My dear one, tell My children, My dear St. Padre Pio, gave you a very special prayer to do after you receive Me in Holy Communion. The name of the prayer is, *Stay With Me, Lord*. Carry this prayer with you now. Take the time to recite it after you are blessed to receive Me in the Sacrament I left to each one at My Last Supper on earth. I want you to call Me to be with you in these times in which you are living. Many come to Me and pray and ask to be delivered from their crosses; so few ask for the strength to carry them. When I Stay with You, you receive the strength, courage, and fortitude to carry your cross and go on. My Saint Padre Pio knew each one has a mission and that is why you are on earth today. The times are becoming very hard to live through and your test is to keep your faith and know, by following Me, soon all crosses shall be put down forever and My Kingdom shall come and My Will shall be done. I want to give each one My peace to live with, instead of worry or fear. When you hear of storms, evil, war, and rumors of war, pray and know I am with you. Fear is from the evil one. If you believe I am with you, you shall have My peace and love to come through each day. By your faith, you will be able to help many of My children come to Me. I love and bless you, and My Divine Will is to be with you and bless you with the gift of knowing I am with you and you live in My Presence, for I am your Father, Son, and Holy Spirit.

St. Padre Pio's prayer referred to in 8/1/19 message above:

Stay with me, Lord, for it is necessary to have You present so that I do not forget You. You know how easily I abandon You. Stay with me, Lord, because I am weak, and I need Your strength, so that I may not fall so often. Stay with me, Lord, for You are my life, and without You, I am without fervor. Stay with me, Lord, for You are my light, and without you, I am in darkness. Stay with me, Lord, to show me Your Will. Stay with me, Lord, so that I hear Your voice and follow You. Stay with me, Lord, for I desire to love you very much, and always be in Your company. Stay with me Lord, if You wish me to be faithful to You. Stay with me, Lord, for as poor as my soul is, I want it to be a place of consolation for You, a nest of love. Stay with me, Jesus, for it is getting late, and the day is coming to a close, and life passes, death, judgment, eternity approach. It is necessary to renew my strength, so that I will not stop along the way and for that, I need You. It is getting late and death approaches. I fear the darkness, the temptations, the dryness, the cross, the sorrows. Oh, how I need You, my Jesus, in this night of exile. Stay with me tonight, Jesus, in life with all its dangers, I need You. Let me recognize You as Your disciples did at the breaking of bread, so that the Eucharistic Communion be the light which disperses the darkness, the force which sustains me, the unique joy of my heart. Stay with me, Lord, because at the hour of my death, I want to remain united to you, if not by Communion, at least by grace and love. Stay with me, Jesus, I do not ask for divine consolation because I do not merit it, but the gift of Your presence, oh yes, I ask this of You. Stay with me, Lord, for it is You alone I look for, Your Love, Your Grace, Your Will, Your Heart, Your Spirit, because I love You and ask no other reward but to love You more and more. With a firm love, I will love You with all my heart while on earth and continue to love You perfectly during all Eternity. Amen

Each day seems to come and go very quickly. How many of My children take time to be with Me? I want My children to call on Me and let Me enter into their hearts. My children need to know I died for each one. All sin can be forgiven. Just come to Me in Confession and have a true heart. I will forgive all sins and you can have a new life with a new beginning and look forward to Eternal Life with Me. All My children have faults. Surrender all weakness to Me and I will give you the strength to overcome them. I love all My Father's children and want each one to be victorious over evil. Realize how special they are and all they can be and each one can help other sinners give up evil and turn to Me. I will give you blessings from Heaven and each one will be passing blessings to others. Obey My Commandments and love one another as I love you. Remember you should love your God with all your heart, your whole soul, and with all your mind, and love your neighbor as yourself. Love, My dear ones, is the answer. I love and bless you, for I am your Father, Son, and Holy Spirit.

My dear one, come to Me and have My peace. It made you cry today when you heard about the mass shootings in Texas. You asked Me, "My dear Jesus, will the evil ever stop?" My child, satan knows his time is almost over. You will see much more for he is trying to destroy so many of My children. I am coming soon, My child, and I will cleanse all evil. Pray with a good heart, pray with strength and conviction, pray, trusting My faithful ones have a deep understanding of God's love. You all have received a great abundance of grace and you have become united in unity and your prayers are very powerful. He has set each one of you apart, that He may use you to crush evil. You are loved deeply. Place everything in your heavenly Father's hands and trust, trust, trust. You will see all evil destroyed and when all these dark days pass, you shall witness My Kingdom to come and only love, joy, and peace will surround each one. I love and bless you. Stay on the path you are walking and carry your cross a little longer, for soon all evil will be gone forever. I love and bless you Father, Son, and Holy Spirit.

August 4, 2019

My dear one, tell all My children, I come today as a loving Mother. Yes, I am very sad to see more evil today in your homeland. Pray that evil will be conquered. You, My faithful ones, are armed and you are ready. All of Heaven stands with you. Be alert and pay attention. You have Angels and the Saints, and you have God. You have this Mother and you have one another. Be constant in prayer, trust in God's power, and be grateful that you have decided for God and have your faith to bring you through the darkness that is all around you. You are to rest in My Immaculate Heart and My Son's Sacred Heart, and know our love and peace surround you. I am so proud of My unity of My children all over the world that pray for peace and for My Son to come once more, as your Jesus of Love and Mercy. He shall cleanse the world and My heel shall crush satan and My children are the ones who are the weight that will help crush all his evil forever. I love and bless you and call you My Own Faithful Little Ones, for you make Me a proud Mother. You have blessings from Heaven in the name of your Father, Son, and Holy Spirit.

August 5, 2019

My Child, when are My children going to understand how much prayer, fasting, and sacrifices are needed to overcome darkness that is overtaking your world? Purification is on its way. Sin will cause so much suffering and disaster but those who serve God will have no reason to fear. Final times are near. The Chastisement will bring the collapse of your economy, a One-World Government, the rise of the Anti-Christ, and a terrible World War, persecution of the Faithful, and a great schism in My Holy Church, and the Three Days of Darkness. You have been with Marie Esperanza. You have seen her cry over China. She said the Asian nations would all join and try and take over the whole world. My dear children, pray your Rosary daily. Repent of all evil that you have ever committed. It is time to purify your souls. The third world war is near! Do not be frightened. The peace of God is with you. Just trust and be ready and pray, pray, pray. I love and bless you, and remember, I will never leave you, for I am your Father, Son, and Holy Spirit.

August 6, 2019

My dear one, each and every child of Mine is on earth for a purpose. I have given each one angels to be with them through their lives. Your relatives and friends, I place in your life are very important. Love everyone I send into your life each day and be happy for the ones I have called home before you, for each one prays for you and cannot wait until you are all together once more. Each one of you have a mission you can accomplish that I have set out for you to do. You must have faith and dedicate yourself to My Holy Will. What you do for others, you do for Me. My Holy Spirit will guide you, and in your hearts, you will know My Will for you. Unite yourself to Me in Spirit, in words, and in your actions. Do not worry about tomorrow. Take what I give you today and thank Me for everything and have confidence in Me. Rest in My Heart and when you suffer too much, come to My Heart and let me love you and give you peace. I love and bless you, in the name of your Father, Son, and Holy Spirit.

My dear little ones, I come to you today as your Jesus. I come to you as you pray to Me as the Child Jesus, because I am your God but I have also been a small child. I come as your Savior who lived on earth just as each one of you do now, and I come to you with all My love as your Sacred Heart and I shall come once again as Christ your King. As I watch and listen to your prayers, I understand each hurt. I see the love you have for one another and the pain you feel when one is sick or hurt. You pray for them with love and sincere hearts. My little ones, you each care and love others; if only the whole world had the love and caring you have for others, evil could not exist. I am full of pride for each one of you, for you have given Me your love and devotion and are following My Ways and My Truth. I am blessing each one you are praying for today and I want you to know I always do what is best for each and every child. I understand, when I call someone home to Me, it is very hard on the ones left behind. But, My dear little ones, death is not the end but is the beginning of Life Eternal for the ones who love Me. The day you come home is the life that each one is living for on earth. Once My children see what I have waiting for each one, those in Heaven are so full of love, joy and peace, that they want to stay. Some do wish to come back for others and sometimes, I heal them and give them a little more time to complete the reason I gave them life in the first place, and yet they long to return to Me. So, remember, My dear little ones, you die each on earth for a reason and it is Eternal Life you live for. I love each one so much. I want you to live forever. I will do what is best for each one you are praying for and each one will be so happy and joyful by your prayers today. I am sending many blessings and graces upon them. And, I also bless each one of you for praying and loving others as I did, for you are My unity of children that will help usher in My Kingdom to come where My Will shall be done, and none of My children will ever be sick or unhappy again and death will be gone forever. Only life full of love and joy will exist. Be ready, for I am coming. I love and bless each one and seal you once again in My Holy Cross. Amen, for I am your God, Son, and Holy Spirit.

August 8, 2019

My little one, tell all My children to have joy. Living in the Presence of your God will fill you with joy. God, your Father, sent His Son to earth to give each one joy. When Mary was told that She would have a Son by the power of the Holy Spirit, did She say, "My spirit rejoices in God, my Savior". When She ran to Elizabeth to tell her the news, St. John jumped with joy in Her womb because Mary carried Jesus to him. When Jesus was born, everyone had joy, the shepherds, the Angels, the Kings, Joseph and Mary. Why do you sing Joy to the World, the Lord Has Come? Joy, My child, is love. I understand the evil in your world; the sickness, suffering, persecution, that all My children are living through. But nothing can separate you from the love of Christ. To spread joy to others, you receive the light of Christ and others will want to be with you. Joy is love, joy is strength, joy is prayer, and knowing someday you will possess the Kingdom waiting for you. Sometimes, it is so hard to be joyful. Sorrow in life can take the joy away. But, when you accept your cross and still have joy, you know you have the hope of Eternal Life and happiness. Then, you will radiate joy daily because you know Jesus loved you each so very much. He gave His life so your sins could all be forgiven, so you could be in My Kingdom to come and have joy forever. I love and bless each one of you, in the name of your Father, Son, and Holy Spirit.

August 9, 2019

My dear one, pray and tell My children, being on earth is a great gift from your God, but it cannot compare to your true home in Heaven. Live in perfect union with God and go to your Father every day and offer everything in perfect union with Him. Your world is passing very quickly. Life is short and sometimes very bitter. When you suffer trials, you must rise above them and offer everything to your Jesus as He gave His life for you. Meditate on your lives and repair past damage. Love where you failed to love. Ask and pray to God your Father to send His blessings where you have failed to love. Pray for blessings on every person whoever came into your presence, from the moment you were created to the present day. Pray for everyone. We are all children of God. Invoke the Holy Spirit to help you know what to do each hour of your life. You have no idea of what you have done until you see yourself as I do. Give to God all sufferings and all good actions, so not a day is wasted and you will be

ready. Ask yourself, what would Jesus do? Start practicing loving as I love you. See goodness in others. Love is wishing everyone the best. Love is putting others first. Love will heal you through the Spirit. I want you touching others with My love. Allow Me to take over your heart. Time is short. Give up all attachments to the world and trust Me. Follow Me and let Me lead you into unity with Me. I bless you, in the name of your Father, Son, and Holy Spirit.

August 10, 2019

Little one, My faithful ones know, soon, My Hand must fall and there shall be no warning. Cities in your country are corrupt and your world is worse than Sodom and Gomorrah. I had to destroy that city. Why have so many turned their back on Me? Your country will fall from sin. Soon, I shall shake the earth as never before. Ask My true believers to bend their knee in prayer for the devastation in your country shall be great. I am a loving God. The ones that seek Me and ask forgiveness will not be turned away. Pray that more of My children will give up the sinful way they live and come back to Me. I must take action, for most continue their lives of sin without even caring. I must chastise the world. The punishment from Heaven is imminent. You must pray and do penance. Your Holy Mother came to earth at Fatima and warned the world that many nations would disappear from the face of the earth, and still, many do not care. A terrible darkness has descended over the world and never have so many of God's children lost their faith. Pray, My faithful ones, pray. I am always with you to bring you through the darkest times that are so evil. I love and bless you, in the name of your Father, Son, and Holy Spirit.

August 11, 2019

My little one, you had so much joy at Mass today. When My faithful ones attend Mass, they understand how very beautiful it is and know the true meaning of the Holy Mass. It is really Heaven on Earth and yet so many come to Mass and do not see the supernatural miracles that unfold before them. When you are blessed to attend a true Mass, you are surrounded by Holy Saints and Angels. At each Holy Mass, I give Myself to each one. I cannot wait for you to come into Communion with Me. When My faithful ones come lovingly to Communion, we become part of one another. When you recite the Apostles Creed, it is who you are and what you believe in. Do you know when you come to receive Me in the Blessed Sacrament of the Holy Eucharist, you are doing the same as My Apostles at My Last Supper; they were blessed to attend and so are you. Realize what a gift it is to attend a Holy Mass. Come to Confession, be sorry for your sins, and receive Me with a pure heart and soul. I hear you when you say the Our Father. You ask for My Kingdom to Come and My Will to be Done on Earth as it is in Heaven. Know I hear you, and by your faith and love, you shall help usher in My Kingdom, a New Heaven and Earth, where as a loving Father, My Will shall be done and My Kingdom shall come. I love and bless each one, for I am your Father, Son, and Holy Spirit.

August 12, 2019

My dear one, life on earth is a test. Each and every day My children encounter trials and tribulations. Most worry and tend to become upset and forget to come to Me in prayer. Each one on earth was given a special Angel. You are now living in the times your Holy Mother gave the predictions at Fatima would come, if the world would not change and give up sin. Each day, you can see the Battle of Good and Evil and evil has increased everywhere. But, remember, St. Michael and His Angels are fighting against the dragon, and the battle was won by the death of your Savior on His Holy Cross for each one of you who choose to give up sin. My Warning shall come soon, for every father must discipline his children. My Warning shall come out of My Love and Mercy for My children, for I wish for all My children to live in perfect peace and come into communion with Me. I must cleanse each child and cleanse the world of all evil. Come to the Sacrament of Confession. Prepare, My little ones. Out of love, I will let each one see themselves as I do and then each one will be given the choice to accept My Will for them and come to Me or reject Me and follow their sinful ways. I call each one to have Eternal Life together in a New Heaven and Earth, where as a loving Father, My Will shall be done and My Kingdom shall come. I love and bless each one, for I am your Father, Son, and Holy Spirit.

Shrine of the Christ Child Messages

My child, tell My faithful ones, the days are passing very quickly. It seems each day so much evil is taking place everywhere. In your country and the world, there are hate-filled threats against one another. Politics are always one side against the other, instead of trying to get along and do what is best for all. They are busy putting each other down. Some are so liberal, they are living a sinful life. Terror is everywhere. My children must stop. Come to Me, be still and quiet. You will know My Presence within you and receive the calm and peace of My Holy Spirit. When you pray, know I hear each word. Do not let fear of the future take you over. Believe I am always with you. So many of My children are full of love for one another and many have a strong faith. Trust in Me. Love others as I do and believe I will come and cleanse the world of all evil. My children shall know life full of love, peace, and happiness; no more fear of anything but complete joy with their God and Father, who gave them life. I love and bless you, Father, Son, and Holy Spirit.

August 15, 2019

My little one, tell My children to please pray for Pope Benedict, for he is a good and faithful servant and loves Our Holy Church. He suffers over what is taking place now. All of Heaven prays for him, for he has a broken heart over the evil within the Vatican. My faithful ones must believe in true doctrine and traditional forms of Catholic worship, Holy Mass, your Holy Rosary, daily Holy Communion, Confession and prayer. Obey My Commandments, love one another, for the way you worship determines what you believe. You serve Me by serving others. Read your Bible and believe in true Gospel. Remember to pray your Holy Rosary every day. Your Holy Mother gave fifteen promises. She said those who pray the Rosary every day will not fall into heresy, and if you have fallen and continue to pray the Rosary, She will preserve you from heresy. You have a true Catechism to pick up and read, if you have any questions. My faithful ones know the truth in their hearts. Pray your profession of faith, say the Creed, and listen to the words with your heart, for it is who My faithful ones are and what they believe in. I bless you, Father, Son, and Holy Spirit.

August 16, 2019

My dear ones, watch and pray, for the Day of the Lord will come as a thief in the night. Your world continues down the path of devastation. Do not put dates or times on your Lord, for no one knows except the Father. Just be prepared every day. Take these words very seriously. Pray more, take time for Adoration, Confession, let the world go, and worry about your soul. I love and bless you, Father, Son, and Holy Spirit.

August 17, 2019

My child, I told My disciples, if any man will come after Me, let him deny himself and take up his cross and follow Me. My faithful ones, it is time to follow Me and stop the worry over earthly things and more material gain, for if you gain the whole world and suffer the loss of your soul, what will you have? If you claim to be Mine, have you counted the cost of being My follower? I did not promise you to be rich or famous. I promise you the path I walked, the Way of the Cross. You must suffer to enter into My Kingdom. Do you realize My Mother and the Saints walked the same path? I tell you, if you follow Me and believe in your faith and live for your God, you shall suffer. I warn you to let go of the world, for persecution is coming to My faithful ones and it is already happening in many parts of the world. But, I promise you, I will never leave you or forsake you, and I shall bring you to My Kingdom where all suffering and evil will not exist. I love you and bless you, in the name of your Father, Son, and Holy Spirit.

August 18, 2019

My little one, My children have not paid attention to the warning given by their Holy Mother. Mankind is increasingly becoming more evil and sinful. A day will soon come which will cause My Wrath to chastise the world. Do not be frightened but wake up, My children. If you live in My peace and keep your faith, there is nothing to fear. Satan wants terrorism, Communism, atheism, and a world war. If mankind refuses My Love and Mercy, all of this will take place. Why do My children not see My Hand in the weather and natural disasters and all that is going on around them? Pray and fast and live in My

Shrine of the Christ Child Messages

Presence daily. Your greatest prophet for the times in which you are living is your Blessed Mother Mary. She has warned you. Listen to all She has told you. St. Faustina has given all of you her diary, telling you of love and mercy and the words I gave to her. Make peace within yourself. My Warning shall come. My justice shall wake up a sinful world. The ones that come to Me shall have Eternal Life. The ones that deny Me shall have eternal damnation. Make yourselves ready. I love and bless you, Father, Son, and Holy Spirit.

August 19, 2019

My little one, tell My children to let Me be part of everything. Make your whole life a prayer and offer all to Me. I will give you the grace to endure all trials. My peace will be with you. My faithful unity will receive all their needs from God, their Father. Love one another and put others before yourself. Continue to come together as a unity to pray. For many years now, you have gone to many places. At the time, you were in wonder of everything you were able to experience. All of this was My plan for each one. You learned to pray and have all grown in your spiritual life. You are all wise enough not to take the mark of the beast and have the strength and courage to reject the antichrist. The love you share with one another is My love. I have given you to one another and each one is a gift to each other. My Warning will occur. Every soul will experience a preview of their judgment. It will happen very quickly. All will know I exist and all will have the opportunity to repent. Pray for all, for so many do not even know of what is to come. Be ready to help all I will send to each one, to help in the times to come. I love and bless you, in the name of your Father, Son, and Holy Spirit.

August 20, 2019

My dear one, do My children take the time to realize, when they come and receive Me in My Holy Eucharist, they really receive Me, Body, Blood, Soul, and Divinity? I enter you and stay with you. I shed My Blood for remission of sins. Do you know, when you receive Me in Communion, all your venial sins are forgiven by My Precious Blood. When you come to Me and have made a true Confession, I help you and give you the grace you need to strengthen your soul. Come to Me as often as you can to receive My Mercy and Grace. You need daily cleansing of your soul to live in your sinful world. I love each one of you so very much that I would climb upon My Cross and suffer and die once again to save you and bring you to your Father's Kingdom and have Eternal Life with Me, for I am your Jesus of Love and Mercy, and I bless you in the name of your Father, Son, and Holy Spirit.

August 22, 2019

My child, as you came to pray tonight, you prayed for so many. It seems there is so much evil and so many are suffering. As you prayed your Rosary, you felt peace. You knew I was with you and felt the presence of many Saints, the ones you love that came home to God, their Father. You knew they were also praying with you. As a loving Mother to all of God's children, My Heart understands each one you were praying for. Tell all My children, when you come to pray with love and pray for others, My Holy Son and I take each prayer and place it before your God and Father. Always pray that His Will be done and believe in His love for each one. Never think your prayers are not heard if they are not answered the way you wish for them to be, for you have a loving God and His Will shall be done on earth as it is in Heaven, and He always does what is best for each one. Suffering in life is a test and you must pick up your cross and carry it, as My Holy Son had to do. Pray for the strength to accept your cross. Your Father, Son, and Holy Spirit will always help you and soon all crosses will be put down forever and you will have Eternal Life, full of love, joy, and peace. I am your Mother and I love and bless each one, in the name of your Father, Son, and Holy Spirit.

August 23, 2019 – The Seven Sorrows (Dolors) of the Blessed Mother

Little one, tonight, as you prayed the prayers of St. Bridget, you realize how much My Son loves each one. And, when you prayed the Seven Sorrows that I lived through, you realize life was not easy for Me. I understand all the suffering each one is given in their life and I pray for all My children and watch over them. I promised Seven Graces to My children whom would pray seven Hail Mary's daily and meditate on My Sorrows. I will grant peace to your family and they will be enlightened to the Divine Mysteries. I

will console them in their pains and accompany them in their work. I will give them as much as they ask for, as long as it is the Divine Will of My Son and for the sanctification of their soul. I will defend them in their spiritual battle with the infernal enemy and I will protect them at every instant of their lives. I also promise I will visibly help them at the moment of their death and they shall see the face of their Mother. I have obtained this grace from My Divine Son, that those who propagate this devotion to My Tears and Dolours will be taken directly from this earthly life to eternal happiness, since all their sins will be forgiven and My Son and I will be their eternal consolation and joy. Ever since you were a small child, you loved the Pieta with all your heart. That is why My Son sent you the same beautiful Pieta of your own, for you always wanted to wipe My tears away. Tell My children when they pray the Seven Sorrows and think about My Son's Passion and how I felt, they will understand My tears and sorrows and I will grace their loved ones with these graces, for I understand the love you have for your families that God, your Father, has blessed you with. And, when they suffer, you suffer. And, as your loving Mother, I wish to bless you with this gift when you come and pray and share My Sorrows and then I can help you with all of yours. I love and bless you from My Son's Holy Cross. He made Me your Mother, in the name of your Father, Son, and Holy Spirit.

August 24, 2019

My little one, My children need to forsake themselves and walk with Me. When you die to yourselves, I am able to live in you. I understand there are so many sorrows and much tribulation, but you need to trust completely in Me and realize whatever happens, I am with you. I will not leave you or desert you. I came as an infant to your home. I am the Infant Jesus of Prague. My Image is miraculous, when you come as a small and humble child and spread devotion to Me as a child and have confidence in Me. I am here to hear My children's prayers and give you peace. Did I not say the more you honor Me, the more I will bless you? I am the refuge of all who pray to Me. Your home is a place of honor to Me when My faithful ones gather together to pray and consecrate themselves to Me and believe I am there with you. I come to help all of God's children who come to Me and love Me as a small child does, full of trust and total belief. I will take every problem and trial My children give Me and always do what is best in each situation. So, do not despair, for I am here to send you consolation and aid, for I am the Child Jesus, Father, Son, and Holy Spirit, forever and ever. Amen.

August 26, 2019

My child, the world seems to accept all evil as a right for each person to decide what they think is right for themselves. I give My children My Laws and Commandments. A sinner who seeks Me is no longer a sinner in My eyes but a wounded soul on the way to the Light and Truth. Your weapons are prayer and your prayers are gifts from your hearts to My Sacred Heart. My pardon for your sins is assured for each in the Sacrament of Penance. And then, when you come to receive Me in Holy Communion, you receive Me and My love. Never be afraid to come to Me and confess your sins for I already know each and every one. I was hung on the Cross, suffered and died for each one so you could be forgiven no matter how scarlet the sin is. When you give yourself to Me with love, I bring you back to Me and forgive you. I am calling each one to give up the world and live My Truth. I love each one and wait for each one to return to Me, the one who truly loves them. I bless you, for I am your Father, Son, and Holy Spirit.

August 27, 2019

My dear one, tell My children to open their hearts to My Holy Spirit. When you let yourself be guided by My Holy Spirit in your being, you shall have its fruits and My peace. Apart from Me, no one possesses My Peace. The world wants to take you from Me. I am in the silence of your heart. Do not lock Me out. I am drawing near; I am at your door. Will you open the door to your heart and let Me in? My beloved ones, hold fast to your God and be against the heresy, for you know the truth. Put on the armor of your God. Stand up for the truth of your Holy Catholic Faith. The only law I give to you is to love with all your heart and mind and be faithful to the traditions of your true Faith. Do not doubt; be confident in My Power. Do not believe in false doctrine. Keep the same faith I taught My Apostles.

Nothing has changed for I am always the same Jesus and My teachings are the same. I love and bless you, for I am your Father, Son, and Holy Spirit.

August 28, 2019

My child, I come today to ask My Faithful Ones if they really trust Me. It is easy to say, "Jesus, I trust in You". But, can you really turn everything over to Me? Do you truly trust in your Father's protection? Can I protect you? I am the Creator that gave you life; you are My children. The days ahead will not be easy ones. But, if you really trust Me, you shall not fear. I want My children to live in My Presence and have peace. Do not worry about what may happen tomorrow, for I will be there. Take each day and love one another. Live each day, knowing your Father loves you and will always do what is best for you. Prayer will bring you peace. Do not worry over what is going on in the world or how evil it is. Give everything over to Me, knowing I am always by your side. Trust Me with everything and have My peace. Do not worry about your finances or the wars or rumors of wars. When you are ill, put yourselves in My Hands; just as a small child knows, when their parents are there, they are secure and know they are loved and protected. Do you not believe in the power of your God and Father? Look at all I created; the ocean, moon, stars, sun, and Earth. If I can create the world, can I not care for My children? I love and bless you, Father, Son, and Holy Spirit.

My dear one, do you see how one storm can change everything? You were going to leave for Florida when you heard of the storm. You prayed and asked to do My Holy Will. You were not upset about the change and not being able to go. You can see everyone getting ready for the storm to come. How many are praying and asking for My help? Pray, My child, for this hurricane is another sign. Will My children open their eyes and understand how quickly life can change? Everyone is so used to living with what they need. You are used to electricity and able to turn on lights, having food and water, and all needs always met. This storm will change life for many of My children. Pray for the ones in the path of this storm, for it will have much power and force. My children will all know that I am the one with the power. Pray, My faithful ones, for I hear each prayer and prayer can change many things. Soon, storms, evil, illness, death and wars, and hate, greed, lust, everything that is not of Me will be cleansed away forever, for I am coming and I will cleanse the world and My Kingdom shall come for all My children who come to Me and seek Me. For, I am the King of Kings, and the Lord of Lords, and I will come as Christ the King and set up My Kingdom of love, joy, and peace. I love and bless you, Father, Son, and Holy Spirit.

My child, tell My children I am a loving God. All those who seek Me shall not be turned away. You are seeing much devastation now and more and more evil. Each day, it seems there are more and more people trying to hurt and kill others, for no reason at all. Satan and evil have taken them over. You see all the darkness going on around you, but My faithful ones must be the light. Come to Me for I am preparing you for battle. Watch and pray. Do not fear, for if you have confidence in Me, you know that soon My Spirit will pour out upon the world. I will give all a second chance with Divine Mercy. The ones who repent and come to Me shall have My Kingdom and they will have Eternal life full of love, joy, and peace. So, when you hear of all the evil, pray and think of what is to come, for peace and love is My plan for My children, and you shall all radiate that peace that comes from Me alone. I love and bless you, Father, Son, and Holy Spirit.

My child, today, you came outside to pray your Holy Rosary. You felt Me and My Holy Mother's presence with you. You had such peace. You felt a gentle breeze upon you and just wanted to continue on in prayer. It is so good when My faithful ones come to pray, for My Holy Mother and I come to be with you along with your loved ones that have come home to be with Me. You are then surrounded by My Angels and every Saint you call by name. My children are never alone. The more time you spend with Me and pray, the closer you are to Heaven. The world you live in seems to be

spinning out of control but when you step out of the world and come to Me and pray, all that is going on around you stops and prayer brings you peace. Your mission is to love others as I love you. Love is My gift I bestow on all. Believe in the power of My love. Love is your strength; love is all. Let love be your goal. I bless you, in the name of your Father, Son, and Holy Spirit.
