 2019

My dear one, pray, for so many of My children in the world that are not loved. So many live in fear and abuse. The drugs in the world have spread and there are so many addictions. Once someone is on drugs, they will do anything to get them. When My children are not loved, they turn to many evil things to make up for the way they feel. All of My children need to know what love is and that they are special and wanted. When someone thinks they are not as important as My other children and develop an idea that they are not good enough, it is because no one has ever given them love and taken the time to help them realize how special they are. Many of My children do not know Me, for no one brought them to church or taught them to pray. When I come as Jesus of Love and Mercy, each and every one will realize what love is and each and every one will be given a chance to realize why their God and Father created them and how very special they each are. When I come, each and every one will have a new life with Me forever and each one will know, there is no greater love than God the Father has for every child that gives up sin and comes home to Him for Eternal Life, to live forever in love, joy, and peace. I love and bless you, in the name of your Father, Son, and Holy Spirit.

May 13, 2019

My dear little ones, I come to you today as a loving Mother. I am very pleased with each one of you. When you pray your Holy Rosary together, you pray with love from your heart. As you realize I called each one of you and you answered My Call (and I am a very proud Mother), your prayers ascend to Heaven and it gives all of Heaven, joy. My dear ones, I understand the evil times My children are living through, but you must not fear or worry, for My Mantle is wrapped around all of you with My love. I will always be with you and your prayers and strong faith will help Me crush satan. My Holy Son is also here and will now give you a message.

I am here today as your Jesus of Love and Mercy. I come today to ask each of you to continue on, for you are walking the path I have chosen for each one of you. The days ahead are not going to be easy when you hear of all that is taking place around you. Do not despair. Just say, "Jesus, I trust in You", and really trust Me and know I am coming soon. And, I will crush all evil and you, My children, will come into My New Heaven and Earth. You will have love, joy, and peace forever. I have chosen each one of you for a special mission and you will know in your hearts what I wish for you to do. Remember, you were chosen for these times before you were born and each of you were born with a special seed to love Me and My Holy Mother and to do God, your Father's Holy Will in these last days. Be joyful, My dear ones, for yes, you are seeing the most evil of times, but you will also see more miracles than ever before on Earth and each one will see Me soon, as I come to you as your Jesus of Love and Mercy. When I look into your eyes, you will realize how special you are and how much you are loved. I bless you, in the name of your Father, Son, and Holy Spirit.

May 14, 2019

My child, pray for your country. The threat of war is real and your President is sending many ships, planes, and men to protect your forces that are stationed near Iran. Iran wants to kill and destroy. They want to take over Israel. You will see more and more signs until war breaks out and many countries become involved each day. Pray and do not fear. Everything in Scripture is now taking place. For many years, you and the ones in unity with you have been praying and preparing for these times. Know I am with you and will not leave you. All evil will pass and I will come, and My loving faithful ones will never cry another tear, for they will have Eternal Life with Me and death, sin, and all evil will be gone forever. You will all have everyone you ever loved with you. For I am God, your Father, and I am coming to bring all My children home to Me forever. I bless you, in the name of your Father, Son, and Holy Spirit.

May 15, 2019

My dear ones, your faith in Me is being tested, now, by the evil one. Satan wants to destroy My children and their faith in Me. He believes he can destroy My Holy Church and all who believe in My teachings. Prepare, My faithful ones, for your love and faith in Me will be the weight of your Holy Mother's heel that will crush him. You are My loyal servants who were chosen before you were born for this time on earth to live. You have loved your Holy Faith since you were small children and you know Me, your God, and I have not forgotten you or My Promise to you. The gates of hell shall not prevail against My Holy Church. Believe and trust in Me, for you will see victory. I will not allow My Commandments and Laws to be disobeyed any longer. For I am coming soon and all will be given to come to follow Me and give up sin. Pray My dear, devoted ones, for you are living through the darkness of sin and evil. Many have listened to satan and rejected your God. Sin is sin and evil lifestyles cannot be accepted. I have given My children free will and I have warned you what would happen when My children go against My Laws. I must intervene because if I do not, your world would cease to exist. I love each one and am calling all My children to give up all evil and come to Eternal Life with Me. I love and bless you, in the name of your Father, Son, and Holy Spirit.

May 16, 2019

My dear children, many today do not believe in Hell, but Hell is real and those who sin and refuse to repent of their sin, follow a path that only leads to Hell. Hell is completely opposite to Heaven. But, do

Shrine of the Christ Child Messages

not despair, My dear ones, for no one goes to Hell except those who do not wish to know Me. Yes, all have fallen short, but I will give each one a chance to come back to Me. Do things now in love and make your life a prayer. Offer many prayers for the ones that are now in Purgatory, for their only desire now is to come to be with Me in Heaven. Remember to pray for those you meet in your everyday life, also. Become a prayer warrior and fight the spiritual battle of sin. And, believe this time of trial will end and your time of love, joy, and peace in a New Heaven and Earth shall arrive. I love and bless you, for I am your Father, Son, and Holy Spirit.

May 17, 2019

My child, tell My children, now is the time to pray and fast. Do not let satan trick you into thinking that nothing is going to happen, for all is happening now, each and every day. The evil is spreading everywhere. This Age of Evil will end but I will remain forever. You look forward to My Second Coming. You see the darkness around you but you are My Children of Light. Clothe yourself with righteousness and come to Me. Be ready, for I am preparing you for battle and My Word to you is, "Be Prepared, Watch and Pray, for the Hour is Fast Approaching." Prepare yourself for victory. A second chance will be given to all God's children by Divine Mercy, and in a matter of seconds, all will change. I am calling each one to Me. Hope in Me and have faith, not fear, for I am always with you. I love and bless you for I am your Father, Son, and Holy Spirit.

May 18, 2019

My dear little one, tell all My children to pray for all the storms that are taking place around you. There is an outbreak of tornadoes and many more to come. Many will be left homeless and some have lost everything they own. I have asked all My children to pray each day and live in My Presence, for you do not know what a day may bring. I am always with each one and only I know how many days each one has on earth before you come home to Me. Keep yourself ready. Go to Confession. Your greatest treasure is your soul. You live on earth to decide where you will spend eternity. If you live a life of love, you will spend eternity in Heaven. If you live a life of sin and do not repent, you will go to Hell. You all make your own decision by the way you live your life. When you do for others and love others, you do this for Me. If you hurt others, you hurt Me. My Warning is near and if you do not change your sinful ways and refuse to repent of sin, you will not escape My wrath. Trust in Me and repent of all sin and I shall guide you through this time. Walk My path of trust and you shall be a part of My Remnant and enter My Paradise to come. I am coming. Stand firm in your beliefs, not what the evil ones are trying to tell you. Sin, My children, is still sin. That will never change. Believe and keep your faith in Me, your God, and together we shall overcome all darkness and evil and the battle between good and evil will end, and My faithful ones know by the death of your Jesus on His Holy Cross, the battle was won and all sins can be forgiven. By His sacrifice, He came to earth to live and die and give His all so you could all come to Eternal Life with your God and Father. Die to yourself. Reject sin and find peace. Time is passing very quickly. Make yourself ready. I love and bless each one, in the name of your Father, Son, and Holy Spirit.

May 19, 2019

My dear one, you receive many calls, asking for prayers. Tell My children to believe in My unconditional love for each one. All things are possible. Tell of My calling each one and waiting and longing for each one to come to Me. Remember, I hear all prayers and I understand everything that each one is living through. So few realize how close I am and so many do not realize what is happening in the world at this time. Never before have My children given into sin and have accepted it into their lives so freely. Governments force My children to accept sin as part of their law. Read the signs of your times. Chastisement must come. Satan wants to destroy My earth and sin has given him power. Everything is accepted; abortion is the sacrifice of My innocents, sinful lifestyles, war is everywhere, and one natural disaster after another and even My Holy Church is going against My laws. Do not be blind and foolish. Look at the signs before you. Come to Me. I will give you peace. Obey My Commandments and love. It is the natural way of life and I created each one to live by loving one another, not to hate or gossip, or

Shrine of the Christ Child Messages

to have greed, or envy one another. Trust in My love and I will give you joy and you shall feel My Presence in your hearts. I love and bless you, Father, Son, and Holy Spirit.

May 20, 2019

My dear child, time is very short now but do you realize, as the days pass so quickly, evil will also pass? All My children will be given a great gift soon, in My Warning. All will be given the chance to come to Me, give up all sin, and have Eternal Life. Can you imagine the day when all my loved ones are reunited once again, when all My children will be loved? No one will ever die, for all sickness and evil will be a thing of the past, no more war, only love, joy, and unending peace. Look ahead, My dear ones, all the evil shall pass. Be happy, for each one has a chance to have Eternal Life with the One who created each one to live forever with Me. I love and bless you, for I am your Father, Son, and Holy Spirit.

May 21, 2019

My dear one, today, as you prayed your rosary, I told you each prayer said from the heart is like a ladder to Heaven. As each bead passed through your hands, you felt yourself raising and coming closer to Me, and Jesus, and your Holy Mother. You felt peace and wanted to pray more. You knew in your heart each prayer was heard. You felt angels and saints praying with you and you thought of all your loved ones that are with Me now. In your mind, you could see each one. My child, this is all real. When My children pray from their hearts, I allow My angels and saints and all the ones they shared their life with, to join them in prayer. If only all My children would realize how close all of Heaven is when you pray. Your heart, mind, and soul leave the world and you enter in My Peace, I give you grace and blessings, and you are surrounded with Holy Angels. All the Saints you call on and love, and all the ones who loved you on earth that are with Me now, they come to be with you as you pray. If all My children would realize what they receive when they pray from their hearts, they would pray so much more, for it gives all of Heaven joy as each prayer is heard, for all of Heaven wants to share what they have with all the ones that are still walking their journey on earth to come home to Me. I love and bless you, Father, Son, and Holy Spirit.

May 22, 2019

My dear faithful ones, as I sit here with you today as you pray together, it brings Me much joy. You have always been told, when two or more are gathered together to pray, I come to be with you. If you could see the many Angels that have also come today to surround you, you would be amazed. Also, your Holy Mother Mary is with you today. She loves all of Her children so very much, just as each one of you have loved ones you pray for and care about, She cares so much for all of God's children. When We come to join you as you pray, it helps to let you really realize that each prayer is heard and we come to join you. Also, My children, remember to call on My Holy Saints, for they also walked on earth, just as you do today. The times you are living in seem to be in complete turmoil, but when you stop to gather and pray, you leave the world and all the confusion behind you. Offer each day up to Me and live in My Presence, for I am truly with you each and every minute of each day and I know you and knew what you would live through before you were born. Never fear, for you will always have My love and protection, for you are Mine and I would climb upon My Holy Cross once again to save you and bring you to Me. I love you more than you can imagine. I am coming again and this time, as your Jesus of Love and Mercy and you will realize how much you are loved and how precious you are. I am calling each one to let the world go. Come to Me, walk with Me, obey My Commandments, and have Eternal Life forever. I love and bless you, Father, Son, and Holy Spirit.

May 23, 2019

My dear one, I am with each one of My children and I want each one to have peace. Many times each day, if only My children would just stop for a moment and close their eyes and let Me hold you and know I am really with you and let your soul rest in complete union with Me. I want My children to have no fear of the future, for I am walking with you and I am your comfort for every sorrow. I want to draw you into My Sacred Heart, where you will have the security of My love, for I want your love and I want for each one to know Me, for I am your Jesus. I also walked paths of difficulty and hardship, and I understand

Shrine of the Christ Child Messages

what each one of you live through. Come to Me, lay everything at the foot of My Cross and pray and love. Together, we can work everything out. Just learn to trust Me. When you have a situation that troubles you, ask yourself, "What would My Jesus do?" Come to Me, bring Me your troubles, for I am God and I wish to bring you relief. I love you and I am calling each one to spend more time with Me, for I am your Father, Son, and Holy Spirit.

May 24, 2019

My dear one, My faithful children are trying to serve Me and it is not always easy, because your world and satan wants to pull you away from Me. Do you see how important it is to get up every day and say, "Yes" to your God, despite the difficulty, temptations, and hardships? You do not see My plan for your life but if you pray and have faith, you can offer each day to serve your God, for you cannot do anything without Me and we can do everything together. Serve Me faithfully and you will know Heaven and, My dear ones, you will be overwhelmed with happiness. Bring every trouble to Me, for I am with you and I seek to help you. Draw closer to Me and let Me help you. Be at peace and tell Me everything and we will work everything out together. Do not fear, for I will never leave you and want each one to know Me, love Me, and serve Me, so we will have Eternal Life and happiness together. I love and bless you, in the name of your Father, Son, and Holy Spirit.

May 25, 2019

My child, tell all My children to Pray, Pray, Pray. You have heard of all the tornadoes, flash floods, and storms. So many are suffering. Do My children not understand I must drop My Hand on a sinful world? So many of My children are being murdered by abortion and in many of your states, abortion rights activists say, "My body, my right to do with it as I please, it is my choice". Who has the right to kill? Life does not matter anymore. When My faithful ones stand up for life, people start to march for their right to kill. Abortion must stop. And, I will drop My Hand on an evil world that now believes they have the right to do anything. I gave My children Commandments and I said, "Do not Kill!". Then, so many countries want to destroy one another, kill each other for power, more greed, and hate. Nuclear weapons are being made in great numbers. My children do not even care who may be destroyed, as long as, they can kill one another and have more control. Governments are passing laws to make sin legal. I Am Coming. I will put a stop to all evil. I did not create My children to live in sin. Each one will see their sin and each one will have a chance to change. If they refuse and go on believing they have the right to sin, they will see who is in control. Open your eyes! No one has the right to disobey My laws. Pray, for your days are numbered. Evil must be destroyed and I must now drop My Hand on your sinful world. I love and bless you, Father, Son, and Holy Spirit.

May 26, 2019

My dear one, I am calling all My children to pray, for the times My Holy Mother has been warning you about are here and now. She came to call the world to conversion but many will not listen. She asked for all of God's children to make your life a prayer and to offer your work as a prayer so that everything you do brings you closer to Me. She told all Her children She would pray for them and intercede for all of you before God, your Father, so that you would understand the greatness of the gift your Father gave to His children, that She could come to give you messages as never before on earth in history since the beginning of the world. The messages were given to transform your lives. The words were from Heaven by the coming of My Holy Mother. God, your Father, was giving you all great graces. She asked you to pray for peace. Your world does not understand that it makes evil appear good and denies the existence of sin. My faithful ones need to pray, as much as you can, and let God lead you to what He wants you to do and where He wants you to go. Your Father in Heaven will guide you. The children who have answered your Holy Mother's call, you have been very blessed. Pray to the Holy Spirit for enlightenment and as Our Mother Mary said, pray, pray, pray. I bless you, in the name of the Father, Son, and Holy Spirit.

May 27, 2019

My Little One, I come to call all My faithful ones to be with Me in Adoration. I wait for each one. Come to Me in confidence that I am waiting for you. If you are suffering, I will help you, for I have the power, wisdom, and goodness to aid you in all your miseries. Come before Me, for I know everything about you. Let Me love you and speak to your heart. My love and I could never abandon you. Let Me fill you with My love and true peace. My dear ones, if you knew how much I love you and long to be with you, you would come often to be with Me. Your prayers could help the poor souls in Purgatory and all the non-believers who don't know Me. I will take your prayers and intentions into My Sacred Heart. Your love and prayers will go before God, your Father and ascend to Heaven. When I tell you, I am with you, I am really with you. I see the world from your eyes. I walk your walk. I feel the weakness and pain in your body, as you do. When you are ill, focus on the fact that every minute of every day, your Jesus is with you. Talk to Me. I have so much to tell you. Once you rely on Me, your life will become less stressful. Trust Me and believe I walk with you. I bless you, in the name of your Father, Son, and Holy Spirit.

My Little One, trust in Me and tell My children to prepare, for I must put an end to the evil that is now controlling your country and the world. Do My children realize how many of My precious innocent ones have been aborted? Why do so many think they have a choice? Abortion is murder. How can a Mother kill her own child? Children are a gift; a blessing from God. Look around. Is nothing sacred anymore? Life is a precious gift. When you were very small, the first thing you learned was, who made you. God made you. Why did God make you? To get to know Him, love Him, and serve Him. So many do not know Me or love Me and only want to serve themselves. Some are so selfish that they can kill a child before it is born. How can they justify such a sin? And now, some states have passed a law; it is just fine to kill a baby at birth, if the mother does not want the child. This is the last straw. I must put a stop to the evil so many believe in. You have seen many storms. Believe Me, this is just the beginning. Mankind is calling My justice down on himself. I gave My life for each one on Calvary, so you could be forgiven. I paid the price for your sin, but you must ask for forgiveness and repent of your sins. Wake up, see the signs all around you; a great and terrible chastisement that mankind is calling upon himself. Come to Me now and seek forgiveness, for I am about to put an end to the evil and sin that consumes the world. Only the ones that come to Me and are truly sorry for their sins and seek forgiveness will have Eternal Life with Me, full of love, joy, and peace. Pray, My children. Trust in Me and make yourself ready. Believe Me, all has begun. I will cleanse your world of all evil. I love and bless you, in the name of your Father, Son, and Holy Spirit.

My little child, I want My children to forgive anyone who has hurt you or caused you pain. To forgive, you must forget. Satan will work on you to make the hurt and pain much more than when it happened. He wants to take your peace away. If I could forgive the ones who crucified Me, can My children learn how to forgive others? You talk about forgiveness, but do you have forgiveness in your hearts? You must not hold on to hurt, anger, and envy. Forgiveness is love. When what happened comes into your mind, you must forget it immediately. Do not let it sink into your mind and heart. If you want to follow Me, you must love and forgive others as I did. I will help you, if you ask Me with an open heart and mind and then you will have true peace. Let everything go, die to yourself, give everything to Me. Trust Me. Little time is left to change your lives. Without faith, you have nothing. With faith, you have Me and I can work miracles through you. Believe, My children, the more you believe in Me, the more you will work on removing all sin and unforgiveness from your life. I love you and am always with each one. Live in My Presence and let Me lead you each day, and I will lead you to Eternal Life. I love and bless you, for I am your Father, Son, and Holy Spirit.

My Dear One, your world is blinded by sin. So many of My children live in sin and do not care, because the world you live in has made all sin acceptable. Even your media is controlled by satan. So few can

see what is really happening around them. I gave all My children My Commandments and Laws to live by. They are the Truth, not something out of date. They are from the beginning and will be forever. Each one will stand before Me. Wake up, look deep within yourself, realize how much I love you and why I am calling each one to come to Confession and ask for forgiveness now. With a true repentance from your heart, all sin is forgiven. I love all My children but My justice must come to a sinful world that disregards My Ways and Truth. I will show everyone in the world how their sins have offended Me. If you believe now and follow Me and give up sin and pray, then you will be ready when I pour My Spirit out upon the earth. It will be a time of great joy for you, not great pain and sorrow. I love you and you know Me. By being ready, you can help others come to Me. Come and follow Me now. I love and bless you, in the name of your Father, Son, and Holy Spirit.

My Little One, tell My children, peace is My plan; for peace in your hearts, peace in your families, and I want you to radiate that peace, that only comes from Me, to others. Each and every day, you hear about all the evil in your world and all you see is sin. People don't seem to care about one another and most don't have time to pray. You hear of wars and rumors of wars. You see people marching and saying abortion is a woman's right. Families don't seem to stay together. Many are too busy to come to church and take time to know Me. So many are on the wrong path. Know, My children, a new beginning awaits all of you, just have faith and wait, for I will move among you in power. The moment and hour shall come and I will cleanse your world of all evil. In a matter of seconds, all will change. Remain awake. I am preparing you for battle. Watch and pray, for the hour approaches. I am calling you to be My Children of Light. Let My love and goodness radiate through each of you. Do not be afraid. Keep your faith strong. A new outpouring of My Spirit will be given. Time is passing quickly. Will you be ready? This will be a second chance for all. Will you be able to stand before Me as a child who follows Me? My Hand must drop and the ones that refuse to obey, will not have Eternal Life with Me. Continue to have faith in Me despite the darkness and the gloom. You will know peace in the midst of all trials. Trust in Me and pray. Ask My Holy Spirit to enlighten you. Love one another. Be prepared. I love and bless you, in the name of your Father, Son, and Holy Spirit.
