March 1, 2019

My little one, please tell My children to have no fear about their future, for I am there. I want you all to spend time meditating on My Passion and this will let Me reveal Myself to each one and you will understand My love for you. The closer you come to Me, the more real I become to you. Your life on earth is just a testing time. Each one of you were placed on earth at this time so you could serve Me and help My children by your example. You must show your faith and love and how you trust in Me. They will see your peace and how calm you are and how you live in My Presence and you do not fear this time of darkness for you know I am coming to cleanse the world of all evil and the time of tribulation will pass. You know and believe in My Love and Mercy and each one who accepts My love and mercy will be forgiven of their sins, if they really want to repent and give up sin. This is why I placed you on earth at this time; to show My children that you have confidence in Me and you are not afraid of what is going on in the world, that you trust in your God and Father and rely on Me and keep your faith and understand these times will pass and My Kingdom will come. I have called you into a unity of My children who have formed a powerful army who will keep their faith and love for Me alive. Continue to pray and love each person I place in your life, as I love you. Be Me to others. You are helping Me usher in My Kingdom. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 2, 2019

My little one, tell My children My Holy Spirit is asking each one of you to share your love of Jesus with His little ones. You are to become a remnant community that will take care of all My children I send to you. Many of you are bearing a heavy cross and I am still calling you to minister to others. When someone sees you and your faith is strong and you pick up your cross, you still go on and help others. When you show them you believe and accept God's Will, you are a radiant model that you entrust yourselves with all your heart to the promises of God. Even when you pray for something and your answer is not what you asked for, you believe in God's Will and know His Will is always the best for each one. Remember, My faithful ones, I want you all to love as I do. You must have humility, for this is the key to unlocking the gifts of My Holy Spirit and you will be able to help others. If you become as a little child, God your Father, will open your hearts to the gifts of the Holy Spirit. Remember, unity is a gift of the Holy Spirit. Arguments cannot change people's minds but the Holy Spirit can change people's hearts. By your love and faith and your example of trust in your God and Father, you will be My channel to bring many of My children back to Me and save souls. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 3, 2019

My dear little one, tell My children to pay attention to the times they are living in. This is the time of darkness. How many of My children will choose light and how many will choose darkness. I wish to surround My children with light and transform each one with the healing light of My love. I want to heal each one of My children. So many feel rejection and are ashamed and guilty of different experiences in their life. So many have been hurt and cannot forgive the ones who hurt them. I want My children to come to Me. I wait for each one to come to Me and tell Me everything. I know everything. I know how they feel. I want to forgive everyone and show them how much I love them. I will fill them with My peace and each one will know how irreplaceable each one is to Me. I long to comfort and console each one. Repent and return. Yes, all My children have made mistakes and many now have addictions but there is no sin that cannot be forgiven when you come to Me and ask forgiveness from your heart. Do not let anything separate you from Me. I wait in My Tabernacle to talk with you. I wait in Confession to forgive you. My gift of Eternal Life is given out of love for each one. Do not throw it away. Come, I call each one. Do not wait before it is too late. I love each one and bless you, for I am your Father, Son, and Holy Spirit.

March 4, 2019

My dear little child, I come to you tonight as a loving Mother. I am so proud of My children all over the world who continue to pray and have not given up. I have come to earth so many times and in so many different places, calling My children to come back to God, their Father, and to keep their holy faith

Shrine of the Christ Child Messages

alive. My heart breaks because so many of My children would not listen. Your world is so full of sin and evil now. I come to tell you, do not give up. Pray now, My children. Pray your Holy Rosary; each and every prayer from your heart, I turn into a beautiful flower. My Holy Angels place each one before God, your Father. When you pray your Divine Mercy, each one tells your Father how very much you want Jesus to come once again. The first time My Son came to be born as a beautiful baby to live on earth just as you do. And, then He was crucified so all your sins could be forgiven and you could have Eternal Life. You each are loved so much and your Father wants every child to come to Him. He will send His Son once more and this time as Jesus of Love and Mercy, so each one will know how much they are loved and if they say, "Yes", Mercy will wash over each one and they will be who they were created to be. Divine Mercy will cause incredible miracles of healing. I told My children at Garabandal that a great Eucharistic miracle will occur in your lifetime and this will show everyone Jesus Christ's real Presence in the Holy Eucharist. And, this will be the Triumph of My Immaculate Heart and usher in the Era of Peace. So, continue to pray, My children, because each flower is telling your Father in Heaven how much you want Jesus to come. I love and bless each one, for I am your Mother and your prayers bring me joy, in the name of your Father, Son, and Holy Spirit.

March 5, 2019

My dear ones, tomorrow is Ash Wednesday. How quickly time is passing. Lent is a time to unite yourself with Me. It is a time for quiet reflection on My Passion. My first Apostles could not stay up with Me for an hour. Can My children stay with Me this Lent? Can they walk with Me? Can we go through My Passion together? Can they give up something for Me, for I gave up My life for each one to give them Eternal Life with Me. Can My children look at their own life at this time and try to be more like Me to others? Can each one come to Me and make a lifetime Confession and wash their souls clean so they can rise with Me? On Good Friday, will My children stay with Me and walk My path to My Cross with Me? Will you pray for one another and forgive them as I did from My Cross, even your enemies and the ones who have hurt you? Will you have love and mercy for them and will you start your Novena of Divine Mercy, so on Mercy Sunday you will be ready when I come as your Jesus of Love and Mercy? My wish is to share this time with you and each one will become closer to Me and understand how very much I love them and how special each one is to Me. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 6, 2019

My dear one, today after you received ashes, you stopped at the grocery store. A young man you knew came up to you and said, "What happened?" "Why is all that black on your forehead?" You told him, it was a cross, that Lent has started. He became so excited. He said you love God. "Oh, I'm so happy we belong to the same family, God's family". He gave you a hug. You went on to talk to him and told him, "Always love God and put Him first and family, and love others the way God does". He was so happy that he hugged you many times. He made you so happy to see a young man who has a mind of a child and you thought he made such an impression on you, for his love for God and others was real. His heart was open to God's love. Just to love, made him so happy. If only all of God's children would realize it is true.

Each one of you are part of God's family and I created you for love, peace, and joy. I want all of My children to be happy that they are all part of a family. I cannot wait for Divine Mercy to come and all will know how much they are loved. I want to immerse each one in My Love and Mercy and all will realize they are My children and they will also be so happy that each one is a child of God's and belongs to God's family. If My children want to give good things to their children, just wait until you see what I have waiting for Mine. I love and bless you, for I am your Father, Savior, and Holy Spirit.

March 7, 2019

My dear one, today will pass very quickly as each day does now. Time is short and most have not prepared for My Coming. Each one must begin dying to self, fight against desires of self, and remove sin from your life. Lent is a time to learn to give up things, to teach yourself to do without

Shrine of the Christ Child Messages

something. The most important thing for you to do in this life is to prepare for Eternity. Trust in Me and believe I am with you. Offer all your suffering up to Me, then you are walking with Me on My path to the Cross. Time, My children, is so short. The days are passing so quickly. Do not waste this Lent. Come to Me. Wake up now, for I must come and cleanse your world of evil. The ones who love Me and trust Me will survive the many trials to come in this time of darkness. Come to Me and sit with Me, for I am present in the Blessed Sacrament, always waiting for My children. Fix your eyes on the Tabernacle and love Me and let Me love you. Leave the world of sin and darkness and come to the light of My Love, for I am calling all My children back to Me and My Truth. I love and bless you, Father, Son, and Holy Spirit.

March 8, 2019

My dear one, today you went on a journey with Me. When you prayed your Sorrowful Mysteries on your Rosary, you walked with Me. You came and sat with Me in the garden. You wanted to be with Me and comfort Me. You could understand how I felt. When you prayed the second Sorrowful Mystery, you saw My scourging and how My Body was split open in so many places and you could not stand to look at what they did to Me. And, My Crowning of Thorns, you saw how they pushed the thorns into My Head and felt the pain as they punctured My Skull. The thorns dug deeper into My Head. When I was carrying My Cross, you could understand how heavy it was. You saw My shoulder split in two and how hard I struggled to remain balanced. You saw how they whipped Me. You knew how My Mother felt. You just wanted to walk by My Side. When I fell, you wanted to pick Me up. And then, when I was crucified, you saw the nails in My Hands and My Feet and My Blood pouring down. You looked at My Face turned to the side and you wanted to wash Me, and hold Me, and take My pain away. This Rosary was so real and so special. My child, tell all My children to pray with Me like this and they will understand My Passion and how much I love them, for if the soldiers did not nail Me to the Cross, I would have nailed Myself to it to save you and bring you to Eternal Life. See how much I love you all so very much. Come to Me. Come to Me in Confession. Let all sin go. Make yourself ready, for I love you and bless you, in the name of your Father, Son, and Holy Spirit.

March 9, 2019

My little one, Lent has begun and it can be a special time for each one of My children. It is a time to grow and die to self. I will give My children grace to walk with Me this Lent and change the things that they need to change in their lives. Many of My children start Lent and give up things but it is very easy to fall and go back and do everything you wanted to change and then give up. My children, you need My Holy Spirit to give you grace and strength. Ask for My Holy Spirit to lead you through each day and give you power to take each day and continue to give up what you know you should. The devil does not want you to become closer to Me. He will tempt you to fall and give up. Do not succumb to his temptations. Ask My Holy Spirit to come and fill you with grace and power to fight all evil. Lent is a time to become who I created you to be. Look deep within yourselves and change the things that you know displease Me. You know, for forty days I was tempted by the devil. He will tempt you every day. Ask My Holy Spirit to give you the power to reject all temptations. Come and spend this Lent with Me with prayer, Holy Mass, Adoration, and solitude with Me. Surrender, My children, yourselves to My Holy Spirit. Make this Lent bring a change to each one and when Easter Sunday comes, you can say, "I did it". I gave myself to My Jesus as He gave His life for me. I love and bless each one, for I am your Father, Son, and Holy Spirit.

March 10, 2019

My child, as you pray tonight, I ask you to open your Bible. I ask you to read Matthew 24. Each day, you ask for Me to come. You see the signs all around you. This Scripture I brought you to explains to My children the times you are living in, signs of the End of the Age. Yes, you will hear of wars and rumors of wars. My children who believe in Me will be hated for loving Me. Many will fall away and betray one another and hate one another. Nations will rise against nations and kingdom against kingdom. There will be famines and earthquakes and this is just the beginning of all suffering; and then, a great tribulation such has not been, from the beginning of time in the world, until now. Many false prophets will arise. Wickedness will be multiplied. Most men's love for God will grow cold, but My

Shrine of the Christ Child Messages

faithful ones who endure to the end, will be saved. Immediately after the tribulation, the sun will be darkened and the moon will not give its light. The stars will fall from Heaven and this will be when I cleanse the world of all its evil; and, then the Son of God, coming on the clouds of Heaven with power and great Glory. And, I say to you, this generation will not pass away until all these things take place. Your Bible holds all My Truth. Do not fear or be afraid as these things continue to happen. Know I am always with My faithful ones and they have nothing to fear. Just prepare your soul and be ready to meet your Lord and Savior. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 11, 2019

My child, do you know I made a promise to all My children, the ones who love me and call Me Father, even if only once, that they would not perish but will have Eternal Life. And, the ones who help My children who do not know Me, I will reward them a hundred times in Eternity, if you tell them about Me. Do My children really know they have a Father who loves them? So many of My children think their God and Father is far away and only wants to judge them. I am a God of love and only goodness towards each one. My Son, Jesus, is in Me and I am in Him with the Holy Spirit. We are all united in love and that makes us one. I want My children to realize your soul is a treasure, and if you obey My Commandments, go to Confession and receive the Holy Eucharist, your soul is full of grace and light. My children, I want you to realize I am within you and you are within Me, for I am the one who created you and you are Mine and My desire is to give each one Eternal Life. What I want from My children is to know Me and love Me. For soon you will realize, the prayer, *Our Father*, that I gave you to pray, will be answered. For, you ask Me for My Kingdom to come and My Will to be done, and you will see Heaven and Earth join and you will be delivered from evil because all evil will be destroyed forever; for I am your God and Father, and I love My children. I bless you, in the name of your Father, Son, and Holy Spirit.

March 12, 2019

My little one, trust only in Me and do not be afraid of what is going on in your world. Your world is full of darkness and evil. So many of My little innocents were murdered before they were born. Your world calls this, women's rights, I call it murder. My children who love Me and follow Me have nothing to fear so you understand, I must drop My Hand on a sinful world. I will give each one a last chance to repent and change and follow the ways of their God. They must come to realize I am in control. I must reclaim My world for My children who love Me and have faith and obey My Commandments, for My children cannot live in the evil that exists around them. You will see the power of your God. If I created the world, I can destroy the evil in it. You can see all that is going on around you, but do not fear, for your Father has the power to protect you and guide you through these dark days and I will bring you to the light to live in love, joy, and peace forevermore, where every child I create will live forever with their Father who loves them. So, have peace and pray, for your freedom from all evil will come soon. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 13, 2019

My dear ones, I come to you all today, not as a sorrowful Jesus but with pride and joy. When I see My children come together to pray, it gives Me joy. When I saw you today hang the Stations of the Cross and how happy you were to have them so you could walk with Me and pray along the Way, so you could see what I went through, so you would receive My gift of Eternal Life, it gives me relief. Each day I see so much evil going on in the world and to see children who pray together and work together, and have such love for their God, and Jesus, and our Holy Spirit, it shows Me how much you really love and believe in your faith. It is the way the whole world will be again. I do not want My children to fear anything. I just want for you to continue on the path you are each walking on, for you hold the truth within you. You will keep My Holy Church going through these evil times. The tribulation will not be easy, My dear ones, but you are all in the palm of your Father's Hand. So, what do you have to fear of what is going on around you? You know I promised to send My Holy Angels to protect and guide you and I will send you everything you need. Continue to pray and trust in Me and be together to share your

faith, for I have chosen each one of you and each one has a special mission, and I will speak to each heart through My Holy Spirit. Just follow your heart, for you each have the gifts of My Holy Spirit and you know the Holy Will of your Father. I love and bless each one, for I am your Father, your Jesus, and your Holy Spirit.

March 14, 2019

My dear ones, I come today as a loving Mother. I see the evil in your world and I am so sorry for My children and so sad, I cry. Many years ago, I revealed to St. Dominic fifteen promises from me, your Mother, for my children who would recite My Holy Rosary. I told him, if my children would recite the Rosary, they would receive special signal graces. I also promised special protection and the greatest graces. My rosary is powerful armor against hell and it will destroy vice and decrease sin. It will cause virtue, good works, and abundant mercy from God, your Father. It will draw you away from the world and My children will desire Eternal Life. If only my children would sanctify themselves by praying My Holy Rosary. My children who pray My Rosary will not perish. If you learn the Sacred mysteries and apply them, your life will never be conquered by misfortune. Your God and Father will not chastise you in His justice. You will remain in the grace of God, your Father, and become worthy of Eternal Life. If you have true devotion for your Holy Rosary, you will not die without the Sacraments of your Holy Church. If you are faithful and pray your Rosary during your life, you will have the light of God and His grace and at the moment of death, you shall participate in the merits of the Saints in Paradise. I shall deliver you from Purgatory myself. If you have been devoted to your Holy Rosary, My faithful children of the rosary will have a higher degree of glory in Heaven. If it is your Father's Will, you shall obtain all you ask of Me by the recitation of the Rosary. If you love your Rosary, you will be aided by Me in your necessities. My Son said, all the advocates of the Rosary shall have the intercession of the entire celestial court during their life and at the hour of their death. You are My children and if you pray your Holy Rosary, this makes you brothers and sisters of My Divine Son, Jesus. Devotion to My Holy Rosary is a great sign of pre-destination, and do you realize, I told My children at Fatima, if you would say the Rosary every day, you could obtain peace for the world. My dear, dear children, you know your Mother gave you these promises, if you pray your Holy Rosary. I came to earth to give the Rosary to St. Dominic, to give it to all My children, because I am a loving Mother. The times are so evil, I am calling you, My little ones to pray, pray, pray to obtain all I have promised you. I want all My children to have Eternal Life. I love and bless each one. Remember, you are in My Immaculate Heart and I placed each one in My Son's Sacred Heart. I was allowed to come to earth to give My children your Holy Rosary. Use it and receive My promises. Wear your Holy Scapular and your Miraculous Medal. I came because I love each one of you so very, very much. These are My gifts to you from Heaven. Please children, listen to your Mother and do not let the evil around you and satan take you from Me. For, by your prayers and faith, you are My children who will help Me crush him. I am calling you and praying with you. Every time you pray, praise and thank your Father in Heaven for your Holy Faith. I bless each one in the name of your Father, Son, and Holy Spirit.

March 15, 2019

My dear ones, you can see all the signs I have been sending to the world. My children who believe need to prepare for the coming tribulation of the antichrist. I told you, you could not look into the eyes of the Antichrist or worship him. This is why, after the Warning, you will have to get rid of all phones, tv's and computers. When the antichrist will declare himself, I will call My faithful ones to a refuge. After the Warning, many more of My children will receive My Cross upon their foreheads. By My instruction, My Holy Angels will lead each one who has the mark of My Cross upon them, where I wish each one to go. I will be sending My Legions of Good Angels for your protection. As this draws closer, you will see many more signs. Prepare now, listen to your hearts, for My Holy Spirit will tell you what to do. You are seeing devastation from storms, floods, fires, earthquakes, volcanoes, and there will be much more to come. My Warning is drawing closer. After My Warning, you will have about six weeks to do all I wish for you to do. Prepare your souls now with Confession, Holy Mass, and prayers. You have read in Scripture of My multiplication of food, how I multiplied fish and bread to feed five thousand. At My refuges, you will see the same multiplication of water, food, and fuels. My faithful will be able to survive

Shrine of the Christ Child Messages

the tribulation. Just trust in Me. You know how short your food supply is in your grocery stores. I have asked My faithful ones to acquire six months' supply of food for each family member. This is the time to begin this and then, I will multiply everything to last through the tribulation until you enter My Era of Peace. It is not a time for fear. It is a time for prayer and trust and to listen to My Holy Spirit within you. I am always with you and I love and bless you, for I am your Father, Son, and Holy Spirit.

March 16, 2019

My dear one, I know how much I love all My children and I see how life can be full of gloom in your world of evil, at times. But, lift your hearts to Me. Let go of all irritations. Awake to the dawn of renewed hope. Come to Me each day and know each day is a gift of My love to you. Let Me lead you step by step and ask Me to help you. Keep your eyes fixed on Me and do not focus on self, for you are unable to do anything without Me. Allow Me to cover you with My love each day. Learn to rely on Me. Let Me manifest Myself to you. Believe without seeing or feeling, just know I am your Lord. I made the universe and I made you. Let Me dwell within you, for I am the Creator of all things and I want My children to let Me be part of their everyday life. Call on Me to help and guide you. All My children are equally loved but not all equally love Me. All I want is your love. Let Me cover you with My love for you. I want all My children to come! I bless you for I am your Father, Son, and Holy Spirit.

March 17, 2019

My Children, your world races for destruction. You must lift your hands in prayer and intercede for the world. A great battle is being waged for souls. You all must have courage and be courageous. You must lift yourself out of your evil world and place yourself on a spiritual plain. You must pray for yourself as well as others. Many events lie ahead. Do not neglect the needs of your soul. Be ready, My children. Seek My Will and believe I want you to become Saints and do not fear. Prayer and love is the answer. Your faith must be strong as you see all that is taking place around you. Know your Father's justice must come to a sinful world. Surround yourselves with the ones who obey and live My Commandments. Band together, for I am preparing you for the battle that lies ahead. Look at the times in which you live. Do you see how they fulfill the prophecies given long ago? Walk with Me on the road of Salvation. Love one another as I love you. Be Me to others. Be at peace and know I will guide you through these times. Pray, My children for all that is coming soon to your homeland. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 18, 2019

My dear children, pray and do not let yourselves be drawn into sin by the ways of the world. In the world in which you live, sin is not sin to My children anymore. If My children want to live together without the Sacrament of Marriage, it is just fine. If they are not ready to have a baby, most believe just abort the baby. It is only a mistake. I'm not ready for a child. It would be too much trouble. In your world, sex is just fine with anyone. Man can be with man, woman with woman. Everyone can do anything they please, as long as it makes you happy. Repent, for I am coming and I will tell you who is in charge and whom you shall obey. I gave My children Commandments. Sin is still sin, My children. This is Lent. This is a time to stand up and keep your faith alive. My faithful ones, walk with Me and turn your back on false teachings. Trust only in Me, My children, and know I have called you to be a follower of My Truth. I will lead you through these evil times. You may face criticisms for your belief in Me and preparing for My Coming, but do not worry what others think. Make your souls ready. Do not be afraid to speak the truth. Stand up and show others with your actions what you believe in. Little time is left before you see what sin has called down upon My children, who will not change their sinful ways. My justice must come to a sinful world. I love and bless you for I am your Father, Son, and Holy Spirit.

March 20, 2019

My dear one, tell My children I long for each one to come to Me. Every day that you live, I am calling you to Me. Time is going so fast. Take time, My children to come to Me in the Sacrament of Confession. Give Me your heart. Let all bitterness go, forgive everyone who has hurt you as I have forgiven you. Each one's life is very short and goes by very fast. Life is a test. Trust in Me, read

Shrine of the Christ Child Messages

Scripture, and follow the path I have set before you. Do not believe that I am a God of acceptance, for My children, I cannot accept sin. I love each one and want to give each one the gift of Eternal Life. Let the world go. You do not need what the world offers. You need to make yourself ready to meet your God and make your life a prayer. Offer all you do to Me. Trust in Me and know I am always with you. Love each and every one I send into your life. Do not waste any time on bitterness. Give everything to Me and set yourself free. If I could be crucified for you and said, "Father, forgive them for they know not what they did", can you learn to forgive others for what they did to you and pray for them? Repent now. Let Me heal you. I love and bless you, Father, Son, and Holy Spirit.

March 22, 2019

My dear ones, I know what you are living through in these dark days. When you turn on the news, you hear of so many evil things taking place each day all around you. Sin is darkness and it is destroying your world. You see famines, earthquakes, storms and floods, wars and rumors of wars. There is so much sickness and everyone seems to be suffering in one way or another. Each day, you must believe I am with you. Continue to say, "Jesus, I trust in You." Say this over and over and believe I will guide you through all the darkness and keep you away from the evil one. When you think of Me and talk with Me, you are in prayer. Let your prayer be your life, and the way you live your life and love and do for others, be your prayer. Communicate with your God. You will learn My Ways of love, for I am coming as your Jesus of Love and Mercy. I give you My blessing, in the name of your Father, Son, and Holy Spirit.

March 23, 2019

My dear ones, please pray every day for My good and holy Priests and deacons. Many have given their life for Me and many will understand the evil that is now taking place in My Holy Church. The evil one wants nothing more than to destroy My faithful ones. For a short time, the Antichrist will come to power. But then, all will see who has the real power. For My faithful children who love Me will have Paradise forever with Me. My Holy Church will come back to splendor by the power of your God and Father. I love and bless you. The battle has been won, the Glory shall come, for I am your Father, Son, and Holy Spirit.

March 24, 2019

My little one, tonight you can hear the thunder and the storm outside and you are not afraid, for you know it is in the power of your Father. My child, there are many storms to come soon. Ask all My children to pray for the west and east coasts of your country. Pray for all My children that will be affected. You are about to see many changes in your country and the world, for I must cleanse the world of sin and evil. These changes will increase and cannot be stopped unless mankind repents of his evil ways. I will not allow My children to continue to live in sin. I will not allow the sin of abortion to continue. Man cannot be the one who decides who lives and who dies. I am coming soon and all My children will have a choice to make, for they will know I am God and My Truth will be followed or they will not have Eternal Life. I came the first time to suffer and die, so when you repent, all sins could be forgiven. How many take time for Confession? How many take time to pray now. So many churches are empty. And now, evil is in My Holy Church that I started at the Last Supper. When I come again as Jesus of Love and Mercy, it will be the last chance. My children will follow My Truth or perish, for I am the Way, the Truth, and the Light. I love and bless you, for I am your Father, Son, and Holy Spirit.

March 25, 2019

My dear one, as you pray and walk with Me, doing the Stations of My Cross, you see how I was condemned to death and how hard it was to carry the Cross. I accepted it for all God's children's sins so they could be forgiven. You saw Me fall for the first time, and, you understand when I met My Holy Mother how she felt and how her heart was broken. My child, your heart has also been broken by the death of your child. You know Simon had to help Me carry My Cross. It was so heavy. No man could carry it by himself. My dear Veronica took her veil to wipe My Face. Then, I fell a second time. I had to force Myself to get up and go on. And yet, what did I tell the women who wept for Me. I told them to weep for their children, for sin is what caused this. And then, I fell a third time. I could hardly

Shrine of the Christ Child Messages

move. The soldiers would not stop beating Me. And then, I was stripped of all My garments. They were stuck to Me by My own blood, and when they ripped them off, all My skin came off with them. Every bone in My Body was hurting. The pain was so great but the pain of My children's sins hurts more. And then, I was nailed to the Cross. I thought of you and all My children who would love Me, as the nails went into My Hands and My Feet. And then, I died upon My Cross. All I wanted to do was save My children so they could have Eternal Life. And then, I was taken down from My Cross and placed in My Holy Mother's arms. Do you understand why I sent you the Pieta statue? You asked Me for this statue ever since you were a little girl. You would come and place holy water on My wounds to make Me feel better. Your love has always made me feel better. And then, they placed Me in My Tomb. But, My child, did I not rise on the third day? Death could not keep Me down. Tell My children to be strong, pick up your cross and walk with Me, even though you suffer now, soon My dear ones, all suffering will be a thing of the past. I am coming once more to call all My children back to their God and Father. All death and suffering and evil and sin will pass away forever, for I love and bless each one. Time is very short. Be ready, My children. Die to self and come to Confession. Clean your souls for Eternal Life with Me, for I am your Father, Son, and Holy Spirit.

My dear faithful ones, I come to you today with My Sacred Heart held out to each one of you as you gather in prayer and walk with Me during Lent to meditate on My Passion. I take each one of you deep within My Heart. As you each stay in My Heart, I love and protect you. You realize the times you are living through but I also want you to know, by your love and faith in Me, your Savior, you have nothing to fear, for I am here to love and guard you each and every day. You are all walking on the path that I have put before you and it brings Me great joy and makes My Heart pour out love and graces to each of you. You are the ones chosen before you were born to do My Holy Will on earth during these times. I realize each one of you have different sufferings and sometimes, it is hard to continue on, but My children, you will not fail even if you fall at times. Just remember, I also fell three times, but you will rise again to carry on and when all evil is destroyed forever, you will never suffer again. So today, I give each of you My Sacred Heart full of love for you, for you are the ones that bring Me joy and consolation. I love and bless you, for I am your Jesus of Love and Mercy. I bless you, in the name of your Father, Son, and Holy Spirit.

My dear one, how I weep over My Holy Church, for soon My Church will be completely divided. Do not follow the Priests or Bishops who are not following the teachings of My Church. Priests are leading My sheep astray. Some of My true believers are being persecuted and will even be put to death. Pray, and tell My children to pray, for evil has entered My Church and only the ones who love their faith and really believe with all their heart that I am coming, will be able to go on, for the chastisement will be very great and many will fall away from the faith. This is the time when most children will believe the lies of satan and fall away. You must be strong and know the truth of what your Church stands for. Keep your faith and share it with others. After Divine Mercy, your Church will rise in splendor once more. Make yourself ready to meet your God. Come to Confession now and pray for one another. Time is running out. Understand, I must come to earth and crush all evil. Pray, My children, repent of all sins so I can lead you to a New Heaven and Earth. I love and bless you, for I am your Father, Son, and Holy Spirit.

My child, each and every day now, My children are seeing many things transpire. Natural disasters are everywhere. Did I not say, there would be signs everywhere? Will My children open their eyes? The storms, earthquakes, fires, tornadoes are everywhere. Many have lost everything. Many are homeless. So many of My children are addicted to drugs and so many suicides are happening every day. Some do not even want to live anymore. Wars and rumors of wars are everywhere. So many are building more and more nuclear weapons to destroy each other. Just look at your mass shootings, even in your schools; people killing others like life does not matter at all. Families are being destroyed. And then, My child, how many of My children I create do not have the right to be born because their own

mother kills them by abortion. And, there is so much more evil going on everywhere, we could speak of it all night. I just want you to understand why a loving Father must drop His hand on a sinful world. But also, I want each child to have a choice to give up sin and come back to Me, the One who gave them life. Your Jesus of Love and Mercy will come to show each child how much they are loved. My children who accept this wonderful gift and repent will have Eternal Life. Your New Heaven and Earth will be love, joy, and peace. My children will live by My Truth and all evil will be gone forevermore. So, continue to pray and have hope, for your God and Father loves His children and wants Eternal Life for each one. I love and bless you, Father, Son, and Holy Spirit.

My dear one, you know the Mass is the center and heart of My Holy Catholic Church. It is My True Church. The Holy Sacrifice of the Mass is the most powerful form of prayer My children can receive, for it is My Real Body and Blood you receive. God, your Father, is present at every Mass and then, My Act of Love and My Passion and Death on Calvary is remembered and renewed. This Lent, come to Me in Confession. Look deep within yourselves, give Me your heart and entire selves. And, Holy Week, come be with Me, sit in the Garden, stand with Me when I am beaten and whipped, pray with Me when I am Crowned with Thorns, help Me carry My Cross, and pick Me up when I fall. Stand by Me at My Crucifixion and meditate on the Mystery of Me hanging and nailed to My Cross, so all of your sins could be forgiven. Then, on Easter Sunday, be with Me at My Resurrection and celebrate with Me, for it means you will have Eternal Life. I love each one so very much. I am calling My faithful ones to be with Me. I love and bless you, for I am your Father, Son, and Holy Spirit.

My little one, you came and prayed the Way of the Cross with Me and you came with your heart full of love for Me. I know all the heavy crosses you also carry now, but soon, you will be able to put down your cross and your broken heart will be healed. Your daughter is with Me and loves her family so much. She will be back with all her loved ones soon and she has so much joy and wants you to also have joy. For I tell you, prepare and tell all My children to prepare, for I am coming. I told you to trust Me and I say it over and over again. Believe I am with you. When you believe in Me, you trust Me and you know I am guiding you, and there is nothing to fear or worry about, for you know your God is with you. Have faith, My children, for your God is close at hand, and I shall come to cleanse the world of all evil, that now is taking it over. I will guide and protect all of you and your families through these times, by your faith and trust in Me. Prepare now, by dying to self. Remove sin from your lives. Come to Me in prayer and know I hear each and every word. I tell you all, little time is left. Come now. I love and bless you, for I am your Father, Son, and Holy Spirit.
