

## Shrine of the Christ Child Messages

### **September 1, 2019**

My child, tell My children to stand firm in the midst of storms and trials. I understand how hard it is, sometimes, when everything seems to be going wrong. Keep your eyes on Me. Pray that I send My Holy Spirit for a new outpouring over the earth of My Love and Mercy. I am everywhere, even in the most adverse circumstances. Now is the time for My Mercy. Draw near to Me and prepare yourselves, for time is passing very quickly and soon, each one will see themselves as I do. Pray, My children. You who look forward to My Second Coming, be one with Me and unite yourself with My Holy Will. Stand firm and follow Me. This evil age shall end but for My children who believe in Me, My Kingdom is forever. Come together as one unity and be united in prayers and stand firm in your faith. Know that I guard and protect you. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 2, 2019**

My child, tell My children to look forward to what is to come; a Kingdom of peace and unsurpassed beauty. Nothing on earth can compare to what I have waiting for My faithful children. Every wish will be fulfilled in a place of endless joy, peace and harmony, love and fellowship. You will see Me face to face and wonder and love will fill your soul. Each one will be unique and special. You will walk with Me and converse with Me and I will place you by My side and you will have no memory of past hurts or suffering. You will be reunited with all the ones you ever loved for it shall be a place of rest and reward. Your true home is My Kingdom. If you knew the wonder and delights that I have waiting for those who love Me, you would endure anything for My sake. Your home is with Me and it is a place where I am King and My Kingdom is for all My children who follow Me and say, "Yes, Lord, I am yours". I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 3, 2019**

My little one, tell My children to have confidence in Me. This is the hour of trials. My Spirit will guide you and sustain you. If you think of Me with faith and really love Me, you can overcome evil. Stay little and humble and rely on your Father. A small child is confident in his parents' protection and love. If Mom and Dad are near, they feel safe and loved. Remain with Me and know you are always loved and protected, for I am always with you. I call each one to spend time with Me. You shall hear Me in the silence of your hearts. I will not abandon you. Pray, My little ones, for your world has reached its limits. My laws and commandments have been abandoned by most. They have forgotten Me. My laws are contested. Men are making up sinful laws and saying it is legal. Open your eyes and see the signs I am sending upon your earth. Only prayer and faith can help intercede in the devastation to come. I must cleanse your world of sin and evil for My children who love Me, and follow Me, and ask Me for pardon for the way they have offended Me. All who seek Me and ask for forgiveness shall find Me, and they will enter into a New Heaven and Earth where evil and sin shall be gone forever. Eternal life, full of love, joy, and My peace, will be theirs. I love and bless you, Father Son, and Holy Spirit.

### **September 4, 2019**

My dear one, tell My children, did I not say, "Come all who labor and are heavily burdened and I shall give you rest"? Come to Me and do not despair of the times that you live in, for My Armies will come to your aid. Do not despair of the darkness, for My faithful ones are the Children of Light and My Light dispels all darkness. Come follow Me and show the world that I am alive in you. Show the world that you believe in your God and Savior. Show others that you believe I am Jesus and I died for your sins and rose again. My laws have not changed. I am the Way, the Truth, and the Light. I have not changed. My Commandments have not changed. I am the same yesterday, today, and forever. The darkness and the evil around you are hard to live in but if you call on Me, I will shelter you from the evil and darkness that surrounds you. When you come to Me and pray and believe I am with you, then you will not be afraid or give up. Have hope in Me to love and guide you through these evil times of darkness. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 5, 2019**

My dear one, tell My children to pray. You can see all the storms, tornadoes, and fires that are burning

## **Shrine of the Christ Child Messages**

out of control. Hurricanes have the power of the winds and the power of the ocean. So many of My children have lost everything and some have lost their lives. Devastation is everywhere and there is so much more to come. When will My children open their eyes and give up sin? When will they learn I have all the power? When will they come to Me and follow My Ways? I created the world for My children. Before sin, they would have had life full of love, joy, and peace. Sin has destroyed My plan. I am coming once again and this time with My Love and Mercy. I will give all a second chance. Follow Me, obey My Laws, and have a Kingdom of all I wished for each one to have. It will be up to each one. Choose sin and darkness or come to Me and have Eternal Life with Me forever. Pray for all who are suffering and know all of this will pass, for I will cleanse the world of all evil. My children will walk with Me and know who is in control and who loves them. I love and bless you, Father, Son, and Holy Spirit.

### **September 6, 2019**

My dear little ones, I come to you as your loving and very proud Mother. As you pray together today, you are giving honor and glory to My Beloved Son. Each one of you are mothers or fathers and grandparents to My children. You receive much joy when others are good to your children. Do you realize I am your Mother and God is your Father? How proud and happy We are when you pray to Jesus as a small child and then do My Sorrowful Mysteries on your Holy Rosary and meditate on His Passion. And then, today you will pray the Divine Mercy prayers, praying for His Love and Mercy to come. My dear little ones, His Love and Mercy will come and flood the earth. How surprised My little ones all over the world will be. Some have never been loved before. Some do not even know their God. When Divine Mercy comes, each and every one will know there is a Jesus who loves them and would be crucified all over again, just to save one of you. You have all been so blessed to have been chosen to help so many of My children at this time. You have been given more gifts than each of you realize. Your faith comes naturally to each one of you, because before you were born, God the Father, placed a special seed within you and it took root and grew and grew. And now, you each help form a unity of My children around the world and soon, when I am able to crush satan, you, the ones with your deep faith and love will help crush evil, and I will welcome you with open arms to the New Heaven and Earth that My Lord and God has waiting for His children. I watch over you and wrap My mantle around you, for you are Mine and I am your proud Mother. I love you and seal you with My Motherly kiss and bless you, in the name of your Father, Son, and Holy Spirit.

### **September 7, 2019**

My dear little one, I am your Jesus. I come to give you hope and know My Warning is close at hand. Tell all My dear faithful ones, now is the time to prepare your heart and soul to see how you stand before your God. There is still a little time to come to Me. Look deep within yourselves and come to Confession and give Me yourself totally, for when My Warning comes, I want each of you to be ready to help the ones that know nothing about what is to come. You have been blessed to know about Divine Mercy, to know in your heart what a true Holy Mass is, and you are the ones blessed to receive My Body and Blood. I am your being, I am with you, for My mission for each of you is to share your holy faith with others. So many of My children are lost and need love and understanding. Pray and help everyone I send into your life. Do not worry about the world and all that is going on. Pray, for you have entered the end times. The days of evil and darkness are numbered. Soon, My Power will sweep over your world, and I shall cleanse it, and My Peace shall return. My Warning is close at hand and each one will see their sins and how I see them. All will be given a chance to repent and return to their God. I love and bless you, Father, Son, and Holy Spirit.

### **September 8, 2019**

My dear one, today was a beautiful day. You went to Mass and it was a good and Holy Mass. The beautiful songs made you cry. You were so happy to have Communion and I showed you a beautiful vision. My child, to come to a Holy and True Mass is a blessing. Many Cardinals, Bishops, and Priests are taking the wrong path and there is much corruption in My Holy Church. But, know I will rebuild My Church and it shall be a True and Holy Church and My Truths will be taught once again. I shall guide you through this time of evil and darkness and you will see the Light of My Truth, for I am the Way, the

## Shrine of the Christ Child Messages

Truth, and the Light. Follow Me. Keep your faith in your heart and live it. Pray for My good and holy Priests, that they will not follow the evil that has entered My Church and they will lead My children away from it. Pray and believe in what you were taught as small children. Who made you? God made me. Why? To get to know Him, love Him and serve Him, in this world and the next one, so you could have Eternal Life with Him forever. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 9, 2019**

My dear one, I am calling My Remnant to Me. I soon will show the world how they have offended Me and all will have a chance to return to Me. My Remnant must prepare to help all who seek Me. You must all die to yourself and fight the temptations of sin and the world. You must believe and trust in Me. You are to be the ones to do the work of salvation and help all I send to you. I am coming and you must be prepared. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 10, 2019**

Little one, pray for My Holy Church. Acceptance of sin is now in My Holy Church. If My children only knew how short time is. One day, everyone thinks everything is just fine and the next, everything will be gone. You saw how fast things can change when the hurricanes struck the Bahamas. Everything changed. My children don't know what to do. Pray for them. Life can change in a second. You live in very dangerous times. Be very careful of who you listen to. Your life depends on what you believe in. My faithful ones are outcasts because they believe in My teachings and the true faith. Sin is still sin. I am a God of Love and Mercy but there must be repentance of sin and I cannot accept anyone who chooses to lead a life of sin and who refuses to repent. Prepare, My faithful ones. Sin increases and I shall be forced to put an end to it. Trust in Me, for I love you and will provide a safe refuge for the times to come. I bless you, in the name of your Father, Son, and Holy Spirit.

### **September 11, 2019**

My dear one, tell My children to look back at their Holy Church when they were small. Do you remember the long lines for Confession? You would wait and want to come to be forgiven, so on Sunday, when you came to receive Me in Holy Communion, you knew your soul was pure. You would kneel down at the Communion rail and could not wait for your turn. When you went by the Church, you would make the sign of the Cross. You were taught by the Holy Nuns to always respect your parents and your Priests. At Holy Mass, every day, you knew you were in your God's House. You believed in the Real Presence of your God and Father, and knew every time you came to Holy Communion, it was My Real Body and Blood. My Holy Nuns taught you about your Blessed Mother. They told you of Heaven and why God made you. Children were taught the Truth. My Commandments were lived by; and now, so many desire to follow Me in their own way and make new laws to suit their own lives. No one can enter My Kingdom except through Me. The world is trying to take your faith away as each day passes. You must trust in Me and only in Me. Come to Me, enter into My Heart, let Me love you and show you the Truth. Follow Me and remove sin from your lives. I am coming. I am so close and few have prepared. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 12, 2019**

My dear one, when My children come to pray and they express their love for Me and tell Me they love Me and really mean it from their heart, soul, and mind, many sins are forgiven, for love means so much. When your soul manifests love for Me, that love spreads to others. When you come to receive Me in My Holy Eucharist, you receive the Father, Son, and Holy Spirit. And, when you tell Me, "I love you, Father, and I am yours", your soul fills with sanctifying grace from the consecrated Host. I love to be loved by you and you are expressing your love for your God and Father. Go, My little ones, and show your love by the way you live your life, with your thoughts, words, and actions. By loving others, you love Me. I love you, for I am your Father, Son, and Holy Spirit.

### **September 13, 2019**

My dear one, tell My children not to be disheartened by the events that happen every day around you.

## **Shrine of the Christ Child Messages**

Simply know I am in control. Be at peace and know time is short. A time of peace and great joy awaits My faithful ones. My children will want for nothing. All shall be provided by My Hand. Trust in Me and prepare, for I will guide you through the coming tribulation and the love you all share is My love. As you care and watch over your children and grandchildren, do you think your God and Father does not care about His? After all, love is My gift to you and so are your loved ones. Be at peace and trust in Me. I bless you, for I am your Father, Son, and Holy Spirit.

### **September 14, 2019**

My dear one, tell My children to pray, pray, pray for My faithful priests, for they are persecuted by the ones that do not believe. My little ones who believe in their Holy Catholic faith will also be persecuted, for the evil world now wants a universal church, where nothing matters, for they believe that sin does not exist and there is no Hell. My children with true faith know My Holy Eucharist is real and only My holy Priests can consecrate My Host into My Real Body and Blood, just as I did at My Last Supper. The ones that believe and come out of love are filled with grace and peace, for they know their Father, Son, and Holy Spirit are within them. My Priests need your prayers and I need My faithful ones to pray for them and remember, No Priest, No Holy Eucharist. I love and bless you and I gave you Myself at the Last Supper so I could always be with you. My Passion and death were to save you so we could have Eternal Life together. Be ready, My faithful ones, for I am coming to cleanse all evil from the world and bring My Kingdom to My children. I love and bless you, Father, Son, and Holy Spirit.

### **September 15, 2019**

My child, in the times you are living in, it is very important for My children to pray to their guardian angel. My children seem to forget I gave them a very important gift. I gave each one a special angel to protect them. They will come to your assistance and help you in your needs, and in times of danger, they are there to protect you. Someday, you will see all your angel has done for you and know how they saved you from danger. Talk and pray with them now, for they will help you through these evil times. You also can call on My three Archangels. St. Michael the Archangel will defend you and be your protection against the evil one. The Archangel, Gabriel, was sent by God to tell Virgin Mary She would conceive, by the power of the Holy Spirit, a Son and She would name Him, Jesus. If God trusted Him with such a special mission, can you not pray to him and trust him to help you? And Archangel Raphael, your God had him help Tobias on his travels and he will also guide you. He is also the Angel of health and was given balm from heaven to cure. So, do not forget to pray to your holy Angels and Archangels, for your God and Father sent them for you. I am your Jesus and I love and bless you, Father, Son, and Holy Spirit.

### **September 16, 2019**

My little one, I told My children that I made you a promise that I will be with you all your days. I am not a part-time God. I do not leave My children. When you are in sanctifying grace and you come to Me and receive Me in the Holy Eucharist, you take Me with you everywhere you go. I want My faithful ones to realize this and live, knowing I am always by your side. Do not be afraid of what is going on in the world. I want you to trust Me and know you are never alone. When you learn to live each day in My Presence, we can go through each day together and you shall have My peace and love. Just trust in Me and know I am coming to cleanse your world of all evil. And, by your love and faith, the evil days shall pass and you shall not fear, for you know I am always with you. I love and bless you, for you are Mine. I bless you, in the name of your Father, Son, and Holy Spirit.

### **September 17, 2019**

My dear one, tonight as you were watching your little grandson play football, you saw a man grab his son and pull him by the arm. The little boy was so afraid. You could see the meanness he was showing this little one, and he was a foster parent. You prayed for the little one and asked Me, "How can people treat little children so?" My child, there are so many of My dear little ones abused each and every day. They do not know what love is. They do not know their God. And how many of My beautiful little ones are killed before they are born? How many are homeless? How many are cold and hungry? Little

## Shrine of the Christ Child Messages

one, I am coming and no one will hurt my little ones again. And, you do not want to be one of the ones that have hurt My little ones, for they shall see the evil they have done and they will know I am God the Father and that My children are loved by Me. If they do not repent and are not sorry, they shall answer to Me. Keep praying and loving, for soon all evil will be gone forever and My children will all be loved and cared for. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 18, 2019**

My dear precious little ones, I come today to pray with you. Your prayers bring joy to our hearts. Our hearts are entwined with yours. We also came today to ask each of you to continue on the path you are on. Your world is falling apart around you and you know My Son allowed Me to come and warn My children at Fatima what would happen if Our children did not give up sin. So many do not pay attention to Our warnings, and now everything we have warned you about is taking place. How very much we love our children. My faithful ones should not fear, for your God and Father has promised to protect you. Be prepared, My little ones, but do not let fear take you over, for if your Father tells you not to fear, that He will care for you during these evil times, He will. You are to continue to trust and believe. Yes, all is taking place and Revelations shall be fulfilled, but also, the promise of Jesus coming as your Jesus of Love and Mercy, shall also come and the ones that accept Him and His Holy Will shall enter the Kingdom that you pray to your Father to come. When His Will is done, all My children will have complete love, joy, and peace forevermore. As My Son promised with Divine Mercy, each one shall have a chance to give up sin and come back to their God. I love My children so much and want each one to be saved. Your Father sent My Son the first time to suffer and die on His Holy Cross so all your sins could be forgiven. This time, He shall come and show each one His Love and Mercy. Be ready. This gift from God, your Father, is coming soon. Pray and be ready to accept Him and Eternal Life forever with your God and Father, the way He meant it to be when He created the world and each one to live forever. I love and bless you, in the name of your Father, Son, and Holy Spirit.

### **September 19, 2019**

My dear one, there is such little time left. Tell My children to look around at what is happening on earth. Trust and believe in Me. Do not allow fear to control you. I am bringing an end to all evil. I will show the world how they have offended Me. I will not allow evil to continue. My faithful ones, continue to pray. You will see much devastation in the days ahead of you, but always remember who is in control. The time you have been preparing for approaches. Love the ones I will send to you, for when you love and serve others, you love and serve Me. Pray much for those in darkness that they will see the light and follow My Ways, before it is too late. I love and bless you, Father, Son, and Holy Spirit.

### **September 20, 2019**

My child, you see how fast time is passing. It is going faster and faster. This is My gift to My children, for they cannot live in this world. I created you for love and peace. I made a world full of resources; enough for all, not just for some. I want My faithful ones to walk with Me, to be happy and full of life and joy, not to become ill and grow old. I did not want death and suffering. Sin brought this to My children. I want My children to sing and dance and love. When I come and cleanse your world of all sin and evil, My children will be made new. All who follow Me will have new life. How happy you shall all be when all sin is gone and you are reunited with all your loved ones. This is not just a hope; it is reality. I am coming! Be ready to meet your Lord and Savior. My peace be with you. I love and bless you, for you are Mine, Father Son, and Holy Spirit.

### **September 21, 2019**

My child, today, you are leaving on a very special trip. I want you to enjoy your time with your children. Continue to pray and be with Me each day. I am bringing you to meet a very special Priest-Son of Mine. I blessed him with many gifts. Every day, pray and write everything He gives to you, for I want you to share this with the unity of faithful ones I called together to fight this battle. This will help all of you to be ready. It has been many years now and all of the trips and prayers and places I brought you to, have all been training for now. This has opened your eyes to all I have blessed you with for these times and final

## **Shrine of the Christ Child Messages**

days. You will see much transpire in the days ahead. Be not afraid and be strong. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 22, 2019**

My child, how happy you were today. You went to a very Holy Mass at the Church of St. Joseph. You could not get over how beautiful it was. It was an old church that no one has ever changed and when Communion time came, how it reminded you of being a little girl again, and you had such joy to kneel down at the Communion rail to receive Me. All you could do is remember the way it was in your childhood. Little one, My Holy Church will rise in splendor and My children will all have their true faith once again. I will cleanse all evil out of My Church, for I do not accept sin, adultery, abortion, or homosexuality. The path of acceptance, where sin and everyone who believes in it, is accepted in My Church, I will not put up with. Stay close to Me and believe in My Truths! I am calling My Remnant to My Side and telling you to prepare for My Coming. Trust in Me, My children, and My Church shall flourish once again. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 24, 2019**

My child, as you sit here and pray, you feel the gentle breeze and hear the water fall. Everything seems so peaceful and quiet. My child, I want My children to come each day and sit with Me, listen to your heart, and let Me fill you with My peace. Your world is full of darkness and your own country is split in two. Your government cannot be for the people, because they want to destroy one another. The world has rejected Me. Look at My Holy Church. They even have begun to change My Laws. Wake up and prepare, for I must come and cleanse the evil out of your world. My laws and My peace are what My children need. Tell My children to prepare, for My Warning will come soon. You must keep your faith, for you are in the time of great turmoil. Trust in Me and believe I will take care of you. I love and bless you, Father, Son, and Holy Spirit.

### **September 25, 2019**

My dear one, I come today as Our Lady of Mount Carmel. Tell My children, please listen. I come asking once again, as I asked Saint Simon Stock, wear your brown Scapular. To be clothed in it, means you are always thinking of Me, and I am helping you to secure Eternal Life, and whoever dies wearing this Scapular, shall not suffer eternal fire. So many of My dear children ignore this or have entirely forgotten this. It is My promise to My children. Why will My children not listen to their heavenly Mother who loves you all so much? The world you live in is in such turmoil. I told you this is My protection for you. Every Mother wants to protect her children. I will take you under My mantle. I will bring you to My Son. By wearing your Scapular, you are dedicated to Me in a special way and you have a strong claim on My protection and intercession. It is like you are wearing a religious habit. I gave this gift to My children along with the Rosary and My gift of the Miraculous Medal. I want My children to have these sacramentals. I love and bless you, My dear children, and I want Eternal Life for each one of you. I want to bring you to My Son. By wearing My gifts and praying your Rosary, you are accepting My gifts, I came from Heaven to give to you. At Fatima, I promised I would never leave you and My Immaculate Heart will be your refuge and the way I would lead you to God. Let Me take each one of you into My Heart and give you protection against the devil, please, My dear ones, while there is still time. He hates My gifts to My children, because it takes so many souls away from Him. I have come so many times on Earth to give you these gifts. Listen to your Mother, who loves you. I bless each one, for I am your Mother.

### **September 26, 2019**

My little one, there is a great spiritual battle that rages around you. So many are letting satan win them over. Even My Church has fallen. It now is on a path of acceptance, where everyone is accepted in My Holy Church, even if they live in sin. No matter what their views are, they do not ask or seek repentance, for they believe in their sin. Do not be fooled; whoever lives in sin, is wrong. I do not accept sin and I never will. I want to forgive My children, if they come to Me in Confession and ask for forgiveness, but they must give up the sin. I want for each one to come back to Me. My Ways are the

## **Shrine of the Christ Child Messages**

truth and sin is still sin. Pray, My children, and give up sin. I wait for each one with open arms, for I am your Jesus of Love and Mercy. I bless you, Father, Son, and Holy Spirit.

### **September 27, 2019**

My dear little one, as you come to Me tonight in Adoration, I am so pleased to have you before Me. My child, I understand each and every moment of your life, all your trials and tribulations, but I also understand your heart and how broken it is over your beautiful daughter. She loves you so very much and does not want her mother to carry this pain any longer. Little one, your daughter is so happy in Heaven and never leaves anyone. She is always with you and her sons, her father, and all her sisters and brothers, and their loved ones. She is waiting for the day when I come and bring you all back together forever. She prays each moment for all her loved ones and never, never leaves you. Be happy, My child, for I am coming again very soon. Do not worry. I love and bless you, for you are Mine. I wish for you to take this time for yourself and give all that you carry to Me. Share yourself with Me, for I have many blessings to bestow upon you. I love and bless you, in the name of your Father, Son, for I am your Holy Spirit, Savior, and you are Mine.

### **September 28, 2019**

Little one, tell My children how short time is before My Warning. I will tell you what to do each day. Do not worry. I shall send you all you need to accomplish all I wish for you to do. After My Warning, My children will have their last chance to come back to Me. The ones that choose evil will be cleansed away, just like all the sins of the world, for My children will live in a new era where sin and evil, death, greed, and all wrong doings will be gone forever. My Holy Church will be restored and My good and holy Priests, Bishops, Cardinals, and Pope will be holy and devout once again. My little ones will once again want to be priests and nuns, for all shall witness the power of their God and Father and know I exist. My New Heaven and Earth will be what I intended for all My children, where Truth and Love and My Commandments will once again be what My children want and believe in. Continue to help and pray with all the ones I send to you, for this is My gift to you from My Holy Spirit. I love and bless you, for I am your Father, Son, and Holy Spirit.

### **September 29, 2019**

My dear little one, today, I told you how special your mission really is. I chose you for this and you know in your heart and soul, this is a gift from God your Father, not only to save your family but also many of My children I will be sending to you. Only the ones with the Cross on their foreheads will come. My child, this weekend was very special for you. My holy Priest-Son blessed your journal because he knows the words you write are real and a special gift through the Holy Spirit. I knew before you were born, you would give Me your "yes" and since you always had such love for your family, I could trust you to love all My children and do whatever I tell you. You would love everyone I send to you, and everyone would form a unity and love one another as family. I am your God and Father. I will send My Angels for your protection. You know, My child, it is now time to really prepare, for the days are numbered now. My Warning will come soon, and then I will give you about six weeks and the Tribulation will begin. I will guide you and tell you each day what to do. I love and bless you, in the name of your Father, Son, and Holy Spirit.

### **September 30, 2019**

My dear child, tell My children, now is the time to trust Me in all circumstances. You must all live in deep dependence on Me. You must believe I will never leave you or forsake you. Live in My Presence and be faithful. Pray and trust and you shall be protected. Your nation is so corrupt and soon, there will be no warning. My Hand shall fall in fury and anger. I am God, your Father, and do not wish this to be. But, so many have turned their backs on Me and My Truth. There will be much chaos, storms, and earthquakes. Riots will be in your streets. My children must return to Me and all evil must be cleansed away, and My faithful shall have a New Heaven and Earth to live in love and peace with Me forever. I love and bless you, for I am your Father, Son, and Holy Spirit.
